HOW TO PREPARE FOR THE BOR MEETING
The procedures for preparing the BOR meetings are as follows:

1. Setting the Date of the BOR Meeting
   BOR meetings are held every last Thursday of the month, subject to availability of the Chair and Co-Chair. If either of them is not available, the Secretariat finds the best time when most of the Regents are able to attend.
   Once the new date is agreed upon by the Chair and Co-Chair, the BOR Secretariat notifies the rest of the BOR members on the new date of the meeting to ascertain that there is quorum.

2. Organizing the BOR Meeting
   2.1. Before the Meeting
      a. The SU-BOR selects the caterer and menu for breakfast and lunch.
      b. The BOR Secretariat prepares the list of attendees, resource persons, and presenters for approval of the President.
      c. The BOR Secretariat staff ensures that the documents for the BOR meeting are reproduced and sorted according to Agenda titles: Matters Arising, General Governance, Academic, Administrative, Fiscal, For Information, For Confirmation, and Other Matters. The staff also prepares other supplies and equipment needed for the meeting.
      d. Before the day of the meeting, the BOR Secretariat staff checks the venue and sets up the arrangement of tables, equipment, and materials.

   2.2. During the BOR Meeting
       a. Attends to the needs of the Secretary and the members of the BOR/PAC, and
       b. Takes note of the discussions.
2.2 During the Meeting
• The BOR Secretariat staff readily assists the BOR members in their needs.
• The BOR Secretariat staff transfers the presentation files (e.g., PowerPoint, PDF, etc.) of the presenters to the BOR laptop.
• Throughout the course of the meeting, the BOR Secretariat takes note of the discussion in preparation for making the minutes, watches out for specific instructions from the SU-BOR, follow-through/updates on specific items, and collect decisions/action points per agenda item for the Summary of Decisions.

2.3 After the Meeting
• The BOR Secretariat staff collects the documents and presentation files used during the meeting for attachment to the minutes.

3. Setting the BOR Agenda
Agenda items for the BOR meeting may come from the Office of the President (OP), Offices of the Vice Presidents (OVPs), BOR, CUs, and other external offices as approved by the President. All agenda items are received and validated by the OSU for accuracy and completeness of supporting documents. See Chart 1 for the process flow of agenda setting.

• Agenda items received from the CUs and other external sources are referred to concerned OVPs for comments and recommendations. If there are questions, the OSU sends these back to the concerned CU or to the proponent for appropriate action. Those with no questions are forwarded to the OP for approval and inclusion in the BOR agenda.

• Agenda items from the OVPs are forwarded by the OSU to the OP for approval. If there are questions, the OSU sends these back to the concerned OVP for revision or groundwork before sending again to OP.

• Agenda items from the OP (e.g., Request for Travel Authority of the President or Notice of Award signed by the President) for approval or confirmation of the Board are included in the agenda without going through the OVPs.

• Agenda items from the members of the Board are included in the BOR agenda upon approval from the President.

• Agenda items deferred by the Board for the next meeting are sent back to the concerned office or unit for further review or submission of additional documents or information.

HOW TO SET THE BOR PROVISIONAL AGENDA
3.1 Basic documents (e.g., contracts, notices of award, memoranda of agreement/understanding, exchange of communications, recommendation letters) submitted to the BOR are categorized by labeling them according to the type of Agenda matter (e.g., Matters for Approval, Matters for Confirmation, Matters for Information, or Other Matters).

3.2 Labeled items are sent to the SU-BOR for review. If there are corrections, the documents are sent back to the BOR Secretariat for editing or revision.

3.3 The BOR Secretariat prepares the draft Provisional Agenda of the BOR. The contents of the Provisional Agenda are arranged as follows:

3.4 The BOR Provisional Agenda is sent to the SU-BOR for approval. If there are corrections, the BOR Secretariat encodes the corrections then sends it again to the SU-BOR for approval.

3.5 Once approved, the Provisional Agenda is sent to the Board members through email.

3.6 The complete BOR Agenda is reproduced into eighteen (18) sets divided into two (2): Four (4) sets with complete documents for reference during the meeting and Fourteen (14) sets without Matters for Confirmation and Matters for Information are delivered to the Regents with a corresponding BOR Advisory that Matters for Confirmation and Information are deemed acted upon by the Board as CONFIRMED or NOTED if there are no objections raised.

4. Writing the BOR Summary of Decisions
The BOR Summary of Decisions contains the corresponding action made by the BOR on the agenda items discussed during the Board meeting.

HOW TO WRITE THE BOR SUMMARY OF DECISIONS
4.1 The BOR Secretariat prepares the Summary of Decisions of the Board at least a day after each BOR meeting. If a Board action is not clear, the BOR Secretariat transcribes a pertinent portion of the BOR proceedings and checks the Board action on this particular agenda item.

4.2 The BOR Summary of Decisions is submitted to the SU-BOR for review and confirmation.

4.3 Once finalized and signed by the SU-BOR, the BOR Summary of Decisions is forwarded to the Web Administrator for uploading in the OSU Website. The same is sent through email to the BOR members, Vice Presidents, and Chancellors and Dean (UP Cebu).

4.4 Based on the signed Summary of Decisions of the Board of Regents, the BOR Secretariat labels the corresponding Board action on the basic documents submitted, bearing the following information:
A. No. of BOR meeting;
B. Date of BOR meeting;
C. Board Action; and
D. Signature of SU-BOR.

4.5 The labeled basic documents containing the BOR action are reproduced and sent back to the concerned proponents through the OSU messengers of the Administrative section. The Summary of Decisions together with the labeled documents are then delivered to offices within the UP Diliman campus or returned to respective liaison offices of CUs, and/or picked-up personally by the respective CU liaison officers.

5. Effecting the BOR Decisions
The SU-BOR promptly disseminates the BOR Summary of Decisions for proper action to concerned units or offices. Excerpts of the BOR minutes are only released when the minutes are approved by the Board.

- For matters involving Contracts of Lease and Memoranda of Agreement with certain government agencies for the implementation of Executive Offices (i.e., Office of the Vice President for Development, Office of the Vice President for Planning and Finance), the SU-BOR issues a Certification/Secretary’s Certificate or a Board Resolution to effect the BOR decision. See Annex B for the format of the Secretary’s Certificate.
- For matters that are of general importance to CUs, the SU-BOR forwards to the OP the approved Summary of Decisions with pertinent documents duly labeled with the appropriate BOR action. The OP then prepares the appropriate administrative issuances in the form of Administrative Order (AOrder), Executive Order (EO), or Memorandum Circular (MC).

6. Writing Minutes of the BOR Meeting
The Minutes of the BOR Meeting, when approved by the Board, serve as the official document of the BOR proceedings containing the highlights of discussions and actions of the Board.

**HOW TO WRITE THE MINUTES OF THE BOR MEETING**

6.1 The BOR Secretariat staff transcribes the proceedings of the BOR meeting.
6.2 Based on the transcription, the BOR Secretariat prepares a write-up of the highlights of discussion for each agenda item discussed.
6.3 The write-ups are reviewed, edited, and integrated accordingly into the working draft minutes, ensuring that all important discussions are incorporated.
6.4 The draft minutes is submitted to the SU-BOR for review and consideration. If there are corrections, the BOR Secretariat incorporates the edits in the document.
6.5 The revised minutes is then submitted to the OP for editing and approval. If there are corrections, the BOR Secretariat incorporates the edits in the document.
6.6 Once the final draft of the BOR Minutes of the meeting is approved, it is reproduced and packaged into folders. See Annex C for guidelines in preparing BOR documents in folders.
6.7 The hardcopy of the BOR Minutes are sent personally or via courier service to Regents through the OSU messengers of the Administrative section.

PAC MEETING
OTHER DUTIES AND RESPONSIBILITIES OF THE BOR-PAC SECRETARIAT SECTION

1. Conducting Policy Research
The OSU may be assigned by the BOR, PAC, PMC, or the OP to conduct research on issues or concerns of the University which may need Board policies. The OSU may also initiate review of policies which may already be obsolete, problematic, or non-applicable. The conduct of research is delegated to the OSU researcher.

2. Writing Citations to Outgoing Regents/PAC members
A Citation is given to an outgoing Regent/PAC member in recognition of his/her valuable contribution (e.g., time, talent, insights, and effort) to the University as a member of the BOR/PAC.

HOW TO WRITE A CITATION
2.1 The OSU researcher drafts and formats the citation.
2.2 Once drafted, the SU-BOR reviews and edits the citation.
2.3 The edited draft citation is then sent to the UP President for inputs and approval.
2.4 The OSU researcher encodes the edits to finalize the citation. The printed citation bears the University Gold Seal and it is placed in a customized red velvet diploma folder with the official logo and name of the University. The citation is signed by the UP President and attested to by the SU-BOR.

3. Welcoming and Orienting New Regents
To officially welcome a new Regent, an oath-taking ceremony is held at his/her first day of attendance in the BOR meeting. The Chair of the Board of Regents administers the oath of office of the incoming Regent as a new member of the Board. In case the Chair is not available, the Co-Chair will administer the oath.

To brief a new Regent on Board matters, the BOR Secretariat prepares the following documents to be sent by email or through the OSU messengers of the Administrative staff:
- Welcome letter from the SU-BOR;
- Schedule of BOR meetings for the year (time, date, venue);
- Process of preparing the BOR Agenda; and
- Briefing documents such as UP Charter of 2008, The Revised Code of the University of the Philippines, Handbook on Existing Delineation of Authority in the University, and Handbook on Protocol in the University of the Philippines. These documents may be accessed on the OSU website (osu.up.edu.ph).

4. Managing the OSU Website
Cognizant of the eUP initiative, the OSU website (osu.up.edu.ph) was developed through the assistance of the UP Information Technology Development Center (ITDC) in 2013. With its web presence, the OSU and its records have become more accessible to stakeholders and people have become more aware of OSU’s activities.

Records uploaded in the website include the UP Gazette (issues from 1970 to present) and BOR Summary of Decisions. These may be accessed by the general public. All documents uploaded in the website have prior approval from the SU-BOR. The list of University officials, BOR members, and PAC members are also available on the website.
5. Managing the OSU Facebook page

In 2015, the OSU created a Facebook page (fb.com/UPOSU) to provide timely and official information on Board matters to the public. This makes OSU more accessible to stakeholders. It is also a medium to inform the UP stakeholders that new contents or posts have been uploaded in the OSU website. The OSU FB page is managed by the OSU researcher.
