## MEMORANDUM CIRCULARS

**Memorandum Circular No. 1: Household Census in the University Campus**

We are launching a more comprehensive census with the end in view of storing adequate information on the composition and number of residents on the University campus which may serve as the basis for more meaningful activities of the U.P. Campus Barangay. A group of U.P. employees specifically authorized by the undersigned through your respective barangay officers or area leaders will call on you to request for information which you alone may be able to give.

In this connection, we trust that you will once again lend your unqualified support to this activity by furnishing the interviewers the most accurate data that may be needed. Please be assured that whatever information we may need from you in this regard will be used primarily as a frame of reference for future programs and projects of the campus community.

Thank you.

9 January 1978

(Sgd.) EMANUEL V. SORIANO
Executive Vice-President

**Memorandum Circular OSU - 3 (78): Special Fee for Copy of Grades and Similar Matters**

All units of the University are authorized by the Board of Regents to collect from students a special fee of P5.00 for any or all of the following services at any one time: certification; clearance; copy of grades; honorable dismissal; and permit to transfer. (Effective 20 December 1977.) Income from such fees shall be used for expenses related to the services for which they were collected.

Fees are intended of course for efficient and cheerful service.

(Sgd.) GÉMINO H. ABAD
Secretary of the University

**Memorandum Circular OSU - 7 (78): Filing of Sworn Statement of Assets and Liabilities On or Before 15 April 1978**

Quoted here is the text of Presidential Decree No. 1288 (24 January 1978) for information and guidance:

"AMENDING SECTION 7 OF REPUBLIC ACT NO. 3019, AS AMENDED, OTHERWISE KNOWN AS THE ANTI-GRAFT AND CORRUPT PRACTICES ACT.

WHEREAS, as a continuing instrument of reform under the New Society, Public Officers are required to submit yearly within the month of January a statement of assets and liabilities; and

WHEREAS, it has been observed that a month is too short a time within which to prepare and submit the required statement of assets and liabilities, especially with respect to public officers who also derive income from farming, poultry, rent, etc., or where the data required in the preparation of the said statement come from another office, public or private.

NOW, THEREFORE, I, FERDINAND E. MARCOS, President of the Philippines, by virtue of the powers vested in me by the Constitution, do hereby order and decree that—

"SECTION 1. Section 7 of Republic Act No. 3019, as amended, is further amended to read as follows:

"Sec. 7. Statement of Assets and Liabilities.—Every public officer, within thirty days after assuming office and thereafter, on or before the fifteenth day of April following the close of every calendar year, as well as upon the expiration of his term of office, or upon his resignation or separation from office, shall prepare and file with the office of the corresponding Department Head or, in the case of a Head of Department or Chief of an independent office, with the Office of the President, a true, detailed and sworn statement of the amounts and sources of his income, the amounts of his personal and family expenses, and the amount of income taxes paid for the preceding calendar year. Provided, That public officers assuming office less than two months before the end of the calendar year, may file their first statement on or before the fifteen day of April following the close of the said calendar year."

"SEC. 2. The provision of this decree shall take effect beginning with the statement of assets and liabilities for the calendar year 1977."

Accordingly, the new deadline for the submission of Sworn Statement of Assets and Liabilities is 15 April 1978. This supersedes
Memorandum Circular OSU - 4 (78) issued by this Office last 17 January.

SCHOLARSHIPS, FELLOWSHIPS, GRANTS AND GIFTS
The Board accepted the following grants and authorized the College of Medicine to administer the funds thereof:

1. Grant-in-Aid in the amount of $129,290.00 from the Danish International Development Agency (DANIDA) for the training component of the College's research and development project in Leyte and Samar. The grant is intended for the whole duration of the project (five years), and shall be available upon request, with the sum specified at each request.

2. Grant in the amount of $40,000.00 from the Swedish International Development Agency (SIDA), through the World Health Organization, Western Pacific Region Headquarters, for research and development. The grant was made to the Committee for the Institute of Health Sciences of the College of Medicine.
The funds are intended for the initial implementation of the community health component of the Institute's research program entitled "Towards Alternative Approaches to Health Development in Underserved Communities."  

3. Grant of $375,000.00 from the China Medical Board of New York, Inc., to support medical education, teacher training, and health manpower development. The funds will be available at the rate of $75,000.00 per year, of which approximately $25,000.00 per year is to be used for each of the said programs during the period ending 31 December 1982.

An additional grant of $70,255.00 (as an extension of Grant No. 74-388) is to support (a) continuing education, (b) fellowship training, and (c) medical research in basic science, clinical medicine, medical education, and health care delivery. The funds, representing the remaining balance of the grant as of 31 December 1977, shall be available until 31 December 1979.

PROFESSORIAL CHAIR ENDOWMENT
The Board approved the transfer of funding of the Amando Clemente Professorial Chair in Chemistry from the U.P. Endowment Foundation, Inc., to the U.P. Investment Portfolio, in view of the Foundation’s inability to further support the said professorial chair. *

The Board confirmed its action by referendum, dated 21 December 1977, approving the change in the titles of both the Ernesto Y. Sibal Distinguished Professorial Lectureship in Corporation Law and the Ernesto Y. Sibal Distinguished Professorial Lectureship in Sales Management in the College of Law and the College of Business Administration, respectively, by omitting the word “Distinguished” in order that other Professorial Lectureships may not appear less distinguished.

CREATION OF THE DIVISION OF FISHERIES
The Board approved the creation of the Division of Fisheries in the U.P. College of Iloilo to administer the existing B.S. Inland Fisheries program (currently administered by the Division of Biological Sciences) and such other related programs as may be instituted in the future. This will ensure the nurturing of the fisheries program and the development of fisheries studies. Upon the establishment of the U.P. in the Visayas, the Division of Fisheries shall become a part of the College of Fisheries of that unit.

CREATION OF THE ISSI RESEARCH AND DEVELOPMENT ADVISORY COUNCIL
The Board approved the creation of the Research and Development Advisory Council (REDA) in the Institute for Small-Scale Industries; provided, that every appointment (original, renewal, or reappointment) issued to every member thereof shall specify an expiration date; provided, further, that no such appointment shall be issued to the Director of the Institute for Small-Scale Industries inasmuch as he shall be ex-officio member thereof; provided, finally, that the Chairman shall submit, through the Director and the Vice-President for Academic Affairs, to the Office of the President a semestral report on the accomplishment of the Council not later than one month after the semestral final examinations.

CHANGE IN THE NAME OF THE DEPARTMENT OF FISHERIES TECHNOLOGY TO DEPARTMENT OF FISH PROCESSING TECHNOLOGY
The Board approved the change in the name of the Department of Fisheries Technology to Department of Fish Processing Technology. The degree course offered by the Department shall likewise be changed from B.S. in Fisheries, major in Fisheries Technology, to B.S. in Fisheries, major in Fish Processing Technology.

UPS-DAP ADDITIONAL SYSTEMS DEVELOPMENT PROJECT
The Board approved the UPS-DAP Additional Systems Development Project at a total estimated cost of P290,000.00 to develop or enhance the University’s capabilities in two areas: (a) Course forecasting and alternative computer capabilities for the student system, and (b) Computerization of the University Library's collections.

APPOINTMENT OF ACADEMIC NON-TEACHING AND ADMINISTRATIVE PERSONNEL ON NON-FULL-TIME AND ADDITIONAL ASSIGNMENT BASIS
The Board adopted a policy which allows academic non-teaching and administrative personnel to be appointed on a non-full-time and additional assignment basis as instructors, assistant professors, (etc.), subject to prescribed qualification standards for said ranks, with the corresponding overload teaching honoraria therefore, to handle regular courses below the collegiate level, whenever the need arises; provided, that the head of the principal unit, where the academic non-teaching or administrative employee appointed to teach basically, shall see to it that the latter shall complete the 40-hour-a-week service required of him as non-teaching employee; provided, further, that the honorarium shall be indicated in the appointment; provided, finally, that the head of the principal unit, where the academic non-teaching or administrative employee appointed to teach belongs, and the head of the principal unit, where the aforementioned employee is assigned to teach, shall submit, within the first five class days of the academic term (e.g., semester, trimester, etc.), the employee’s revised service schedule (as non-teaching) and his schedule of classes, respectively, to the Vice-President for Academic Affairs or the Vice-President for Administration, as the case may be.

This policy would enable units concerned to avail themselves of the ready expertise of non-teaching personnel for handling practicum courses as well as other regular courses, whenever the need arises.

The ranks of lecturer, senior lecturer, and professorial lecturer may not be appropriate for the purpose as they are normally reserved for teaching on the collegiate level.

MEAL ALLOWANCE INCREASE FOR LECTURERS AT CLARK AIR BASE
The Board approved the increase in the meal allowance of lecturers assigned to teach at U.P. Extension Division Clark Air Base to meet the rising cost of food prices in restaurants at the Base. The discontinuance (since December 1977) of the billeting privilege of $2.00 (P14.80) per day will result in a reduction of expenses to make possible the increase in meal allowance.

UPS INTERNAL OPERATING BUDGET FOR CY 1978
The Board approved the Internal Operating Budget of the University for Calendar Year 1 January to 31 December 1978. The budget entails a total expenditure of P207,350,000.00 broken down into P200,125,000.00 for current operating expenditures (of which P128,795,000.00 is for personal services, P68,951,000.00 for capital outlay, P1,725,000.00 for equipment, and P2,398,000.00 for equipment outlay) and P7,225,000.00 for capital outlay, chargeable against the programmed appropriations authorized for the University under PD No. 1250. The expenditure of P207,350,000.00 is P65,368,000.00 short of the budgetary request P860,718,000.00 submitted to the Budget Commission based on the revised aggregate proposals from all units of the University.

Last year, CY 1977, the Internal Operating Budget was based on authorized appropriation, whereas the proposed budget this year is based on appropriation programmed for release (in accordance with the Notice of Obligation Ceiling from the Budget Commission) in order to avoid confusion and misunderstanding in the disbursement of funds. Accordingly, the level of expenditure proposed for maintenance and other operating expenses is lower compared to last year's budget. To preclude deficit spending which is prohibited under PD No. 1177, under pain of personal liability of the parties responsible therefor, the decrease was distributed pro-rata resulting in the reduction of the maintenance and other operating expenses budget of all the units. The decrease can hopefully be restored with the transfer of savings from personal services expected to be generated during the year.

For purposes of accounting for the entire authorized appropriations, the reserved appropriation of P24,911,000 is presented as contingency fund to be made available for expenditure upon actual release by the Budget Commission. In this connection, the President is authorized to make internal adjustments provided that the total expenditure resulting from the adjustments shall not exceed the appropriate allotment released by the Budget Commission. The Internal Operating Budget of the University of the Philippines System, as approved, is also subject to adjustment depending on the release of the reserved appropriation by the Budget Commission.

OTHER MATTERS CONSIDERED BY THE BOARD

The Board approved the allocation of P508,010,000 from the CY 1978 programmed budget of the University for the continued operations of the Brackishwater Aquaculture Center of the College of Fisheries in Legazpi, Albay, effective 1 January until 30 December 1978. This is in fulfillment of the commitment by the University to take over the funding of the Center from the National Science Development Board, whose own commitment to the bilateral project (between the Philippine government and the U.S. government) terminated on 30 November 1977. The NSDB had shouldered all capital development and two-thirds of operating expenses of the project, and the USAID, the rest.

The Board approved the Internal Operating Budget of the Philippine General Hospital for CY 1978 in the amount of P42,952,000.00 broken down into P41,952,000.00 for current operating expenditures (of which P23,302,000.00 is for personal services, P18,150,000.00 for maintenance and other operating expenses, and P500,000.00 for equipment outlay) and P1,000,000.00 for capital outlay in accordance with the approved Budget Commission Program of Expenditures.

In accordance with the notice of obligation ceiling from the Budget Commission, only P38,811,000.00 is programmed for release, the amount of P4,141,000.00 having been placed under reserve. In view thereof, authority to disburse shall be limited to the actual allotment released by the Budget Commission.

The Board approved the budget of the U.P. Extension Division Davao for CY 1978 in the amount of P592,000.00, chargeable to the following sources: (a) P350,000.00 from the Davao City Government and (b) P242,000.00 from the U.P. Alumni Association, Davao City Chapter. In this connection, it is understood that donation of equipment shall be in kind.

The Board, likewise, approved the budget of the U.P. 1977 was the year of the snake — in ancient fables, the symbol of sagacity. And the University community's wisdom it was which, through every event or crisis, strengthened and enriched our lives together.

What year in an academic community is spared from reasoned dissent? Yet now, after mind's joust, the democratization of admissions policy is recognized as the year's highlight. For the achievement of some 100 experimental democratization students, or X.O.S., is happy proof of the wisdom in opening the State University's portals to the deserving poor among our people.

22 U.P. Gazette Volume IX, Number 1
The Board confirmed the following contracts and agreements at its 897th Meeting on 26 January 1977:

1. Memorandum of Agreement with the World Meteorological Organization (WMO) Regarding the Implementation of One Long-Term Fellowship

A memorandum of agreement was entered into between the World Meteorological Organization and the Philippine Government regarding the implementation of one long-term fellowship from the regular budget of the WMO. The WMO will provide for the training of one meteorologist from the University of the Philippines under a long-term fellowship at Reading University in the United Kingdom, leading to a higher degree in Meteorology.

2. Special Services Agreement with the United Nations whereby the Law Center Shall Undertake to Carry Out an In-Depth Study on Transnational Corporations in the Philippines

A special services agreement was entered into between the United Nations and the University whereby the Law Center shall undertake to carry out an in-depth study on transnational corporations in the Philippines entitled "Regulation, Supervision and Monitoring of Transnational Corporations in Asia." The UN shall provide funds in the amount of $8,000.00. The Law Center shall be assisted by the Asian Centre for Development Administration (ACDA) in undertaking the said project.

3. Memorandum of Agreement with the Department of Agriculture, the Department of Education and Culture, and the FAO Regional Dairy Development and Training Centre for Asia and the Pacific (FAO-DDTC) Regarding the Extension of a Training Program for Vocational and Agricultural College/School Teachers

A memorandum of agreement was entered into by and among the Department of Agriculture, the Department of Education and Culture, the FAO Regional Dairy Development and Training Centre for Asia and the Pacific, and the UPLB regarding the extension for another two years (effective 7 February 1978) of a training program for the rapid promotion and development of the dairy industry through the dissemination of technology on milk production and processing.

4. Memorandum of Agreement with the Technology Resource Center Pertaining to a Project Entitled "Project Climate"

A memorandum of agreement was entered into between the Technology Resource Center and the UPLB whereby the UPLB shall undertake the project entitled "Project Climate" to accelerate countryside development with the aid of climate-based agricultural technology under a total grant of P40,846.00 from the TRC. The project shall cover a period of seven and a half months.

5. Memorandum of Agreement with the Department of Local Government and Community Development (DLGCD) Regarding the Continued Use and Occupancy of a Parcel of Land within the UPLB Campus by the DLGCD

A memorandum of agreement was entered into between the DLGCD and the UPLB regarding the continued use and occupancy of a parcel of land within the UPLB campus, including the buildings which now exist or may hereafter be constructed thereon by the DLGCD, for a period of 25 years. The UPLB likewise authorizes the continued operation of the Education and Training Center of the DLGCD within the campus and pledges facilities, human resources, and other assistance in the supervision and implementation of the training programs.

This memorandum of agreement amends the Memorandum of Understanding entered into between the PACD (now DLGCD) and the University in September 1971 and confirmed by the Board of Regents at its 813th Meeting on 30 September 1971.

6. Renewal of Agreement with the Philippine Rural Reconstruction Movement, Inc. (PRRM) Providing for the Extension of the Terms and Conditions of the Memorandum of Agreement Signed by the Two Parties on 19 June 1975

A renewal of agreement was entered into between the PRRM and the University providing for the extension of the terms and conditions of the memorandum of agreement signed by the two parties on 19 June 1975. The agreement provides the general guidelines under which the PRRM can avail of the services of the University’s personnel as experts, instructors, resource persons, and/or consultants. The extension is for a period of two (2) years, starting 20 June 1976.

7. Memorandum of Agreement with the Population Commission to Undertake a Project Entitled "1978 Community Outreach Survey"

A memorandum of agreement was entered into between the Population Commission and the University whereby the Population Institute and the POPCOM have mutually agreed to undertake a project entitled "1978 Community Outreach Survey." The POPCOM shall make available the amount of $54,000.00, or its equivalent in pesos, in accordance with the rate of exchange at the time of release by USAID.

8. Memorandum of Agreement with Brent School, Inc., Regarding Instruction, Consultanship, Related Services, Facilities, and Library Privileges

A memorandum of agreement was entered into between Brent School, Inc., and the University whereby, subject to existing commitments, the University and Brent School shall provide, on request of the other, such instruction, consultanship, and related services, facilities, and library privileges as may be necessary under such terms and conditions as may be further agreed upon. This agreement is effective for a period of one year from its execution and renewable for like periods upon mutual agreement.

9. Memorandum of Agreement with the Roosevelt College to Undertake a Seminar-Workshop for the Faculty of Roosevelt College

A memorandum of agreement was entered into between the Roosevelt College and the University whereby the University through the College of Education shall undertake a seminar-workshop to improve the teaching competencies of the Roosevelt faculty.

EXECUTIVE ORDER

Executive Order No. 1: Creation/Reconstitution of College Scholarship Committee

For a centralized and an effective scholarship program in the University, all degree-granting units are enjoined to create/reconstitute immediately college scholarship committees. These committees shall have the following functions:

1. to publicize available scholarships in their respective units at the beginning of each semester;
2. to act on the application for scholarships;
3. to draft rules on future scholarships in consultation with the donors and subject to approval by the University authorities;
4. to recommend ways and means of making better use of available scholarships in their respective units; and
5. to recommend to the Dean of Students the award of scholarships.

The Office of the Dean of Student Affairs has been vested with the function of administration, supervision, and publicity of the University's student scholarship program (in Diliman and Manila) funded and/or supported by private donors, public agencies, and special funds pursuant to Administrative Order No. 40, dated 5 November 1965.

Please work closely with the Office of Student Affairs in maximizing the award of available scholarships and improving the scholarship program of the University.

ADMINISTRATIVE ORDERS

Administrative Order No. 3: Pre-Implementation Phase of Research Studies to be Carried Out by the Institute of Mass Communication

In accordance with the Memorandum of Agreement entered into by and between the University of the Philippines System and the Educational Development Projects Implementing Task Force (EDPITAF) on 27 December 1977, the Institute of Mass Communication is hereby directed to carry out the objectives of the Agreement as the implementing agency of the University in the Pre-Implementation Phase of the Summative Evaluation of the Radio-Assisted Teaching in Elementary Schools and the Continuing Education for Teachers as well as the Descriptive Evaluation of the Rural Educational Radio Study.

For this purpose, Dean Gloria D. Feliciano is hereby designated as Program Officer to take charge of said Pre-Implementation Phase, and Professor Raul R. Ingles as Disbursing Officer responsible for the disbursement of funds made available by the EDPITAF under the Agreement based on the estimated budget provided for therein.

The Program Officer is hereby authorized to organize the staff and appoint the temporary personnel and consultants who may be called upon to serve in the Pre-Implementation Phase for the three-month period (1 January to 31 March 1978) that the U.P.-EDPITAF Agreement will be in effect with the disbursement of funds subject to post-audit. Work done in the preliminary survey conducted during the last two weeks of December 1977 as cited in the Agreement shall be considered chargeable to the Project Budget.

The completed report on the Summative Evaluation of the Radio-Assisted Teaching in Elementary Schools and the Continuing Education for Teachers as well as the Descriptive Evaluation of the Rural Educational Radio Study will be submitted to this Office on or before 31 March 1978 for review before transmittal to the EDPITAF.

The Program Officer is hereby authorized to draw upon the assistance of other units of the University, wherever necessary, for the effective implementation of the U.P.-EDPITAF Memorandum of Agreement.

Administrative Order No. 4: Creation of a Committee to Undertake Feasibility Study on the Establishment of a U.P. Diliman-based Continuing Education Center

The following shall constitute themselves into a Committee to undertake a feasibility study on the establishment of a U.P. Diliman-based Continuing Education Center: Dean Emmanuel T. Velasco, Chairman; and Dean Jose P. Mananzan, Dean Paz G. Ramos, Dean Francisco Nemenzo, Jr., Director Felipe V. Damar, Director Salvador R. Salceda, Dr. Gonzalo M. Jurado, Prof. Florencia Ruth P. Romero, and Mr. Ananias B. Aurelio, Members. The Committee shall undertake, among others, the following:

1. inventory of actual programs in the field of continuing education in the University;
2. assessment of available University resources, e.g., physical facilities, faculty, etc.;
3. review of alternative strategies for the establishment of the proposed Center; and
4. definition of the objectives, functions, activities, operations, and relationships of the proposed Center with other units of the University.

The Committee shall submit a progress report at each monthly meeting of the Management Education Council, beginning with the March meeting of the Council. The MEC Secretariat shall provide the necessary administrative and technical support to the Committee.

The final report should be submitted to this Office not later than 26 May 1978, possibly for inclusion in the June meeting of the Board of Regents.

MEMORANDUM CIRCULARS

Memorandum Circular No. 3: Off-Campus Housing

In connection with the ongoing negotiations for off-campus housing of University personnel who are GSIS members, the University has received the following tentative price quotations from a well-known housing developer regarding their latest subdivision project close to the Government Center on Marcos Avenue, Quezon City:

- **Selling price of lot (240 sq. m.):** P295,000.00
- **5% Down payment:** P3,540.00
- **5% Discount:** P3,540.00
- **P 7,080.00**
- **P 63,720.00**

Monthly installments for the first twenty-four (24) months based on ten (10) year installment plan with pre-computed interest at 14% p.a.

- **Principal balance after paying twenty-four (24) monthly installments:** P 56,945.93
- **Add: Cost of house:** 125,000.00
- **Total amount to be financed by GSIS:** P181,945.93

- **Monthly installments for twenty (20) years with pre-computed interest at 7-1/2% per annum:** P 1,465.74

Computation of the monthly amortization is based on the following tentative assumptions:

a. Financing by GSIS for house and lot at 7-1/2% per annum for a term of 20 years.

b. Interim financing by Developer for the cost of lot for a period of 24 months (approximate period for land development and house construction).

c. Tentative price for the lot ranges from P240.00 to P350.00 per square meter. Computation is based on an average price of P295.00 per square meter.

da. Five per cent 15% discount was taken into account representing broker's commission.

e. The price for the house ranges from P100,000.00 to P140,000.00 on a 90 to 110 square meter floor area. Computation is based on an average price of P125,000.00 for a total floor area of 104 square meters.

Those who find the above terms and conditions worth exploring further are requested to accomplish and submit the reply form... not later than 6 March 1978.

Memorandum Circular No. 5: Procedure for Democratic Participation in Nominations to the Deanship of the College of Law*

In view of the expiration of the term of the Dean of the College of Law on 19 February 1978, and consistent with the actions taken by this Office since 1975 and in order to clarify the meaning and advance the process of democratic participation governing the appointment of deans and directors, a procedure is hereby provided for gathering the collective sense of the unit on (a) the goals and priorities of the unit, and (b) who amongst its members can most effectively lead in the pursuit and the attainment of these goals and priorities.

Since the appointment of deans, directors and other heads of principal units is vested in the Board of Regents, and the role of the University President is recommendatory in this respect, it shall be clearly understood that the procedure prescribed herein neither seeks consensus as regards goals and objectives nor ensures anyone's "election" or appointment to the deanship.

Rather, the procedure is "consensual," availed of in aid of the President's discharge of his nominating function. In fine, it is a process whereby the unit's constituencies nominate a number of persons, anyone of whom would in the considered opinion of the nominators make a good dean, and from among whom the President, who shall in no manner be bound to choose someone in particular by this nominating process, may recommend anyone for appointment as Dean.

I. DISCUSSION OF UNIT GOALS

A. Preparatory to the nomination process and as a requisite step therefor, the Officer-in-Charge of the College of Law shall convene not later than the week of 6 March 1978, for the purpose of defining the goals and priorities of the College for the next five years, a meeting or series of meetings of the faculty, academic non-teaching and administrative personnel of the College of Law and the Law Center, consistent with the desirability of and the need for involving them in this wise in the spirit of democratic participation; provided, that a report thereon shall be submitted to the Office of the President not later than 10 March 1978. In this case, the nomination process prescribed in II below shall be undertaken on 13 March 1978.

B. However, if goals and priorities have been discussed during the current planning and budget cycle in accordance with "The University Planning Manual," and upon certification to that effect by the Officer-in-Charge to be submitted to the Office of the President not later than Monday, 6 March 1978, the discussion of goals and priorities at this time may be dispensed with and the nomination process prescribed in II below shall be undertaken on Thursday, 9 March 1978.

II. NOMINATION PROCESS

A. When?

Actual nomination proceedings shall be conducted on either 9 or 13 March 1978, depending on whether discussion of unit goals and priorities has been undertaken or will still be undertaken by 6 March 1978.

B. Who are qualified to participate?

1. All personnel of the College of Law and the Law Center (permanent or temporary, regular or substitute, full-time or part-time, daily or hourly) who meet ALL THE FOLLOWING CONDITIONS shall be qualified to participate as NOMINATORS (but not necessarily as NOMINEES) in the nomination process prescribed herein:

*Similar memorandum circulars were issued for nominations to the Deanship in the Colleges of Public Administration and Fisheries, the Institute of Social Work and Community Development, and for the Administratorship of the Philippine Executive Academy.
a. they hold duly-approved appointments in the College or in the U.P. Law Center as of the date of the actual nomination proceedings;
b. they draw salaries or wages (i.e., compensation, not mere allowances or honoraria), whether on full-time or part-time basis, daily or hourly, from the regular budget of the unit (as distinguished from sources external to the unit); and
c. they are basically assigned (as per approved appointment) to either the College or the U.P. Law Center, not merely serving or appointed therein on an additional assignment basis; provided, that lecturers, senior lecturers, and professorial lecturers in the College who are not holding any full-time or part-time (in the sense of half-time) appointment in any unit of the University other than the College of Law (i.e., construed as inclusive of the College of Law proper and the U.P. Law Center) and are teaching regular courses (as distinguished from non-degree courses therein during the current semester shall be qualified to participate as NOMINATORS; provided, further, that lecturers falling under the category of "transient" or special lecturers shall not be qualified to participate; provided, finally, that personnel whose renewal of appointment (as distinguished from reappointment and original appointment) is still pending approval on the day of the actual nomination proceedings shall also be qualified to participate therein.

2. Personnel of the College of Law or of the U.P. Law Center who, on the day of the actual nomination proceedings, fall under any of the following service status shall not be qualified to participate as NOMINATORS in the nomination proceedings:
a. on detail or special detail in another agency, private or public, locally or abroad;
b. on detail in another agency, private or public, locally or abroad;
c. abroad for any reason, or under any service status; and
d. on any type of leave (vacation, sick, maternity, leave of absence, etc.), with or without pay; provided, that those who are on study leave with pay (i.e., the study leave granted is not chargeable to any leave credits) and are actually enrolled in the University, both conditions satisfied, and those who are on local faculty fellowship (whether full or partial) shall be qualified to participate in the nomination proceedings.

C. Who may be nominated?

Nominees may be drawn only from among the full-time permanent faculty of the College who meet ALL THE FOLLOWING CONDITIONS:
1. they participated in the discussion of unit goals and priorities prescribed in 1. above; and
2. on the date of the actual nomination proceedings they do not fall under any of the following service status:
a. on detail or special detail in another agency, private or public, locally or abroad; and
b. on leave of absence, with or without pay, other than vacation, sick or maternity leave.

D. Conduct of Nominations

1. A majority of the qualified participants as defined in II, B above shall convene as one group for the nomination proceedings; provided, that only qualified participants (as NOMINATORS or possible NOMINEES) and such other persons whose presence is necessary for the proper conduct of the proceedings as may be determined by the Officer-in-Charge of the College of Law shall be admitted into the meeting; provided, further, that the proceedings shall not commence until a majority of the qualified participants is present.

2. As soon as a majority is in attendance, the Officer-in-Charge, who shall preside over the nomination proceedings, shall explain briefly the purpose of the meeting and summarize the main features of the goals and priorities set.

3. With the goals of the College of Law in mind, its constituen-
function of nomination in these cases is formally exercised by the President of the University (System).

"For a long, long time, the Board unilaterally exercised its authority, with or without formal consultation, using its good judgment in relatively simple political culture. The President of the University discharged the function of nomination likewise. The Board and the President scanned the field for people who, in their judgment, would perform in the deanship well. Throughout this time, it would occasionally happen that elements outside the University, either from the government or private sector, would suggest a name or names to the President and/or the Board for their consideration.

"The University constituency was the last sector to be formally involved. Several years ago, the practice of the President of the University engaging the college faculties to nominate their deans or directors started.

"Since 1975, this system was revised, so that:

a. the entire employee constituency was involved in the nomination process,

b. the constituency was required to consider names of faculty members relative to the latter’s contribution to the collective discussion of the unit’s mission and work program, and

c. only participants in the unit’s discussions were qualified to be nominated.

"II. Experience under the latest system has been mixed, although the general situation is satisfactory. Some unit constituencies have erred in nominating people who did not participate in the discussions on unit mission, goals, and work programs. Some individuals have erred in campaigning for votes to be nominated, that is, in the spirit of the democratic consultation process that a person is to be considered for nomination solely on the basis of his/her contributions to the unit discussions on mission/goals and work program. (In the present system, one should campaign only by contributing to the good quality of his/her unit discussions, clarifying vague issues, setting directions, raising alternatives.) Similarly, some groups have erred in regarding the nomination as a purely political issue, going through the constituency discussions merely for the sake of form, then insisting that only one nominee be considered — their nominee.

"Generally, the Board continues to have sole authority to appoint, and the President continues as the formal source of nominations. The President, in the present system, has decided that only faculty members of a unit shall be nominated by him to the Board, notwithstanding suggestions from friends of the University in behalf of apparently qualified people, including alumni, not presently employed in the unit concerned. For this purpose, the President has introduced a new system of democratic consultations, as an aid to him in the discharge of his nominating function.

"III. As a supplement and clarification to govern the democratic consultations in the College of Law, the following are hereby promulgated:

1. Notwithstanding the certification of the OIC, on the basis of his judgment in a relatively new system and in a somewhat charged situation, to the effect that the College of Law faculty meeting held on 28 January 1978 constituted the unit discussion required in Memo Circular No. 3 of this Office dated 2 March 1978, it is hereby required that a formal discussion of unit goals be conducted, in accordance with Section I.A of Memo Circular No. 3, s. 1978; that this be convened by the OIC who shall either preside over the discussion or, if in his judgment it is desirable or necessary, request the body to designate a senior faculty member of the College of Law (full-time or part-time, regular or lecturer) to preside; and that this be completed on or before 20 March 1978.

2. The discussion of unit goals referred to above shall include the Law Center constituency, who may either go individually or by department or similar basis representatives to participate in the discussion. In the event that space considerations make a plenary discussion impractical, the OIC of the College of Law (or the senior faculty member selected in accordance with the preceding section) shall be deemed the presiding officer and the Law Center Director the deputy presiding officer.

3. For reasons of policy, it is hereby decided that the nominating constituency in this case shall be limited to the constituency of the College of Law. (Communications to the President from personnel of the Law Center relative to desirable academic non-teaching arrangements in the Center which are not adequately considered in the present system shall be dealt with by this Office separately.)

4. The pertinent rules of Memo Circular No. 3 on "NOMINATION PROCESS" consistent with the preceding, are hereby reentered for emphasis, provided that either the OIC or senior faculty member shall preside in the meeting of the nominating constituency which shall be held on or before 27 March 1978.

"Here reiterated from the previous Memo Circular is the provision on ‘Report of Results of Nominations’:

"The Officer-in-Charge of the College of Law shall submit to the Office of the President a complete report on the results of the nomination proceedings not later than the first working day following the date of the nomination proceedings. The nominees shall be listed in alphabetical order." (This report shall exclude any record of votes, if voting was resorted to.)

"Finally, and for your information, this Office will also receive nominations from the Law Student Government. It is fervently hoped that there will be some congruence in your, and their, perceptions of who amongst your faculty will be a good dean. Goodluck and best wishes.

"ONOFRE D. CORPUZ

Memorandum Circular No. 7: Publication of Professorial Chair Lectures

This is to invite comments on a proposal to publish in book form every five (5) years the twelve (12) best Professorial Chair lectures in various fields.

If this proposal is agreeable, we shall continue forthwith the individual publication of each Professorial Chair lecture. The reason for this is that, on the one hand, all lectures can be immediately published in college/unit journals (each college/unit, too, can take the initiative in putting out an inexpensive monograph series for these lectures and other faculty papers); on the other hand, as professorial chairs increase in number, the cost for the separate publication of each lecture in a continuing series shall also rise, apart from the fact that our U.P. Press would inevitably have, at some time, quite a backlog of manuscripts which might not see the light for longer and longer periods of time. For some lectures, because of their erudite specialization, the college/unit journal or special monograph series would seem to be the more appropriate venue; for other lectures, however, because of their more general usefulness or application, their publication together in book form would seem to be desirable.

Please submit to this Office, on or before 14 April this year, written comments on this proposal.

MEMORANDA

Memorandum No. 3: Survey on Total Number of Faculty Members and Staff who Travel Regularly in the Performance of their Duties

The University of the Philippines is currently considering granting certain incentives to faculty members and staff who travel within the country and without, at least once a year in the performance of their official duties. One of these is a group accident and health insurance program proposed to be partly subsidized by the University to cover faculty and staff during their actual travel.

In this connection, may we request your office to fill out the form so that we can determine the outlay needed to give life to this proposal.

Kindly return the form to the Office of the Vice-President for Administration, University of the Philippines, on or before 15 February 1978.

Last Day for Submission of Final Grades

Please note the last day for submitting final grades for this semester:

1. For graduating students — 22 March 1978
2. For all other students — 29 March 1978

In this connection, kindly call the attention of your faculty to this excerpt from Memorandum No. 11 issued by President O.D. Corpus on 2 March 1977:

"This Office views with deepest concern the..." failure of... member of the faculty to submit their reports of final grades of students within the time prescribed therefor.

University procedures affecting students relative to scholarship grants, appointments of student/graduate assistants, grants-in-aid, registration, transcript generation, and more importantly, the graduation of students [are] prejudiced because of the tardy submission of final grades. The University simply cannot blink its eye to the hamstrung effects of the late submission of final grades upon many vital University programs and services.

Memorandum No. 15: Petition for the Retention of the Old Tuition Fee for Clinical Clerks

In response to the petition from the Class of 1978 of the College of Medicine for the retention of the old tuition fee for clinical clerks which was in existence at the time of their enrollment on 14 and 15 April 1977, the following pertinent guidelines for the payment of the new tuition fee are hereby cited:

1. In accordance with the expanded financial assistance programs of the University, clinical clerks whose parents’ annual gross income is less than P21,200.00 are entitled to from 60% to 100% tuition fee discounts.

2. Those who belong to families whose parents’ annual gross income is P21,200.00 or more shall pay an additional tuition (depending on their parents’ income) of from P57.50 to P1,020.00.

Under these guidelines, clinical clerks who belong to the first category do not have to pay any additional amount and are in fact entitled to a refund of from P30.00 to P730.00 of the tuition fees paid in April, upon request and proper documentation. Please refer to the attached schedule of refundable amounts for the specific gross income brackets. Only those students with annual family incomes of P30,000.00 and above are required to pay the full amount.

In order to accommodate those whose families were not able to provide for such a contingency, for academic year 1977-1978, clinical clerks who need to pay additional amounts may do so on or before 31 March 1978.

Effective in the academic year 1978-1979, the fees (tuition, laboratory and miscellaneous fees) for clinical clerkship in the U.P. College of Medicine shall be payable in two equal installments — one half of the total fees to be paid upon enrollment at the beginning of the clerkship period and the other half to be paid during the second semester registration.

Please be guided accordingly.

The Board approved the organization for the U.P. College Baguio, the main features of which are as follows:

a. Text of the Organization for U.P. College Baguio. This document defines the basic structure of the College, including the main functions and interrelationships of structural subdivisions and key positions therein.

b. Organization Chart. This indicates in capsule form the basic lines of authority, responsibility, and other interrelationships among key positions, organizational subdivisions, and other bodies in the College.

c. General and Implementing Guidelines.

(1) Pertinent and applicable provisions of the Revised Code of the University, resolutions of the Board of Regents, administrative/executive orders and other issuances by competent University authority, and other University policies or rules and procedures that are not inconsistent with the Organization for U.P. College Baguio referred to in (a) above, although not specifically included or mentioned in the text thereof, shall continue to be applicable to and in force in the U.P. College Baguio.

(2) Faculty members currently holding duly approved appointments, on an additional assignment basis, to administrative positions that are specifically provided for in the Organization for U.P. College Baguio shall be allowed to resign therefrom if they so decide; provided, that their resignation shall not take effect earlier than the date of approval of the appointments of their respective successors.

(3) Existing additional assignment appointments, if any, to administrative positions that are not specifically provided for in the Organization for U.P. College Baguio shall be deemed terminated upon approval hereof.

(4) In consultation with the Dean, the President shall adopt such measures as may be necessary for the initial implementation hereof, particularly, but not limited to, the filling of additional assignment administrative positions and the definition of the composition and functions of appropriate personnel committees therein; provided, that the positions of Coordinator for Division of Education and Chairman for Department of Professional Education shall not be filled until the corresponding proposed program of professional education under the Department of Professional Education is finally approved by competent University authority; provided, further, that the Principal of the High School Department shall be a member of the College Executive Board and the College Academic Personnel Committee until a Coordinator for the Division of Education is appointed.

SCHOLARSHIPS, FELLOWSHIPS, GRANTS AND GIFTS

The Board accepted with appreciation the donation from the Jorge B. Vargas Filipiniana Foundation, Inc., to the University of the Vargas Filipiniana library, museum, and art gallery consisting of books and other publications, historical papers and documents, works of art, and numismatic and philatelic items, including the memorabilia of Jorge B. Vargas, subject to the following conditions proposed by the donor:

(a) The donor shall construct and maintain a building within the campus to house the collection;

(b) Pending the construction of the building, the collection shall continue to be housed at the Kawilihan compound in Shaw Boulevard, Mandaluyong, rent-free, except for light, water, telephone, and air-conditioning charges and other operating expenses which shall be for the account of the donor; and

(c) The donor shall absorb and continue to employ the qualified members of the administrative and technical staff of the donor.

The Board accepted a grant in the amount of P37,000.00 from the Kiwanis International Foundation for the rehabilitation of the Philippine General Hospital Building which shall be used by an expanded Department of Rehabilitation Medicine.

The Board accepted a donation in the amount of P50,000.00 from the Shell Chemical Co. (Phil., Inc., to be used in the acquisition of a gas chromatograph or other equipment for the Pesticide Residue Laboratory of UPLB.

PROFESSORIAL CHAIR ENDOWMENT

The Board approved the following professorial chair donations through the U.P. Engineering Research and Development Foundation, Inc., in the College of Engineering, effective 1 February 1978:

(a) The Jorge M. Consunji Professorial Chair in Construction Management, to be funded by a continuing support of P6,000.00 per annum from the earnings of a donation from Mr. David M. Consunji;

(b) The Power Contractors, Inc., Professorial Chair in Pollution Control, to be funded by a continuing support of P6,000.00 per annum from the earnings of a donation from Power Contractors, Inc.; and

(c) The UPEDFI Professorial Chair in Applied Geodesy, to be funded by a continuing support of P6,000.00 per annum from the earnings of the U.P. Engineering Research and Development Foundation, Inc.

The Board approved the transfer of funding of the Jose Kabigting Santos Professorial Chair in Botany from the U.P. Endowment Foundation, Inc., to the U.P. Investment Portfolio. This will enable the incumbent of the chair to receive the honorarium appertaining to the appointment, in view of the Foundation's inability to continue funding the chair.

The Board approved the change in the donor and name of the following professorial chairs in the College of Engineering: (a) from HRCC Professorial Chair (in Energy) to PCRDFI Professorial Chair (in Mechanical Engineering); and (b) from UPEDFI Professorial Chair (in Waste Utilization) to PCRDFI Professorial Chair (in Chemical Engineering).

ORGANIZATION FOR THE U.P. COLLEGE BAGUIO

The Board approved the organization for the U.P. College Baguio, the main features of which are as follows:

CHANGE IN THE NAME OF U.P. EXTENSION DIVI- SION CLARK AIR BASE TO U.P. COLLEGE CLARK AIR BASE
The Board approved the change in the name of U.P. Extension Division Clark Air Base to U.P. College Clark Air Base to forestal unintended connotations of “adult education” and “correspondence school” carried by the term extension division and allay the fear of students lest problems of accreditation for units earned therefrom arise when they present their credentials to foreign educational institutions.

CONVERSION OF THE PHILIPPINE EYE RESEARCH INSTITUTE INTO AN INSTITUTE OF OPHTHALMOLOGY
The Board approved in principle the conversion of the Philippine Eye Research Institute (PERI) into an Institute of Ophthalmology in response to an earlier communication from President Ferdinand E. Marcos directing the University to look into the feasibility of establishing a glaucoma center within the Institute. Glaucoma now ranks sixth in terms of prevalence of eye problems and fourth as a cause of blindness in the Philippines; thus, Dr. Salvador R. Salcedo, in consultation with his staff, proposed the conversion of PERI into a comprehensive eye center (instead of just a glaucoma center) to be called the Institute of Ophthalmology.

CHANGE IN THE NAME OF THE COMMITTEE FOR THE REGIONAL UNITS TO PRESIDENT'S COMMITTEE FOR THE REGIONAL UNITS
The Board approved the change in the name of the Committee for the Regional Units to President’s Committee for the Regional Units in order to clearly identify the organizational linkage of the Committee, as agreed upon by the regional deans during their meeting on 8 January 1978.

AMENDMENT IN THE COMPOSITION OF THE ACADEMIC PERSONNEL BOARD
The Board approved the amendment in the composition of the Academic Personnel Board such that the pertinent provision in the Reorganization of the Central Administration, U.P. (approved BR 789th Meeting, 25 November 1969) now reads as follows:

"The Board shall be composed of the Vice- President for Academic Affairs as Chairman and [four] six other members to be appointed by the President from the senior faculty; provided, that each member shall serve for a term of three years, except the first two appointees to the expanded membership, whose term shall expire on 30 April 1980; provided, further, that appointment to the Board shall be without prejudice to renewal or reappointment; pro- provided, finally, that the term of office shall be staggered in such a way that there will be two terms due to expire every year. The Chief of the Office of Academic Services shall serve as ex-officio secretary of the Board. (Bracketed portion to be deleted, bold portions to be added.)"

ARTICLES OF INCORPORATION OF THE UNIVERSITY OF THE PHILIPPINES FOUNDATION, INC., AND CODE OF BYLAWS
The Board approved the draft of the Articles of Incorporation of the University of the Philippines Foundation, Inc., together with the Code of Bylaws, in order to establish and provide a private institutional medium to encourage, undertake, and/or underwrite pure and fundamental and/or applied research in the natural, physical, social, or developmental sciences and/or the arts, through any of the following activities:

(a) Financing projects and programs and encouraging and underwriting research studies in the areas enumerated above;
(b) Establishing scholarships and professorial chairs in the above fields;
(c) Conducting, sponsoring, or underwriting seminars, training sessions, and conferences dedicated to the promotion, propagation, and enhancement of the indicated sciences;
(d) Publishing and distributing, or causing to be published or distributed without profit, the research output or projects and research programs supported or undertaken;
(e) Assisting in strengthening the library, laboratory, and other facilities and teaching and research capabilities of public or private institutions of like or similar objectives, alone or in conjunction with others.
(f) For the foregoing purposes, receiving and/or managing any funds, trusts, donations, other assets and resources, entrusted and/or given to the Foundation.

NEW SALARY SCALE FOR THE ASIAN INSTITUTE OF TOURISM HOTEL STAFF
The Board approved the adoption of a Salary Scale and Job Description for the hotel staff and other administrative positions at the Asian Institute of Tourism (AIT), the main features of which are specified below:

a. SALARY SCALE FOR THE HOTEL STAFF AT AIT. This document prescribes the class titles and corresponding salary ranges for all administrative positions (i.e., as distinguished from academic positions) in the AIT hotel that are not and cannot be properly covered by the existing position classification and salary plans for administrative personnel in the University. The number of personnel or positions per class title indicated therein is merely indicative of the normal or average personnel requirement based on a 24-hour operation (3 shifts) in accordance with standard hotel management practices.

b. JOB DESCRIPTION FOR HOTEL AND OTHER ADMINISTRATIVE POSITIONS AT AIT. This defines in general terms the duties and responsibilities of [1] all the various classes of positions specified in the salary scale and [2] other administrative positions that cannot be covered by the existing position classification plan or index of classes for administrative personnel, but which, nevertheless, will be needed particularly, but not exclusively, for the operation of the laboratory facilities of the Institute.

c. IMPLEMENTING GUIDELINES:

(1) The same policies, rules, and procedures as are prescribed for the administration of the University Salary Scale for Administrative Personnel shall govern the administration of the SALARY SCALE FOR THE HOTEL STAFF AT AIT. Similarly, the same policies, rules, and procedures as are prescribed for the administration of the University Position Classification Plan for Administrative Personnel (this refers to both the index of classes and the class specifications) shall also govern the administration of the JOB DESCRIPTION FOR HOTEL STAFF AND OTHER ADMINISTRATIVE POSI-
TIONS AT AIT.

(2) All other officially existing classes of administrative positions not included in the JOB DESCRIPTION that are applicable to the institute shall apply thereto.

(3) Subject to confirmation by the Board of Regents, the President shall determine the corresponding qualification requirements for all the classes of positions included in the JOB DESCRIPTION, consistent with prevailing hotel staff standards and upon recommendation by the Dean.

(4) It is understood that the job description provided for is a general statement of duties and responsibilities, and does not limit the authority of the Dean of the Institute to determine specific duties for individual positions as the needs of the service may require; provided, that the specific definition of duties shall conform essentially with the general definitions herein prescribed.

The new salary scale for the hotel staff is completely in consonance with the existing Common Basic Salary Scale as adopted, effective 1 November 1976. Specifically, the same number of salary ranges and salary steps in each range as are prescribed in the existing University Salary Scale for Administrative Personnel have been incorporated in this new scale. The allocation of the various classes of positions to their respective salary ranges has been determined within the context of standard hotel management. However, in line with University policy, no provision has been made for living allowances, representation privileges, and other fringe benefits normally extended to hotel personnel. Only those classes of positions that cannot be properly covered by the existing University Salary Scale and Index of Classes for Administrative Personnel have been included in the approved proposals.

MEAL ALLOWANCE OF LECTURERS AT CLARK AIR BASE

The Board clarified its resolution (adopted at its 897th Meeting on 26 January 1978) approving an increase in the meal allowance of lecturers such that the same shall be applicable to all academic, academic non-teaching, and administrative personnel who are entitled to meal allowance in the performance of their duties.

SCHEME FOR CLASSIFICATION OF THE PHILIPPINE GENERAL HOSPITAL'S PATIENTS

The Board approved the Scheme for Classification of the Philippine General Hospital's Patients and authorized the PGH Director to adjust/modify the said classification scheme or part thereof in response to external as well as internal developments directly affecting the hospital and/or its clientele.

The approved classification scheme answers the need to (a) decongest the hospital by discouraging patients whose cases can be handled adequately in other hospitals or health centers and/or whose cases may not contribute satisfactorily to the hospital's training purposes; and (b) improve further the hospital's scheme for charging patients based on their capacity to pay.

ABOLITION OF THE BOARD OF ATHLETIC AFFAIRS AND THE SUB-BOARD OF ATHLETIC AFFAIRS

The Board approved the abolition of the Board of Athletic Affairs and the Sub-Board of Athletic Affairs in view of the establishment of the Institute of Sports, Physical Education, and Recreation which has been discharging their functions, subject to the following conditions:

a. Insofar as the regional units are concerned —

(1) they shall enjoy autonomy in the development, planning, and implementation of their respective physical education and athletic programs, as well as in the recruitment and selection of the faculty for physical education courses, in accordance with University policies, rules, standards, and procedures on the appointment of faculty;

(2) athletic fees collected from students shall accrue to the athletic fund of the unit, to be disbursed in accordance with law and auditing and accounting rules and regulations. A report thereof shall be made by the Dean to the President in the manner specified in b. (2) below;

(3) position items funded by the Board of Athletic Affairs Fund shall be funded by the athletic fund of the respective unit(s) where said positions are presently assigned;

(4) in place of the University Athletic Association, each unit shall have its own "athletic association," which shall be officially known by that name with the official nomenclature of the unit prefixed thereto (e.g., U.P. College Baguio Athletic Association, U.P. College Cebu Athletic Association, etc.); provided, that every student duly registered with the unit shall become a member of the association upon payment of the athletic fee; provided, further, that the President shall determine the organization and appropriate mechanism for the administration of the association upon recommendation by the Dean of the regional unit.

d. Insofar as units in the Diliman and Manila campuses are concerned, the Institute of Sports, Physical Education, and Recreation shall continue to be the lead unit in the development, planning, and implementation of physical education and athletic programs, and shall administer the athletic fee collected from students, subject to the following conditions and such others as the President may prescribe:

(1) the Dean of the Institute shall consult with the deans of the other units in the design, development, etc., of physical education and athletic programs;

(2) the Dean of the Institute shall at the end of each semester submit to the President a report on the administration of the athletic fee, which report shall include, among others, the following: (a) expenditures incurred by programs or types of activities or projects, (b) balance of the athletic fee fund, and (c) total collections for the semester under review per college or unit; and

(3) there shall be only one University Athletic Association for all units in the Diliman and Manila campuses; provided, that every student duly registered shall become a member thereof upon payment of the athletic fee; provided, further, that the President shall determine the organization and appropriate mechanism for the administration of the association upon recommendation of the Vice-President for Academic Affairs.

c. The Chancellor of the University of the Philippines at Los Baños shall determine the appropriate mechanism for the development, planning, and implementation of the physical education and athletic programs therein, for the administration of the athletic fee collected, and for the organization of the athletic association; provided, that there shall be only one University Athletic Association for the autonomous University.

d. Articles 463 through 466 of the Revised University Code and all other provisions thereof pertaining to the University Athletic Association and/or the Board of Athletic Affairs and the Sub-Board of Athletic Affairs, as well as all memoranda, orders, and other issuances regarding the aforementioned bodies are hereby repealed.

OTHER MATTERS CONSIDERED BY THE BOARD

The Board approved the institution of an M.S. in Wildlife Studies and an M.S. in Mathematics at UPLB.

The Board approved the extension of the following financial assistance to the Resident Assistants of the Ketavaan Residence Hall, effective 1 January 1978:

- Free tuition and other fees: P 700.00/year (approx.)
- Free board and lodging: 2,700.00/year (approx.)
- An allowance of P150.00/month for 10 months: P 1,500.00/year
- P4,900.00/year (approx.)
The resident assistants of the Kalayaan Residence Hall are U.P. students who assist the dormitory personnel in implementing the psycho-social assistance program of Kalayaan, as well as in enforcing the rules and regulations of the dormitory. They have proved quite crucial to helping freshmen students, including the experimental democratization students, adjust to the University environment academically, psychologically, and socially.

The proposed financial assistance to be extended to the resident assistants makes them comparable to graduate assistants. Being on call at all hours of the day and night, the resident assistants render more than one hundred (100) hours per month, which is allowed graduate assistants, and for which the latter receive P4.00 per hour or P4,000.00 over a 10-month period.

In this connection, effective upon the institution by the residence hall of a psycho-social assistance program and upon the appointment of resident assistants, the following financial assistance for the resident assistants of other residence halls (chargeable to their respective budgets) shall take effect:

- Free tuition and other fees: P700.00/year (approx.)
- Free board and lodging: 2,700.00/year (approx.)
- An allowance of P75/month for 10 months: 750.00/year
- Total P4,150.00/year

subject to the condition that a residence hall will be allowed to have resident assistants if, and only if, it has a definite psycho-social assistance program for freshmen residents.

The Board approved the termination of the Investment Advisory Services Contract of the University with the Commercial Bank and Trust Company (approved by the Board of Regents at its 791st Meeting, 21 January 1970) in order to generate greater income from the funds in the Portfolio and in pursuance of the policy that government funds should be invested in a government financial institution.

The Board noted the following:

(a) Financial Statements pertaining to the U.P. Commingled Fund as of the quarter ending 31 December 1977.
(b) Working Paper No. 78-17 entitled The University Reward System: An Overview (prepared by the Program Development Staff, Office of the President) providing an overall framework against which to view and within which to further develop the reward system of the University.
(c) Working Paper No. 78-37 entitled U.P. Faculty Fellowships: An Attempt at Rationalization (prepared by the Program Development Staff, Office of the President) rationalizing the criteria for awarding faculty fellowships, both local and foreign, within the overall framework of Concept Paper No. 78-17.
(d) Three proposals for a radically different academic calendar beginning with the next academic year, as follows:
   1. Academic calendar with the First Semester starting in August 1978, and the Second Semester starting in January 1979;
   2. Academic calendar with the First Semester starting immediately in January 1979; and
   3. Academic calendar based on the quarterly system.
(e) Copy of Presidential Decree No. 1295, dated 27 January 1978, entitled Creating the National Engineering Center.

899th Meeting, 30 March 1978

Dr. Vidal A. Tan took leave of us seven years after he wrote his own elegy: "Death, be kind." How fitting that he should lie in state at the Chapel of the Holy Sacrifice: built during his stewardship as seventh President of the University of the Philippines (1951-1956), he often attended and even served Mass there, the only President to have done so. And how eloquently it speaks of his noble simplicity that he willed for his own body's resting-place a rough and unadorned casket which, even as he wished, was not graced with the sombre flowers of mourning.

TWO PRESIDENTS: Foreign Affairs Secretary Carlos P. Romulo, himself a former University President, pays last respects to departed colleague laid in a box of unvarnished wood, a fulfillment of the wish Dr. Vidal A. Tan wrote in his "Death, be kind" (shown above).
This University must exert every effort to maintain and improve its position of leadership in the field of scholarship.

Religion was his "most priceless possession," the "greatest guarantee of happiness," a gift that, he once said, he would pass on "If I Had a Daughter," an address he delivered before the U.P. Women's Club on 11 July 1951. So touching was this speech that the University Community clamoured for a thousand copies. Later, President Tan did adopt a daughter, Maria Teresa, and passed on his gift not only to her but to all around him.

Like most great men, Dr. Tan believed the individual must gain a sense of life as a whole translated this belief admirably into deed. He eminent essayist and playwright and author books on Mathematics. In 1967, when he was sor Emeritus in Mathematics, he became the first member of the U.P. Faculty Association's Dakilan Award. A founding member of the Philippines of Science and Humanities, he was also a troius member of various honor societies and n bodies such as the Philippine Historical Commm the Art Council of the Philippines, the Exi Board of the Boy Scouts of the Philip... Board of Review for Moving Pictures; after his...the U.P., he was appointed Chairman National Science Development Board, and...Councillor of Quezon City.

As U.P. President, his sense of life as a ch unity inspired the academic community in eve suit and controversy. For he was no stranger academic vocation, having served the Univer Student Assistant in 1912, and later, as Profess Head of the Department of Mathematics, Dean College of Engineering, Dean of the College of l Arts and Sciences in Baguio, and Acting Dean o he even had the singular distinction of being the faculty member to be appointed a member Board of Regents. As President of U.P., he only as he humbly put it, "on the good w...teachers." In his first speech to the University cil on 12 June 1951, he gave notice that there be "few, if any, astounding innovations." "Th...iversity," he said, "must exert every effort to m and improve its position of leadership in the f scholarship." It must have made him proudly in later years to see that his own vision of th has remained paramount with those who suc him in the University. For, during his stewardship devoted himself with great energy and imagina the development of the faculty and staff, t provarment of curricular programs, and the ment of campus life.

"Death, be kind" was his wish. And touched him not: but only "freed his soul the a...way" since the Eternal Master loved him. His...while he dwelt among us, "nor made a pause, r a void," and so, "still he fills affection's eye."
Dr. Nathaniel B. Tablante, Secretary of the Department of Social Service and Development (DSSD), passed away on 28 March 1978, at age 53. He served the University in various capacities, including that of Dean of the Institute of Social Work and Community Development and as Vice-President for Academic Affairs before he was appointed Undersecretary of the DSSD in 1975.

He obtained his Bachelor of Science in Agriculture, cum laude, from the U.P. in 1946 and joined the faculty that year; he earned his Ph.D. from Purdue University in 1956.

He is survived by his wife, Professor Isabel Lawas-Tablante, and three children.
Jorge B. Vargas deeds to his Alma Mater the Vargas Filipiniana Foundation library consisting of books, historical papers and documents, works of art, numismatic and philatelic items, and his own memorabilia as Executive Secretary of President Manuel L. Quezon.

The most Distinguished Alumnus of 1937, Jorge B. Vargas belongs to the first graduating class of U.P. in 1911 as an A.B. graduate, and was class valedictorian as an L.L.B. graduate in 1914. During the Japanese Occupation, he was chairman of the Philippine Executive Commission. A prominent figure in sports and civic movements, he was a founder of the Boy Scouts of the Philippines and head of the Philippine delegations to international sports competitions.

Dr. Ramon P. Santos was appointed Dean of the College of Music, effective 1 March 1978 until 30 April 1983 having succeeded Dr. Ruby K. Mangahas.

Director Froilan M. Bacuñgan of the Law Center has been appointed Dean of the College of Law, effective 1 April 1978 until 30 April 1983, following the expiration of the term of office of Dean Irene R. Cortes.

Dr. Sylvia H. Guerrero will take over as Dean of the Institute of Social Work and Community Development, effective 1 May 1978 until 30 April 1983, following the resignation of Dean Manuel F. Bonifacio.
University Health Service (UPLB)
Antonio G. Tan, additional assignment as Acting Director, effective 1 March until 31 August 1978.

TRANSFER TO PERMANENT STATUS

The Board approved the transfer of the following to permanent status:
- Nelly G. Alviar as Assistant Professor I of Agricultural Economics, Institute of Agricultural Development and Administration, effective 1 March 1978.
- Rosalinda R. Arenas as Instructor II in Engineering Sciences, College of Engineering, effective 3 February 1978.
- Eligio B. Baraga as Assistant Professor II of Educational Administration, College of Education, effective 24 October 1977.
- Roberto C. Bautista as Assistant Professor I of Agricultural Engineering, Institute of Agricultural Engineering and Technology, effective 1 March 1978.
- Ms. Luisa T. Camagay as Instructor III in History, College of Arts and Sciences (Diliman), effective 1 March 1978.
- Danielito T. Franco as Assistant Professor II of Land and Water Resources Engineering and Technology, Institute of Agricultural Engineering and Technology, effective 1 February 1978.
- Concepcion B. Madamba as Instructor IV in Wood Science and Technology, College of Forestry, effective 1 August 1977.
- Augustus M. Marinar as Assistant Professor I of Zoology, College of Arts and Sciences (Diliman), effective 1 August 1977.
- Josué C. Zuniga as Instructor V in Social Studies, Rural High School, College of Agriculture, effective 1 March 1978.

SCHOLARSHIPS, FELLOWSHIPS, GRANTS, AND GIFTS

The Board approved a grant in the amount of P35,650.00 from the International Development Research Center for the research project on legume processing, phase II, being undertaken by the U.P. Alumni Professors Chair in Political Economy with an honorarium of P12,000.00 per annum; effective 1 December 1977. The original grant for the first phase of the project was accepted by the Board at its 854th Meeting, 17 December 1974.

PROFESSORIAL CHAIR ENDOWMENT

The Board approved the change in the name of the U.P. Alumni Annual Fund Professorial Chair for the Regional Units to Alumni Professorial Chair in (name of the regional unit to be indicated as part of the name of the chair).

The Board approved the establishment of the Alfonso Calsang Professorial Chair in Political Economy with an honorarium of P12,000.00 per annum. In this connection, the Manuel Roxas Chair in Political Science or Economics at P12,000.00 per annum; two (2) chairs for the Division of Social Sciences, each at P6,000.00 per annum for a period of three (3) years; and the Alfonso Calsang Professorial Chair in Political Economy, shall take effect beginning the first semester of the academic year 1979-1979.

COLLECTION OF FEES

The Board authorized the Institute of Sports, Physical Education and Recreation to increase the community recreation fee from P50.00 to P70.00 per student, effective summer term of 1978, to cover increased costs of operation.

The Board, likewise, approved the increase in the honorarium of the Community Recreation Instructor from P600.00 to P640.00, which is equivalent to the current honorarium rate for overload teaching of an instructor in the day program (for handling 3-unit subject at P213.00 per unit).

The Board authorized the increase of the pre-Bar Review fee from P220.00 to P250.00, exclusive of the P10.00 deposit, to cover the increased costs of operation by the U.P. Law Center. At its 865th Meeting, 25 September 1975, the President suggested returning the responsibility for the pre-Bar Review to the College of Law, with the Board's assurance that it would be prepared in this respect to upgrade the fees. In this connection, the Board authorized the President to see to the details and formulate the guidelines, for submission to the Board.

The Board authorized the Philippine Executive Academy to increase the fee of participants to the Senior Executive Development Program from P9,600.00 to P10,500.00, to cover the increased costs of conducting the Session, effective January 1978. Income from participants' fees shall accrue to a special trust account against which shall be charged all expenses relative to the Session, subject to auditing and accounting rules and regulations.

The Board authorized the University Library to increase the rate charged to users (outside researchers) of microfilm readers from P1.00 to P3.00 for the first two hours or a fraction thereof, and P1.00 for every succeeding hour beyond the initial two hours. Income from this fee shall accrue to a special trust liability account against which shall be charged expenses for maintenance and repair of equipment, such as microfilm bulbs (which used to cost P24.00 apiece but now cost P105.00).

The Board approved the rental rates for academic costumes of graduating students, as follows:
- Set of Bachelor's gown: P10.00
- Set of Bachelor's gown with hood: 14.00
- Set of Master's gown: 16.00
- Set of Doctor's gown: 20.00

The new rates will take care of both the increase in rental and dry cleaning/laundry costs.

ACADEMIC CALENDAR 1978-1979

The Board approved the Academic Calendar for school year 1978-1979 (similar to last year's calendar). It applies to all units of the University except the U.P. College Clark Air Base and the evening graduate program of the College of Business Administration.

The Board deferred action on a proposed Academic Calendar for 1978-1979, pending consultation with the National Board of Education.

Note: The Executive Committee of the University Council discussed three proposed academic calendars at its meeting on 20 March 1978. When votes were called for, Calendar A (which synchronizes the academic year with the fiscal year), received 14 votes; Calendar B (based on the previous year's academic calendar), 14 votes; and Calendar C (the quarterly system), one vote. After another round of discussion, Chancellor Abadillo G. Samonte proposed a modification which combined the features of both Calendars A and B. This modified proposal, which was acceptable to the Executive Committee, was submitted to the Board with Calendars A, B, and C.

In the course of the Board's discussion, Regent Sicat made the following comments: Having the same calendar year for all universities is of great importance, one reason being the need for synchronization of academic activities (inter-university activities such as oratorical contests, essay-writing, athletics); hence, a new academic calendar is a concern of the National Board of Education and not only of the U.P. Board of Regents. Dividing the calendar into more than two major portions would also maximize the use of facilities, their inadequacy being a problem inherent in the public sector, the University system, and even the private sector. This is one other good argument for the proposed calendar which could be considered.
favorably in the National Board of Education.

President Corpuz noted the generally favorable reaction of the academic staff to the proposed calendar and the meager reaction from the studentry. The Department of Education and Culture has yet to comment on the proposed calendar. As it stands, the proposed calendar is a move toward, rather than away from, synchronization with the fiscal year. One advantage of the proposal is that students who fail to get admission into the U.P. would have more time to seek admission into other schools.

With regard to the quarterly system, the President said that a number of units in the University cannot adopt this system because professors prefer that courses in a continuous series and laboratory courses should be taught on a semestral basis. Some units, however, may adopt the system, if beneficial, within the general framework of the new (semestral) calendar.

The President also noted that some modifications may be appropriate assuming that the National Board of Education allows the transition period, as in the proposed calendar, only in the first year.

The President stressed, however, that he is not unmindful of the problems which might arise in regard to other institutions. Regent Santos Cuyugan observed that, before adopting the proposed calendar, it would be wise to anticipate some problems arising from the simultaneity of various activities that the Board wishes to encourage throughout the university system in the Philippines.

EXPANSION OF FINANCIAL ASSISTANCE TO X.D.S. STUDENTS ENROLLED DURING SUMMER

The Board authorized the expansion of financial assistance granted to the Experimental Democratization Students (X.D.S.) enrolled during summer terms to include a textbook allowance (as needed), chargeable against the X.D.S. BUDGET.

At present, the financial assistance granted to the X.D.S. includes, aside from provisions for regular semesters, free tuition and other fees for those enrolled during summer terms. The new authorization extends this assistance to include textbooks for those enrolled during summer terms.

For academic year 1977-1978, this extension will mean an additional expenditure of at most 95 X 40.00 = P3,800.00 which can be absorbed by the total Democratization of Admissions budget for Fiscal Year 1978.

Extending financial assistance to X.D.S. enrolled during summer terms will in the long run prove less expensive for the University, because then they could finish their degree programs within a shorter residence in the University than otherwise. Granting more financial assistance to them during summer terms other than tuition and other fees and book allowances, on the other hand, would be too far out of the ordinary for the financial assistance programs of the University.

AMENDMENT OF THE CODAL PROVISION ON GRADE OF “INC.”

The Board approved the amendment of the codal provision on grade of “Inc.” (Article 3691 as follows:

Old codal provision:

“Inc.” indicates that the work is incomplete. It is given if a student whose class standing throughout the semester is passing, fails to appear for final examination due to illness or other valid reasons. In case the class standing is not passing and the student fails to take the final examination for any reason, a grade of “5” is given. “Inc.” is also given for work that is of passing quality some part of which it for good reason unfinished.

Amendment as approved by the Board of Regents (886th meeting, 28 April 1977):

The grade of “Inc.” is given if a student, whose class standing throughout the semester is PASSING, fails to take the final exami-
b. The Center shall be headed by a Director (not by an Advisory Board); and
c. The Center shall have an Advisory Board with the Director of the NTTC-HP as Chairman and representatives from the Department of Education, the Department of Health, the Association of Philippine Medical Colleges, the World Health Organization, and the health sciences sector, the dean of the medical school, and the dean of the College of Education as ex-officio members.

CONFERMENT OF HONORARY DEGREES

The Board approved the conferment of honorary degrees upon Dr. Alfonso Calaling, Doctor of Laws, honoris causa; Dr. Tomas S. Fonacier, Doctor of Laws, honoris causa; and Mr. Jorge B. Vergas, Doctor of Laws, honoris causa.

TRAVEL AND LIVING ALLOWANCES FOR FACULTY FROM DILIMAN, MANILA, OR LOS BAÑOS ASSIGNED TO TEACH IN THE REGIONAL UNITS DURING SUMMER 1978

The Board approved the grant of travel and living allowances to faculty members from Diliman, Manila, or Los Baños who are assigned to teach in the regional units, except the U.P. College Clark Air Base, during Summer 1978. The grant covers a living allowance of P450.00 and a travel allowance equivalent to one round-trip fare. This is with the proviso that transportation, daily allowance, and board and lodging, as provided for in D of the Classification and Salary Plan for Part-time Teaching in the Regional Units (approved by the Board at its 883rd Meeting, 26 February 1977) shall be suspended for the duration of the summer term.

AUTHORITY TO USE PART OF THE EARNINGS OF THE UPLB FACULTY DEVELOPMENT FUND TO SUPPORT THE FINANCIAL REQUIREMENTS FOR PROFESSORIAL CHAIRS

The Board authorized the UPLB to use part of the earnings of the UPLB Faculty Development Fund to support the financial requirements for professorial chairs.

The said Fund was originally earmarked for supporting faculty fellowships and related activities, but with the increasing number of graduate scholarships at UPLB, the demand for faculty fellowships has decreased. The University is faced, instead, with an increasing number of highly trained staff whom it must retain and the spiralling cost of basic commodities which, with their present income, they can hardly obtain.

INCORPORATION OF THE FACULTY DEVELOPMENT FUND

The Board approved the incorporation of the Faculty Development Fund as a corporate body in accordance with the Companies Act, 1967.

OTHER MATTERS CONSIDERED BY THE BOARD

The Board noted the program details of the 67th General Commencement Exercises to be held on 16 April 1978.

The Board authorized U.P. College Baguio to administer every term, beginning Summer 1978, a non-credit course in mathematics for management students and to charge a fee of P120.00 per student. Income from said fees shall accrue to a special account against which shall be charged expenses in connection with the course.

The Board, likewise, authorized U.P. College Baguio to conduct a Printmaking Workshop during summer 1978 and to collect a fee of P50.00 per participant. Income from said fees shall accrue to a trust liability account against which shall be charged expenses for materials and other operating costs of the workshop.

The Board noted the Executive Summary/Progress Report on the U.P. in the Visayas prepared by the UPV Project Development Team and transmitted to the Board by President Corpuz through his Memorandum, dated 27 March 1978.

The President supplemented the said report of the UPV with the information that Tigbauan in Hollo is the logical site for the UPV because, among other considerations, the SEAFDEC (Southeast Asia Fisheries Development Center) is located in Tigbauan. The President also informed the Board that one problem about the Tigbauan site is the inadequate water supply which, however, is not really acute and would not involve too much expense on the part of the University to resolve because of water sources near the proposed site.

Regent Sicat also suggested linking up the UPV with the Philippine Sugar Development Institute, a research agency for the improvement of the sugar industry. He noted that Panay and Negros are the seat of the Philippine sugar industry, and that the UPV project could draw support from this Institute in the future.

Note: At its 896th Meeting on 20 December 1977, the Board created the Project Development Team for the U.P. in the Visayas for it to formulate the development plan of the UPV.

The preliminary draft of the UPV Project Study was discussed by the Team with President Corpuz on 14 March 1978. During this meeting, President Corpuz suggested that an Executive Summary be prepared for discussion by the Board of Regents. Comments by the Board would provide the Team additional guidelines with which to present the Project Study for eventual submission to various funding agencies including the World Bank.

The Board accepted the proposal of Sycip, Gorres, Velayo and Co. to conduct a review of the status of implementation of the organizational structure of the Philippine General Hospital, particularly in the area of health operations. As in previous engagements, the SGV is donating their professional services amounting to P35,000.00.

The Board approved the classification under Trust Liability Account of income from admission fees (P15.00 per applicant) for the Ph.D. Philippine Studies Program, the same to be available for expenses incidental to the administration thereof.

The Board authorized Miss Norma G. Pison, Property Custodian, to negotiate with the University to have her newly-constructed house rented by the U.P. College Iloilo as the guest-house of the College, beginning 1 April 1978, at a monthly rental of P1,500.00.

The Board authorized the Asian Institute of Tourism to negotiate directly with Mariltes Garden, L.G. Estrada Maintenance Group, Redeemer Development Corp., Kabukiran Gardens, and Roni's Gardens for trees, shrubs, ground cover, topsoil, and labor for landscaping the AIT Complex, and to make progress payments to suppliers/contractors on the basis of accomplishment.

The Board noted a letter from some members of the faculty of the College of Law urging appointment of the dean of the College from among the regular faculty members thereof.
The President approved the following appointments, reappointments, renewals of appointment, promotions, increases in salary, and other related matters:

"Do not lose your heritage of freedom."
- Cecilia Muñoz-Palma
In his letter of invitation to Justice Cecilia Muñoz-Palma at the Supreme Court to be guest-speaker at the University graduation rites, President O.D. Corpuz said: “Our class of 1978 hold you in high esteem for your independence of mind and positive approach to issues of change and order in a truly human society.” Justice Palma responded warmly with an inspirational talk, “Do Not Lose Your Heritage of Freedom,” receiving a most appreciative ovation from the 1978 graduates through an oft-applauded speech.

Justice Muñoz-Palma received her Bachelor of Laws degree from the University of the Philippines, in 1937. The high point in her distinguished career was her appointment as first lady Justice in the highest court of the land. In 1974, she was judged Most Outstanding Alumna by the U.P. Alumni Association.

In her celebrated speech, the urged the University to be “a living exponent of democracy, freedom and justice” if it is “to continue in its role of creating a broad base of highly-educated, responsible citizenry as its contribution to national development.” She stated that the University’s graduates ever bring with them the “highest traditions of nationalism and patriotism,” and that “nothing can be more tragic than the spectacle of a citizenry or a people who through apathy, indifference or fear, or for sheer convenience and material gain, or through compromise or surrender of principles lose or bargain away their liberties and ideals.”

The conviction expressed in President Corpuz’s letter of invitation to Justice Muñoz-Palma that the class of 1978 would be “strengthened by your message” as they “go forth in the service of our people,” was fully realized as an exultant audience dispersed at sunset from the Commencement Grounds.

Administrative Order No. 10: Implementation Phase of Research Studies to be Carried Out by the Institute of Mass Communication as Provided for in the Memorandum of Agreement Between the University of the Philippines System and the Educational Development Projects Implementing Task Force (EDPITAF), Department of Education and Culture (DEC)
In accordance with the Memorandum of Agreement entered into by and between the University of the Philippines System and the Educational Development Projects Implementing Task Force (EDPITAF) on 1 April 1978, the Institute of Mass Communication is hereby directed to carry out the objectives of the Agreement as the implementing agency of the University in the Implementation Phase of the Summative Evaluation of the Radio-Assisted Teaching in Elementary Schools and the Continuing Education for Teachers as well as in the Descriptive Evaluation of the Rural Educational Radio Study, and the Communication Technology for Rural Education.

For this purpose, Dean Gloria D. Feliciano is hereby designated Program Officer to take charge of said Implementation Phase and Prof. Raul R. Ingles as Disbursing Officer to be responsible for the disbursement and proper accounting of funds made available by the EDPITAF under the Agreement based on the estimated budget provided for therein, subject to the following conditions:

1. The Program Officer and the Disbursing Officer shall see to it that separate books or records of accounts shall be maintained by the Institute of Mass Communication exclusively for the aforementioned EDPITAF funds.

2. Actual disbursements of funds shall be subject to prior approval by the Program Officer.

3. The books of accounts and other records pertinent thereto shall be subject to examination by the Vice-President for Administration or his duty-authorized representative, as he may deem appropriate.

4. It is understood that auditing of funds as required under existing COA regulations will be done by the EDPITAF (DEC) Auditor.

The Program Officer is hereby authorized to organize the staff and appoint the personnel and consultants who may be called upon to serve in the Implementation Phase for the nine-month period (1 April to 31 December 1978) that the U.P.-EDPITAF Agreement will be in effect, subject to the following conditions:

a. Appointments/contracts issued shall be on a temporary basis.

b. In the issuance of appointments/contracts, existing class titles or designations and the corresponding rates of compensation/honoraria prescribed by EDPITAF shall be observed.

c. The Program Officer shall forward copies (i.e., one copy per employee) of appointments or contracts issued to the Office of General Services through the Office of Academic Services (in the case of academic personnel) or the Office of Administrative Personnel Services (in the case of administrative personnel), as the case may be, within five working days following issuance thereof.

Art. 226. Notwithstanding the provision of the next preceding Article, the President may detail such members of the faculty as he may consider necessary to teach during the summer sessions of the University, but such members so detailed and who actually teach throughout the summer sessions shall be entitled to vacation throughout the next succeeding summer.

Art. 227. In the event of failure to render service as required in the next preceding Article, without good reasons, the teacher in question shall not be entitled to the regular salary corresponding to that summer session.

NISA Clearance as Requirement for Personnel Actions

Quoted hereunder is the text of Memorandum Circular No. 1, Series of 1978, from the Acting Chairman, Civil Service Commission for immediate compliance:

"Civil Service Commission Memorandum Circulars Nos. 3 and 5, both series of 1974, require NISA clearance for original appointments and appointments by way of reinstatement."

"This Commission believes that the above-mentioned requirement should likewise be made to apply to other personnel actions, such as, appointments by transfer and promotional appointments, and contractual appointments covering a period of at least six (6) months, especially so when the employee concerned has not undergone any security check/investigation of any kind."

"In view thereof, the above-mentioned Memorandum Circulars Nos. 3 and 5, both series of 1974, are hereby amended in the sense that NISA clearance is hereby required not only for original appointments and appointments by way of reinstatement but also for other kinds of personnel actions, such as, appointments by transfer and promotional appointments, and contractual appointments covering a period of at least six (6) months."

"Henceforth, any certification on the face of any appointment made pursuant to Civil Service Commission Circular No. 10, series of 1975, is understood to include the requirement mentioned herein."

"THIS MEMORANDUM CIRCULAR SHALL TAKE EFFECT IMMEDIATELY."

Chapter 22 Leave Privileges

Art. 224. Teacher’s leave shall be granted to full and part-time members of the faculty who do not normally perform administrative functions. It shall consist of vacation and sick leaves, neither of which shall be cumulative.

Art. 225. Teacher’s vacation leave shall consist of one month in each academic year in addition to the usual Christmas vacation. Such vacation leave may be taken only during the regular vacation periods of the University, except in the case of members of the faculty who are also members of the staff of the clinical departments of the College of Medicine and resident physicians in the Philippine General Hospital who may be permitted to enjoy the same at any time during the year at the discretion of the President: Provided, however, That the President may, in his discretion, on recommendation of the deans and directors of the respective colleges and schools, grant to members of the faculty whose services are not required vacation leave in excess of one month during such vacation periods: Provided, further, That in case of sickness for more than fifteen days during the regular class periods, vacation leave with pay not exceeding one month in lieu of the summer vacation may be allowed during the regular class periods; and

Provided, finally, That the work of the members of the faculty to whom such leave is granted is duly taken care of without the need of a new appointee.

MEMORANDUM CIRCULARS

Memorandum Circular No. 4: Summer Vacation Calendar 1978

Hereunder are the guidelines for the Summer Calendar 1978:

1. The second semester of the Academic Year 1977-1978 ends after the General Commencement Exercises on 16 April 1978.

2. The summer vacation for purposes of the teacher’s vacation leave of faculty members starts on 17 April and ends on 1 June 1978.

3. Members of the faculty shall begin regular service for the Academic Year 1978-1979 on 2 June 1978.

Item 2 above does not apply to faculty members who will be detailed to the 1978 Summer Session which starts on 19 April and ends on 2 June 1978.

Members of the faculty who do not hold administrative positions and are not assigned to teach or do other work during the 1978 Summer Session may file application for teacher’s vacation leave, subject to existing rules and regulations.

Faculty members who apply for or are on teacher’s vacation leave (as distinguished from the vacation leave of personnel, academic teaching and non-teaching, who are on cumulative leave status) shall not be required to submit any clearance as a precondition for the approval of their application for teacher’s vacation leave or for the payment of salaries during their teacher’s vacation leave.

Subject to the requirements of the service, members of the faculty may be recalled anytime during the summer vacation for special assignments.

Below is a reproduction of Articles 224 through 227 of the Revised Code governing teacher’s leave for the guidance of all concerned. As stipulated in the first proviso of Article 225, the Dean should recommend for teacher’s vacation leave in excess of one month faculty members who, under existing rules, are entitled to one-month vacation only but whose services may not be required between 17 May and 1 June 1978, before such faculty members can enjoy teacher’s vacation leave in excess of thirty (30) days.

Memorandum Circular No. 8: Publication of Professorial Chair Lectures

Pursuant to Memorandum Circular No. 7 (31 March 1978) and the favorable reaction to the proposal contained therein, it shall henceforth be the practice that, starting with professorial chair lectures delivered June this year, only the twelve (12) best professorial chair lectures in various fields shall be published in book form every five (5) years.

The Vice-President for Academic Affairs shall see to the appropriate mechanism for the selection of the twelve (12) BEST Professorial Chair lectures over a five-year period. It is suggested, moreover, that deans, directors, and heads of units see, in the meantime, to the individual publication of Professorial Chair lectures in some unit/college journal or other appropriate venue.

Memorandum Circular OSU-12 (78): Coursing Through DFA All Communications To and From Foreign Governments and International Organizations

Please be reminded of existing laws, regulations and presidential instructions designating the Department of Foreign Affairs as the main channel through which all government agencies shall deal or otherwise communicate with foreign governments and international organizations. (The latest regulation is contained in Foreign Service Circular No. 12-77, dated 4 January 1977.)

The intent of said policy is that "since such actions involve foreign relations and protocol, it is obvious and necessary that they be coordinated with the Department of Foreign Affairs."

The ruling covers all communications, including project proposals and requests for technical assistance, to and from foreign governments: the United Nations, its specialized agencies, and subsidiary bodies; and all other international organizations. Such communications should be coursed through the Department of Foreign Affairs.

Compliance with this ruling will spare all concerned from unnecessary delay.

Memorandum Circular OSU-13 (78): Nominations to the National Academy of Science and Technology (NAST)

President Marcos has recently appointed members to the temporary Screening Committee and instructed it to evaluate all nominees to NAST (created by PD 1003-A and placed under the administrative supervision of the NSDB).

Since the Screening Committee shall choose only 10 initial members of the Academy— from all bright corners of our Archipelago and from the natural and social sciences — nominations must be based on the solid rock of the highest qualifications. Please submit nominations to the Office of the President of U.P., on or before 10 May this year.

For information and guidance, Section 2 of PD 1003-A states the qualifications of members of the Academy:

"For the purpose of this Decree, a scientist shall be defined as an individual who has earned a doctoral degree in any field of the sciences in an accredited University and has demonstrated and earned distinction in independent research or significant innovative achievement in the basic and applied sciences, including agricultural, engineering and medical sciences, in mathematics and in the social sciences as manifested by his published works in recognized scientific and technical journals; Provided, that, in highly meritorious and extremely exceptional cases the foregoing doctoral degree requirement may be waived."

Right on, if you're sure of your ground. The deadline is not dead, but alive and well: 10 May.

Memorandum Circular OSU-13-A(78)
For: Whom The Bell Does Not Toll
Subject: Hamlet in the Academic Grove
Purpose: As You Like It

Soliloquy
(by Philip H. DeTurk, Phi Delta Kappan, April 1978)

To be basic, or not to be basic: that is the question—
Whether 'tis nobler in the mind (and purse) to suffer
The slings and arrows of outrageous complaint,
Or to take arms against a sea of critics,
And by opposing silence them. To punish, to parse—
No more openness; and by that tedium to say we end
The heartache, and the thousand natural faults
That innovation is heir to; 'tis a life
That every teacher might devoutly wish. To punish, to parse—
To parse, perchance to diagram, aye, there's the rub,
For in that parsing of banality what dullness may come
When we no longer have balance,
Must make us cautious; there's the respect
That makes calamity of so much education,
For who would bear the endless planning,
Th' SAT scores, the consultant's advice,
The relentless love of children, the budget's delay,
The insolence of the front office, and the frustration
That endless scouring for new materials takes,
When he himself might his quietus make
With an old workbook? Who would workshops bear,
To grow and sweat under continued training,
But that the dread of something after grammar,
The undisputed standardized world, where unmotivated students
Punctuate but don't communicate, puzzles the will,
And makes us go on asking new questions,
Than wallow in a world of answers for instant gratification?
Thus conscience might make cowards of us all,
And thus Love, Enthusiasm, and Perception
Are sickled o'er by the paler cost of facts and figures,
And the How, the Why, and the What
With this demand for Basics their currencies diminish,
And lose the name of Learning.

MEMORANDA

Memorandum No. 24: Free Period, 15 to 29 May 1978

Please be reminded that consonant to the practice initiated last year, 15 to 29 May this year shall be for "rest and re-energizing."

This means that all officers of Central Administration and all deans and heads of colleges and units are enjoined to loose themselves from the sweet bondage of their duties from 15 to 29 May this year. They may visit their stations from time to time, but without anxiety, or assign officers-in-charge at their posts for the routine transactions.
The governing "law" during this "Free Period" is that only routine matters will be routed; no significant matter, unless critical, will be acted upon anywhere in the U.P. System.

The purpose of declaring 15 to 29 May a "Free Period" is of course quite obvious: we want our officers, deans, directors, and heads of units to free themselves, as it were, from a kind of self-imposed exploitation of their own innate resources and regain, if need be, their original cheer, their pulse of mind, their sweetness of temper, and (if it has somewhat been frayed) even their sanity.

On the Constitutions of the U.P. College Cebu Community Organization, Inc., and the U.P. College Cebu Faculty and Academic Personnel Association

This is in response to the requests earlier submitted to this Office for approval of the constitutions of the University of the Philippines College Cebu Community Organization, Inc., and the University of the Philippines College Cebu Faculty and Academic Personnel Association, and for University recognition thereof.

There is no University policy or rule that (1) inhibits any sector of the University constituency from forming or constituting an association or non-profit corporation on its own, or (2) limits the number of such associations within a college.

The University's aim is to promote unity, not fragmentation, among University personnel, especially within the same college. In line with this aim, it would be to its best interest if the U.P. College Cebu had only one association or organization comprising most of its faculty and other academic personnel. It would facilitate recognition if the actual membership of a faculty and academic non-teaching personnel association/organization included at least 51% of the faculty. In view of the temporary character of many faculty appointments, University recognition would not be permanent; rather, it would be given on a year-to-year basis, to insure compliance with the 51%-requirement.

While University personnel are free to organize themselves, subject to the pertinent laws of the land, an association without formal University recognition cannot be allowed to occupy any portion of University buildings or premises as its headquarters or office, nor can it be allowed the use of any University facility. This is in conformity with standard accounting and auditing regulations governing the use of government resources.

The guidelines outlined hereinabove are not intended to discourage you, much less to "scare" you. They are designed as supplementary instruments for the attainment of your, and OUR, common objective of unity as one big family of intelligent, rational, and socially educated personalities.

We hope, therefore, that you seriously consider forming only one association/organization, so that we can more effectively contribute to the realization of your common aspirations as members of the constituency of the U.P. College Cebu.

For whatever they may be worth (at least in the formulation of the constitution and bylaws of the association you may envision), enclosed herewith for your consideration are copies of the comments by the Chief of the Office of Institutional Studies, dated 4 and 5 April 1978, respectively, on the constitutions and bylaws of the University of the Philippines College Cebu Faculty and Academic Personnel Association and the University of the Philippines College Cebu Community Organization, Inc., respectively.

Memorandum No. 26: U.P. Job Evaluation Study

At present, a U.P. Job Evaluation Committee consisting of representatives from the three types of University personnel is in the process of evaluating University jobs or positions for the purpose of determining the relative salary levels commensurate to their respective responsibilities and qualifications. (For more information on the study, please refer to Working Paper No. 78-77 entitled "Proposals towards a U.P. Job Evaluation").

In this connection, the Committee will need a list of University positions — not only of the currently existing and occupied ones, but also of those which may need to be created in the future, as well as those which, though currently extinct, are at present unoccupied and no longer necessary and should therefore be abolished.

The preliminary lists of University positions were prepared by the Committee on the basis of the Terminal Report of the Development Academy of the Philippines Study Team (DAPST) which worked in 1977 on the U.P. Job Evaluation Project. The University positions listed are categorized into the following:
1) Currently existing and occupied University positions recommended for continuation by the DAPST;
2) Currently existing but unoccupied University positions recommended for continuation by the DAPST;
3) Currently existing University positions recommended for abolition by the DAPST; and
4) Currently non-existent University positions recommended for creation by the DAPST.

Kindly examine these lists and indicate:
1) Which of the currently existing but unoccupied positions you foresee will be needed by your College/Unit in the next five (5) years;
2) Which of the currently existing positions recommended for abolition by the DAPST you foresee will be needed by your College/Unit in the near future; and
3) Which University positions (either because the position is newly created or because it is still to be created) will be needed by your College/Unit in the near future.

For each such "new" University position, kindly furnish a job description.

Kindly forward your comments, observations, recommendations regarding Items Nos. 1-3 above to Dr. Romeo L. Manlapaz, Chairman of the U.P. Job Evaluation Committee, at the U.P. Computer Center, on or before 1 June 1978.

Thank you very much for your kind cooperation.

      (6) Excerpts from the U.P. Charter

5. The following papers for presentation and discussion shall come with your Conference bag, later:
   a. Institute of Health Sciences Committee, "The Institute of Health Sciences Program"
   b. Arturo A. Gomez, "The UPLB Experience" (tentative title)
   c. Natividad J. Manarriz, "The Second Curriculum: Enrichment of Student Life"

   Memorandum No. 5: Dios ti agnine, matasal, etc.

   The 1978 Faculty Conference, held 18-20 May at the U.P. at Los Baños, cannot be doomed in my mind to have really come to its conclusion, or be safely tucked away in fond memory without this final memorandum.

   There are many to thank for many memorable things that were done or that happened for, during or because of the Conference; far too many, and enumerable only at the risk, of an undertaking as large as the Faculty Conference and involving so many people, of inadvertently failing to mention some of them and appearing to be unappreciative.

   I will just say in general, therefore, that there were noteworthy contributions of all kinds, of such variety, from so many, for which I am most thankful and grateful.

   It was not truly a faculty conference, nor really a gathering of the faculty; it was rather, happily, better, a coming together of faculty, academic non-teaching personnel, administrative employees, and students in fruitful discussion and hopeful resolution of problems and issues.

   The Conference will be remembered for its punctuality. It proved that aspiration, hope and plea, with entreaty added on, make a winning combination. It did warm the cockles of my heart to see most of the delegates already assembled at Quezon Hall for the trip to Los Baños, some fifteen minutes before the scheduled departure early in the morning of 18 May, and to see the Conference run thereafter on schedule, consistently and admirably, in its various activities.

   The Conference will be memorable for being conscientious, responsive, insightful, full of good humor. Remarkably, the humor worked best when could have been the dullest, in the somnolent afternoon hours of 18 May and 19 May.

   Conscientiousness, responsiveness, insight and good humor carried the Conference through many good discussions and some thoughtful resolutions: welcome demonstration, indeed, of President O.D. Corpuz's observation about the Faculty Conference as nascent decision-making body.

   For all that, and more, my appreciation — deep, warm, abiding.

*Editor’s Note (apologies to English: cockles, i.e., weed, mollusks. wart, bulge, teat: therefore, hence, i.e., weed, mollusks, wart, bulge, teat*

I just attended a convention of PASUC (Philippine Association of State Universities and Colleges) and a live-in seminar of APCAS (Association of Philippine Colleges of Arts and Sciences). These affairs did not turn out to be the enjoyable holidays that most conferences are because I learnt a lot of things that disturb my conscience. With your indulgence, I would like to share with you my agony and involve you in the act of contrition.

We don’t really get to know how lucky we are to be in U.P. until we hear our counterparts in other colleges and universities describe their situation. We always feel miserable and deprived because we only compare ourselves with the professional units of U.P., with PCAS, and even with universities abroad. But our complaints and grievances seem so trivial compared to the problems of other State universities and colleges and the private colleges of arts and sciences.

We gripe about the cut in our current budget, but do you know that what we have is many times bigger than what other colleges of arts and sciences can ever hope to get? Do you know that our CAS budget alone is bigger than the budgets of several universities? Yet our 8,200 students constitute a very tiny fraction of the total collegiate student population in the country!

On the first day of the APCAS seminar I tried consoling myself with the thought that the capitalists and priestly congregations who own the private schools are making lots of profit. They should be nationalized, I said to myself. But then I recalled the PASUC institutions. They are no better endowed. They do not provide a convincing argument for nationalization. Before my mind drifted back to the dangerous dream of a socialist revolution, I thought of what we can do, in the present context, to improve the lot of the vast majority of students outside this ivory tower.

It dawned on me, like the saints of old, that we have a mission. I thought of a better way to concretize the slogan “Serve the People” than digging holes and planting rice in the name of Rural Service.

I am not asking you to thank the Lord (the one who holds the national purse) for our bounty. I am inviting you to join what we might call the “Liberal Arts Missionary Society.” (Be not afraid, a vow of celibacy is optional!) Serously, I am asking for volunteers, for faculty members with missionary zeal who are willing to give special lectures, offer extramural courses for teachers, serve as consultants, etc., in destitute colleges of arts and sciences without extra compensation or load reduction. When I mentioned this plan to them, several deans were most eager to avail of our services. That is why I am now compiling a directory of volunteers.

I think this is a more noble way of returning the people’s subsidy than putting our brains in the service of affluent corporations, government agencies, and sinister American and Japanese foundations.

This is an opportunity for us to lead in the revitalization of the liberal arts.

And this will remove the strong anti-U.P. feelings outside. (I did not realize the intensity of these feelings until I heard the thunderous applause for President Marcos when he promised to redistribute the funds for education at our expense.)

If there is a bit of a missionary in you, please fill in the form and return to my Office. Whenever schools will request for your services, I shall put them in touch with you. Negotiate a convenient arrangement with them but, please, do not expect an honorarium, load reduction, or comfortable quarters.

DECI SION S OF THE BOARD OF REGENTS

900th (Special) Meeting, 12 April 1978

APPOINTMENTS, REAPPOINTMENTS, RENEWALS OF APPOINTMENT, PROMOTIONS, INCREASES IN SALARY, etc.:

The Board approved the following appointments, reappointments, etc.:

Agricultural Engineering and Technology, Institute of Vitfredo P. David, reappointment to additional assignment as SEARCA Associate Professor of Agricultural Engineering, effective 1 January until 31 December 1978.

Forestry, College of Lucero L. Rebogio, additional assignment as Associate Professor of Forestry Extension (professorial chair), effective 1 January until 31 December 1978.

GRADUATION OF STUDENTS

The Board approved the graduation of students who successfully completed the requirements for their respective degrees as of the end of the second semester, 1977-1978.

AMENDMENT OF PARAGRAPH SIX OF THE ARTICLES OF INCORPORATION OF THE U.P. FOUNDATION, INC.

The Board approved the amendment of Paragraph Six of the Articles of Incorporation of the U.P. Foundation, Inc., approved by the Board of Regents at its 898th Meeting, 23 February 1978, as follows:

From:
“Sixth — That the number of directors of the Foundation shall be fifteen (15) who shall be known and designated as the ‘Trustees’ thereof. The names and residences of the trustees of the Foundation who are to serve until their successors are elected and qualified as provided by the Bylaws are as follows:”

To:
“Sixth — That there shall be fifteen (15) directors, to be known as trustees, of the Foundation of which eleven (11) shall be named herein and who shall serve as incorporating directors until their successors are elected and qualified. Upon the election and qualification of their successors in accordance with the Bylaws, the number of trustees shall be increased to fifteen (15). Until the number is increased, the names and residences of the eleven (11) trustees are as follows:”

It is the opinion of the Office of the University General Counsel that in the case of non-stock corporations, while the Corporation Law allows at most fifteen directors, it limits the number of incorporating directors to at most eleven; hence, the amendment.

AUTHORITY FOR THE ASIAN INSTITUTE OF TOURISM (AIT) TO SERVE WINES AND LIQUORS

The Board authorized the Asian Institute of Tourism to serve beer, wines, and hard drinks at its food and beverage outlets. The AIT Cocktail Lounge shall serve as the training ground for its
students in the matter of mixing drinks and other related activities. The specialty dining and function rooms shall serve sophisticated cuisine during very important meetings and conferences; such cuisine, however, requires a complement of wines and liquors at lunch and dinner. The AIT House will also have a Faculty Club for informal caucuses of the U.P. faculty.

The AIT House, established to serve as the laboratory hotel of the Institute, as well as to cater to the needs of the academic community of the University and government offices/agencies around the campus, shall start its operations very soon. The Institute is also being seriously considered as the Diliman-based Center for Continuing Education. The major target market of the AIT House has to do with business meetings, conventions, conferences, seminars, etc.

Lucila P. Sobrepeña as Assistant Professor I of English, U.P. College Iloilo, effective 1 June 1978.

PROFESSORIAL CHAIR ENDOWMENT

The Board approved the establishment of a UPERDFI Professorial Chair in Safety Engineering in the College of Engineering, to be funded by a continuing support of P6,000.00 per annum from the earnings of the U.P. Engineering Research and Development Foundation, Inc., effective 1 April 1978.

***

The Board approved the establishment of professorial chairs in the following fields, each with an honorarium of P6,000.00 per annum, chargeable to the income of the U.P. Investment Portfolio:
(a) Development Education, (b) Psychological Foundation of Education, and (c) Reading.

This will bring to four (4) the number of professorial chairs in the College of Education. The Francisco Benitez Professorial Chair was established earlier from the General Fund of the U.P. Investment Portfolio.

COLLECTION OF FEES
The Board approved the collection of the journal fee of P6.00 per student for the Philippine Collegian in Diliman and Manila only, for Summer Term, 1978.

This journal fee shall be collected every summer for purposes of the Philippine Collegian summer issues.

DEPARTMENTALIZATION OF THE COLLEGE OF FINE ARTS

The Board approved the departmentalization of the College of Fine Arts, the main features of which are as follows:

a. Organization Chart. This indicates the basic lines of authority, responsibility, and interrelationships among key positions and the three new departments.

b. Creation of the following three departments, each to be headed by a chairman, and among which the various existing programs and fields of specialization of the College shall be distributed.

1. Art Theory, Department of;
2. Visual Communication Arts, Department of;
3. Visual Studio Arts, Department of.

c. Definition of Functions of Key Positions: namely, Dean; Associate Dean; Secretary; and Chairman of Department.

d. Implementing Guidelines:

1. The Dean, in consultation with the Associate Dean, the Chairmen of Departments, the Secretary of the College, and the faculty, shall determine the appropriate respective departments to which the faculty shall be principally assigned, taking into account their respective appointments, expertise, and the needs of the service, subject to approval by the President; provided, that where the initial implementation of the foregoing proposals requires changes in the appointments without change in rank and/or salary of the existing faculty (i.e., as distinguished from proposed original appointees or reappointees upon or after approval of these proposals), any such change of appointment shall be deemed finally approved for all intents and purposes upon approval by the President; provided, further, that no change of appointment shall take effect earlier than the date of approval of these proposals.

2. The entire staff of the College, under the joint leadership of the Dean, the Associate Dean, and the Chairmen of departments, shall review and redefine/define the general objectives of the College as well as those of the departments, subject to approval by the President; provided, that such definitions shall become an integral part of the organization of the College upon their approval by the President.

3. The Dean shall see to it that the faculty, academic non-teaching and administrative personnel of the College are properly oriented to the objectives and organization of the College.

Justification:

For a more effective implementation of the various programs of the College, there is a need for departmentalization and delineation of respective areas of concern of organizational subdivisions and responsibilities of key positions. This measure will not only enhance administrative supervision and coordination of curricular offerings but also serve as a guide to students in their choice of degree programs and fields of specialization. Thus, the proposed departmentalization is not anticipated to lead to "compartmentalization," as existing links of coordination among the various programs will be strengthened.

The foregoing proposals are essentially the same as those previously acted upon by the College faculty as initially transmitted on 5 January 1978, and subsequently retransmitted on 16 February 1978 (in line with suggested revisions made by the Office of the Vice-President for Academic Affairs) by the Associate Dean, Prof. Virginia F. Agbayani, who gave her concurrence on behalf of the Dean and the College.

ESTABLISHMENT OF THE UPLB LIBRARY BOARD

The Board approved the establishment of the UPLB Library Board to serve as a policy-determining body as regards the operation and maintenance of the University library system at UPLB, in line with Article 137 of the Revised University Code.

Specifically, the functions of the UPLB Library Board shall be:

1. Formulate policies and plans for the development of an effective library system that will complement the teaching, research, and extension programs of the University;
2. Promulgate rules and regulations governing the use of the libraries;
3. Help keep the library staff informed about instructional and research needs; and
4. Coordinate the efforts of the library staff, the faculty, professional staff, and other constituencies of the University in promoting the development and full utilization of library resources.

The Library Board shall be composed of the Vice-Chancellor for Academic Affairs as ex officio chairman, the University Librarian as ex officio member-secretary, a student representative, and eight faculty members representing the various disciplines, to be appointed by the Chancellor for a term of three years; provided, that of the initial membership, three members shall serve for a term of three years, three members for two years, and two members for one year; provided, further, that the student representative shall serve for one year.

SEC BUILDING NAMED AFTER THE LATE DR. VIDAL A. TAN

The Board approved the naming of the Science Education Center Building after the late Dr. Vidal A. Tan, distinguished former President of the University of the Philippines.

EXEMPTION OF CERTAIN AIT POSITIONS FROM EXISTING UNIVERSITY POLICY ON THE HIRING OF NEW EMPLOYEES

The Board approved the exemption of certain positions in the Asian Institute of Tourism from the existing University policy on the hiring of new employees whereby the first step of salary range is given as the starting salary of the new employee, and authorized the Asian Institute of Tourism to hire personnel for these positions according to the range and step indicated herein:

(a) General Manager, Range 12, Step 6; (b) Food and Beverage Manager, Range 11, Step 4; (c) Captain Waiter, Range 5, Step 4; (d) Bartender, Range 5, Step 7; (e) Executive Chef, Range 12, Step 6; (f) Sous Chef, Range 11, Step 6; (g) Cook Sauces, Range 7, Step 4; (h) Cook Entremetier, Range 7, Step 4; (i) Two Pantrymen, Range 5, Step 7; (j) Baker-Patinay, Range 6, Step 7; and (k) Senior Desk Clerk, Range 6, Step 5

The AIT, however, is granted the aforesaid authority provided:

(a) the persons to be hired fully satisfy the requirements of their positions;
(b) the qualifications required for the positions are peculiar to the needs of the unit, and persons with such qualifications are not immediately available in the labor market;
(c) there are sufficient reasons to justify the giving of salary beyond the minimum requirement of the position; and
Jubilate!

The 67th Commencement Exercises of the University Ž witnessed the graduation of four summa cum laude and 47 magna cum laude holders among 224 honour graduates. Exactly 3,901 U.P. graduates with their wealth of knowledge eagerly look forward to serving our people at the close of 'V'-day, 16 April 1978.
Theirs must surely be lives of great fulfillment in the service of their country. The University conferred the degree of Doctor of Laws, honoris causa, upon:

Don Alfonso Calalang, for his "sagacity and bold decisions as Governor of the Central Bank," restoring "public confidence in our country's financial system".
Mr. Jorge B. Vargas, for his distinguished career as public servant, civic leader, sportsman, philanthropist and keeper of the mysterious secret of youth.” As Chairman of the Philippine Executive Commission during the Japanese occupation, he “spared us from more grievous misfortune than befell us.”
Dr. Tomas S. Fonacier, for his “inspiring lifework as a scholar, academic leader, and a man of great practical wisdom and high spirits.” Serving the University of the Philippines for more than six decades he “helped shape (it) into the outstanding institution it is today.”
Pact between the Mind and the Plough

U.P. researchers hold a dialogue at grassroots level with their countryside brothers during a 4-day exchange held in Bicol, 17-21 April 1978.
Apposite or Irrelative?

In verdant U.P. at Los Baños, the annual Faculty Conference examines "The University's Goals and Curricular Programs", 18-20 May 1978. The restructuring of the University's curriculum committee and the restoration of the position of Student Regent were among some of the resolutions presented.
Writer-in-Exile?

N.V.M. Gonzalez, former faculty member of the University and noted fictionist now residing in the U.S.A., was writer-in-residence at the U.P. Writers Summer Workshop, 1978. Young writers from all over the country met with established writers and artists.
Mrs. Carmen J. Vda de Fonacier, widow of the late Bishop Santiago A. Fonacier, in a simple ceremony on 16 May 1978 donated P100,000.00 to the U.P. for a professorial chair in Filipino and Philippine languages in honour of his loving commitment to our national language.
INSTITUTION OF NEW PROGRAMS IN THE UNIVERSITY

The Board approved the institution of the following programs under the units herein indicated: UPLB Graduate School • Master of Professional Studies and Master of Professional Studies in Food and Nutrition Planning; School of Allied Medical Professions • Bachelor of Science in Speech Pathology; U.P. College Baguio • Certificate in Physical Education and B.S. Psychology (General or leading to Medicine); Institute of Health Sciences • Certificate in Community Health Nursing; U.P. College Ilolo • Bachelor of Science in Food Technology; U.P. College Tacloban • B.S. in Agriculture and B.S. in Development Communication; College of Engineering • Master of Engineering (Engineering Education); and College of Arts and Sciences (Diliman) • A.B. Humanities (Pre-Med) and A.B. Theater Arts.

EXTENSION OF THE GRANTS-IN-AID DURING THE SUMMER TERM

The Board approved the extension of the grants-in-aid during the summer term, with only tuition and other school fees as benefits, such that categories 1-10 (tuition fee discount from 10% to 100%) will remain unchanged while categories 11-44 will be entitled to 100% single fee discount, on condition that the grantees meet the academic requirement.

The Board, likewise, approved the exemption of the grants-in-aid, U.P. Government scholarship, and tuition-fee discount applicants from payment of the certification fee of P5.00; e.g., certification of academic standing, grades, good moral character, etc., since they are applying for financial assistance.

OTHER MATTERS CONSIDERED BY THE BOARD

The Board authorized the College of Arts and Sciences to conduct a review and staff development seminar on “Theories, Methods, Issues, Trends, and Related Concerns in Sociology” from 3 February to 30 June 1978, and to prepare the graduate Ph.D. and/or M.A. students for qualifying and/or comprehensive examinations in the Summer 1978 and to update the knowledge of the faculty in the field.

In this connection, the Board approved the change in title of "one-shot-lecturer" to guest lecturer, and authorized the College to pay guest lecturers in the seminar P250.00 each, for their lectures, review questions, and consultation.

The Board authorized the U.P. College Baguio to conduct a Drama Workshop during the Summer Session 1978, and to collect a fee of P30.00 per participant, Income shall accrue to a trust liability account.

The Board authorized the Department of Educational Administration of the College of Education to conduct the 1978 Superintendent Examination Review Course 2-31 May, and to collect a seminar fee of P500.00 per participant. Income shall accrue to a trust liability fund.

The Board authorized U.P. College Ilolo to conduct Workshops in Creative Arts, Floriculture for Hobbyists, Recreation for Physical Fitness, and Food Preservation Technique during the summer session 1978, and to charge the following fees from each participant: Creative Arts, P60.00; Floriculture, P80.00; Recreation, P30.00; and Food Preservation, P60.00. Income shall accrue to a trust liability account.

The Board authorized the Institute of Library Science to conduct a one-week summer institute on Information Science 8-12 May 1978, and to collect a registration fee of P250.00 per participant. Income shall accrue to a special trust account.

The Board authorized the College of Music to conduct a summer workshop on Movement and Elementary Dance Education to be conducted by Miss Heidi Weidlick of Bremen, Germany, and to collect a fee of P25.00 per participant. Income shall accrue to a trust liability account.

The Board authorized the Philippine General Hospital to credit income from fees collected by the unit for cobalt irradiation and electroencephalograph examination to a trust liability account against which shall be charged costs of supplies and materials and other necessary incidental expenses, including equipment and other facilities needed for the improvement of the quality of such services.

The Board authorized the College of Public Administration to conduct the following courses over the next three years, and to collect the corresponding fees, income thereof to accrue to a trust fund against which shall be charged expenses pertinent to these courses:
(a) Course A — Project Development and Management (7 weeks) Tentative schedule: 1978 (15 May — 30 June); 1979 and 1980 (16 April — 15 June) Fee per participant: P1,800.00
(b) Course B — Project Design and Development (3 weeks) Tentative schedule: October of each year Fee per participant: P800.00
(c) Course C — Managing Project Implementation (3 weeks) Tentative schedule: October of each year Fee per participant: P800.00

The above courses, which are full-time and non-residential, have been designed in response to the growing critical need for developing or upgrading the capacity of project managers and key line and staff personnel of social, economic and infrastructure projects in the country.

The Board authorized the Asian Institute of Tourism to enter into various agreements with utility companies (such as the Manila Electric Co. and the Philippine Long Distance Telephone Co.) for the speedy installation of utilities in the new AIT building. Authority, likewise, is granted to effect immediate payment of investments, usually in the form of Preferred Shares (instead of cash advance), which are all standard requirements of utility companies and sanctioned by the government.

The Board noted the comments of the Chief, Office of Institutional Studies, on the implication of Prof. Froilan Bacungan's appointment as Dean of the College of Law. The OIS Chief opined that Dean Bacungan should forego his current appointment as Director of the U.P. Law Center in view of the following provision of the Revised University Code: “Art. 80. The functions of the Dean or Director shall be to act as presiding officer of the faculty... No Dean or Director shall serve as academic head of any department or division in his college, school, or institute.” (Underlining supplied.)

The rationale for this Codal provision, according to the OIS Chief, is to forestall any possibility of a dean developing a special or unwarranted concern for the division or department he heads, over and above his concern for the other departments or divisions in his college. The U.P. Law Center is not only a department or division of the College of Law but a sub-unit thereof.

The Board, however, confirmed the President's position that Prof. Bacungan is Director of a non-academic unit, NOT "academic head of any department or division."
The Board noted the letter of Mr. Pedro M. Carbonell, II, of the Ceferino Padua Law Office, re a disciplinary case concerning Mario Rilles, appealing the decision of the U.P. President to the Board of Regents; in this connection, a draft reply, to be signed by the President for the Board of Regents and attested by the Secretary, was approved.

CONTRACTS AND AGREEMENTS

The Board confirmed the following memoranda of agreement at its 901st Meeting, 27 April 1978:

1. Educational Service Agreement with the United States of America Regarding Educational Instruction at U.P. College Clark Air Base

An educational service agreement was entered into between the United States of America and the University of the Philippines whereby the University shall provide instruction with standard offerings of courses available to the public and receive payment of services rendered in accordance with its schedule of tuition and fees applicable to the public and in effect at the time the services are performed.

The agreement stipulates that research projects hereinafter submitted by UPLB and subsequently approved by the PCRDF for funding shall take effect immediately upon approval and as soon as funds for the projects are remitted by PCRDF to UPLB, without the necessity of executing a memorandum of agreement but subject to standards and procedures and other terms and conditions of the agreement.

3. Memorandum of Agreement with the Division of Rizal Regarding a Training Program and Seminar/Workshop for Elementary School Teachers and Administrators

A memorandum of agreement was entered into between the Division of Rizal and the University whereby the College of Education shall undertake a month-long training program for 40 selected elementary school teachers in communication arts and mathematics and a three-day seminar/workshop for 40 school administrators, during the period 2 to 31 May 1978. The Division of Rizal shall pay the cost of the project in the amount of P28,039.00.

4. Memorandum of Agreement with the National Nutrition Council (NNC) Pertaining to a Project Entitled “Cultural Studies for Backyard Gardens”

A memorandum of agreement was entered into between the NNC and the UPLB whereby the College of Agriculture shall undertake the project entitled “Cultural Studies for Backyard Gardens” under an NNC grant amounting to P150,900.00. The contract is for one (1) year.

5. Memorandum of Agreement with the Livestock Development Council (LDC) Regarding Its Contribution to Help Defray Graduation Expenses

A memorandum of agreement was entered into between the LDC and the UPLB whereby the LDC binds itself to contribute P5,000.00 to help defray the graduation expenses of 100 participants in the school-on-the-air program, while UPLB agrees to reproduce the text of said program and provide LDC with 100 copies thereof.

6. Memorandum of Agreement with the Jose Palma Marcelo Scholarship Foundation, Inc. (JPMSFI) Regarding the Project “Evaluation of the Potential of BX Microbial Cultures for Crop Production”

A memorandum of agreement was entered into between the JPMSFI and the UPLB whereby the College of Agriculture shall undertake a research project on the “Evaluation of the Potential of BX Microbial Cultures for Crop Production” under a financial support from the JPMSFI in the amount of P205,600.00. The agreement is for three (3) years.

1. **THE COVER**

Napoleon Veloso Abueva is the man who shall cast the die in the College of Fine Arts for the next five years. (See centerfold for oathtaking picture.)

What a fitting recognition the University has accorded him!

So long as the Diliman campus shall green, his name shall shine.

For as the visitor passes through University Avenue, he sees the U.P. gate, hewn by Abueva as a tribute to higher learning.

President Onofre D. Corpuz mused during his speech on U.P.'s 70th anniversary: "It is as if our University had an inner life and willful soul of its own." Abueva, who has spent the best of his 47 years in this "center of uncluttered thought," seems to have lived this image through his wondrous creations on our campus and other national sites.

Abueva started his love affair with the University as a student of sculpture in the then School of Fine Arts where he obtained his BFA in 1953. After his master's degree from Cranbrook Academy of Arts, he joined the College of Fine Arts as instructor and rose to the rank of professor over the years.

The nation also recognized Abueva as National Artist for sculpture in 1976. For the stream of accolades, one might expect a distancia amiga between him and his fellowmen. But his serene face, quiet confidence and gracious manners set one at ease.

Abueva is married to Sergie, a practicing psychiatrist; they have a daughter, Amihan, and a son, Mulawin, who, a sculpture student, may yet succeed Abueva. What cheer and serenity must pervade the life of the Abuevas.

And what great benison for us that for Abueva, many years still stretch ahead in which he might, through those wondrous labors of his heart and hand, enrich us all.

ADMINISTRATIVE ORDER

Administrative Order No. 11: Constitution of a Search Committee for the Selection of the First Chancellor of the Health Sciences Center

The following shall constitute themselves into a Search Committee for the selection of the first Chancellor of the Health Sciences Center, with Secretary Clemente Gatmaitan as Chairman and Dean Raul P. De Guzman as Secretary: Dr. Pacquiao E. Marcos, Dr. Alfredo R. A. Bengzon, Dean Francisco Nemanzo, Jr., Dr. Andrea I. Reyes, Dr. Salvador R. Selojo, Professor Emeritus Julita V. Sotejo, and Dr. Victor C. Valenzuela, members.

As "the operationalization of the Office of the Chancellor" is, as aptly pointed out by the Health Sciences Center Project Implementation Team, "of the first moment, and deserving of prior attention," the appointment of a Chancellor must be the very first step in the implementation of the resolution of the U.P. Board of Regents, adopted at its 893rd meeting on 29 September 1977, establishing the Health Sciences Center as an autonomous member of the University of the Philippines System.

The Search Committee is requested to assist the U.P. President in selecting not later than 15 July 1978 at least three (3) but not more than five (5) suitable nominees for the Chancellorship.

The Search Committee may consider the criteria suggested by a "guidelines committee" embodied in the 2 May 1978 memorandum submitted to this Office by the Chairman of the Health Sciences Project Implementation Team, and such other criteria or guidelines as the Committee may deem appropriate.

To enable the Committee to discharge its function, the Vice-President for Academic Affairs, the Vice-President for Administration, and the Secretary of the University are hereby instructed and authorized to act accordingly, individually or jointly, to make available, or make arrangements for, such facilities, equipment, and personnel assistance as the Search Committee may need or request.

In line with Board policy, it is desirable that the deliberations of the Search Committee be held in the strictest confidence, even after the Committee shall have submitted its recommendations.

MEMORANDUM CIRCULARS

Memorandum Circular No. 8: Off-Campus Housing

A land developer is offering houses and lots at the North Fairview Park Subdivision located at Capitol Site, Quezon City, adjacent to the National Government Center. The subdivision has a total area of 800 hectares and is not very far from the Diliman campus of the University.

From 300 to 500 homesteads with a minimum area of 300 square meters each are available to qualified U.P. personnel. The developer is also in a position to arrange construction of bungalow-type houses on the lots, the floor areas of which would range from 55-60 sq. m. for a two-bedroom unit to 70-90 sq. m. for a three-bedroom unit. Package prices (house and lot) would range from approximately ₱84,000.00 to ₱109,000.00, assuming cash terms, with end-user financing to be provided by the Government Service Insurance System or the National Housing Authority, should appropriate arrangements be made.

The project site is already subdivided and land development is nearing completion. Housing construction could thus be accomplished within a relatively short time frame. Assuming full financial support, the developer hopes to deliver 50 housing units every month commencing on the third month from start of construction.

It is important to note that there should be at least 300 applicants for the project to qualify for GSIS or NHA financing; otherwise, the project cannot be pursued on a group basis.

Those who are interested are requested to accomplish the reply form and submit it to this Office not later than 30 June 1978.

Executive Vice-President

Memorandum Circular No. EVP-78-10: Off-Campus Housing

Please be informed that BSEg University personnel have signified interest in the proposed housing project at the North Fairview Park Subdivision at Capitol Site, Quezon City.

Inasmuch as we anticipate that the minimum requirement of 300 applicants to qualify for GSIS and NHA financing under mass housing will eventually be met, we are now making representations with the developer for the reservation of a specific area exclusively for University personnel, in their subdivision. At the same time, we have had preliminary discussions with NHA and GSIS authorities on

June-July 1978
Further details on the on-going negotiations with parties concerned regarding this housing project will be relayed as they become available.

Memorandum Circular No. 11: Celebration of the 70th Anniversary of the University

In observance of the 70th anniversary of the University, there will be a simple ceremony to be held in front of Quezon Hall at 7:30 a.m. on 29 June 1978, eleven days after the actual date of the foundation of the University (18 June).

After the flag-raising, Dr. Juan L. Manuel, Minister of Education and Culture and Chairman of the U.P. Board of Regents; Dr. Onofre D. Corpuz, President of the University; and Ms. Diwata Reyes, editor of the Philippine Collegian, will deliver short speeches.

I personally urge you to join us in this simple commemoration of the University's 70th Anniversary. Should it rain, we shall weather it. Come prepared.

Memorandum No. 30: Programme for the Reception for New Faculty Members

Enclosed is a copy of the programme for the welcome reception for the new members of our faculty on Thursday, 29 June, 8:30 a.m., Executive House. Please note that a part of the program is the introduction of the new faculty members to the U.P. President by their respective deans.

We have sent you earlier the President’s invitation for the new members of your faculty. We trust that you will personally be there with them.

Memorandum Circular OSU-15 (78)

Unit Correspondents for U.P. Diliman Wall News and U.P. Perspectives

To Secure Cooperation by Gentle Reminder or Dire Threat

This is to follow up M.C. OSU-11 on the U.P. Newsletter (now called Diliman Wall News) and U.P. Perspectives. We cannot improve these publications — and serve you well — if you’re chary of extending to us little, very little bits, of help.

Please be reminded: every week (soon!) we shall come out with the U.P. Diliman Wall News. This will consist essentially of news briefs (no ambiguity intended) — and only if you make it possible — a weekly calendar of events which may enrich the quality of our mortal coils. The Diliman Wall News will be posted on appropriate strategic walls (within the College and such places as waiting sheds) to make these walls blank spaces look intelligent.

May we then request the Dean or Director to assign someone in your administrative staff to receive copies of Diliman Wall News and to post them, please, at appropriate places noted for their reading crowds? This is the first little bit of help we are asking from you.

Every month also (soon!) we shall come out with the U.P. Perspectives. This will consist essentially of in-depth reports on significant events, policies and programs, essays, features, letters to the editor, etc.

Both the Diliman Wall News and the U.P. Perspectives will now take the place of the original U.P. Newsletter.

Now, here are the second little bits of help we are asking from you (which will not harm your budget):

1) Please assign someone in your college, department, or office — as the case may be — really someone who will regularly get information on events/activities concerning your college, department, or office, and send this information regularly to our Information and Publications Office either in writing or even only by phone (tel. 961572 or 986780, or loc. 223, 259, 301, or 222): really courageously get through the telephone line.

Alas! and Woe! Since our memo last 21 April, only our College of Law and our Law Center have informed us, in a beautiful letter the following day, that Miss Dalisay Sta. Ines will always keep us informed about all matters lawful and newsworthy.

2) Please also encourage members of your staff to submit articles to the U.P. Perspectives — maski na letters lang to the editor — and to suggest in writing via telephone ways of improving or enriching the U.P. Perspectives and Diliman Wall News.

And now, dear friends, do please be threatened: unless someone — some definite person — in your college, department, or office feeds us information, there may be no news about your activities or the news will be inadequate, and we shall go hungry. As you know, we do not have enough people to cover all colleges, departments, and offices of the University.

The Diliman Wall News and U.P. Perspectives will soon serve you. We’re coming! — so please don’t hang loose.

Secretary of the University

Memorandum Story OSU-16 (78): One Day in the Life of Miss Metapat, a Telephone Operator

To Show Why a Telephone May Ring Forever and Yet be Dead

Mr. Veri Sore is a member of the prestigious University of the Philippines in the prestigious Republic of Diliman. All his actions, words, and especially time are important. Everything, animate or inanimate, man or machine, should bow to his every wish. Every service unit, including the telephone system, of the Diliman Republic, must serve him immediately, efficiently, effectively, courteously, etc. Yes, Sir! That is how important Mr. Sore is.

Mr. Sore lives of course in a first-class suburban village. His house (palace to us) is equipped with modern necessities and conveniences (luxuries to us) including a PLOT telephone. Every now and then he calls his office or associates in the Diliman Republic from his house.

One day, after getting up from a mid-afternoon siesta, he prepared to call his office. He lifted the handset of his PLOT receiver and listened for the PLOT dial tone. Then he dialed 97-6~61. While in the act of dialing, his telephone receiver was sending impulses to the PLOT exchange or central. These impulses activated some switches, relays, selectors, connectors, and what have you. Since one of the PLOT trunk lines going to the U.P. exchange was not busy at the time, a device at the PLOT central obediently sent ring-back tones to Mr. Sore. At the same time, the device at the PLOT central was also sending impulses to the U.P. exchange through the trunk line to activate or light a particular bulb on the U.P. switchboard. Unfortunately, there was a break somewhere between the PLOT device and the U.P. switchboard, and so, there was no light on the U.P. switchboard, although the ring-back tones were being received by Mr. Sore.

Having just awakened from a pleasant dream, the patience of Mr. Sore was sorely tried. He banged his handset onto its cradle and imagined a villainous U.P. operator: “That operator is sleeping on his job. The U.P. telephone is ringing, I can hear it! Tomorrow morning, I will report her to the authorities in the Diliman
FORM OF REQUESTS, APPROPRIATE OR INEFFECTIVE

To Bridge Communication Gaps and Attract Academic Bliss

May we suggest that you adopt the format below for any request you send to Quezon Hall.

1. The opening paragraph of your letter, indorsement, other attachments, etc.

APPPOINTMENTS, REAPPOINTMENTS, RENEWALS OF APPOINTMENT, PROMOTIONS, INCREASES IN SALARY, etc.

The Board approved the following appointments, reappointments, etc.:

Agricultural Development and Administration, Institute of

- Donato B. Antiporta, additional assignment as SEARCA Assistant Professor of Agricultural Economics, effective 1 June 1978 until 31 May 1979.

- Teodosio A. Lansang, appointment as Professorial Lecturer in Filipino and Russian, effective 13 June 1978 until 31 May 1979.

Republic. What a poor operator!

But the poor operator, faithful to her job, answered all trunks which lighted. Every now and then, she also checks the unlighted trunks. When in doubt about the condition of the trunk and/or its bulb, she calls the U.P. technician on duty who makes a thorough test. If the trouble is at the U.P. end of the trunk, repair is immediately done; on the other hand, if the trouble is outside the U.P. Central, a report is immediately made to the PLDT Central. Based on experience, troubles within the PLDT Central are also immediately repaired, but outside plant repair work usually takes a longer time.

For the normalization of the blood pressure of Mr. Veri Sore, this story is issued. Any coincidence with fact is purely intentional.

Antonio C. Silverio as Assistant Professor I of Education, College of Education, effective 1 June 1978.
Ceelita V. Tomas as Assistant Professor III of Physiology, College of Medicine, effective 1 June 1978.

SCHOLARSHIPS, FELLOWSHIPS, GRANTS AND GIFTS
The Board approved the release of P30,000.00 to the Population Institute from the earnings of the Population Institute Endowment Fund with the U.P. Investment Portfolio, amounting to a total of P162,668.96 as of 23 May 1978, for the support of the fellowship program of the Institute for the coming school year.

The Board approved the amendment to scholarship grants (approved by the Board at its 895th Meeting, 29 November 1977) for the Institute of Health Sciences students, as follows:

<table>

</tbody>
</table>

The scholarship allowances based on 1976 and early 1977 prices are not sufficient to cover living and other expenses of students. Uniform expenses fluctuate from year to year, from program to program; e.g., Barangay Health Worker students need less uniform allowances than Community Health Worker or Community Health Nursing students.

The Board approved the updated Guidelines in the Recruitment of U.P. Institute of Health Sciences (IHS) Scholars.

PROFESSORIAL CHAIR ENDOWMENT
The Board accepted a donation of P12,000.00 (RB Check No. C46981) from the U.P. Alumni Annual Fund, through the Office of Alumni Relations, for the establishment of two (2) professorial chairs, each with an honorarium of P6,000.00 per annum, for the Division of Social Sciences in the College of Arts and Sciences (Diliman).
The Board accepted a check in the amount of P30,000.00 (Far East Bank and Trust Company Check No. FE 294857) from Mrs. Victoria B. Castro, by her contribution for the Malquides M. Castro Professorial Chair in Educational Administration in the College of Education.

* * *

The Board accepted the amount of P,000.00 (Filman Bank Check No. 179210 deposited with the University under Account Code 96123200-401) representing the initial remittance of the U.P. Endowment Foundation, Inc., to support the following chairs (established by the Board at its 899th Meeting, March 30, 1978) in the College of Arts and Sciences (Diliman) for the academic year 1978-1979: (a) Manuel Roxas Chair in Political Science at P12,000.00 per annum; (b) Profesorial Chair in Anthropology at P6,000.00 per annum; and (c) Professorial Chair in Sociology at P6,000.00 per annum.

The Board, likewise, approved the following guidelines to govern the selection of nominees (faculty members of the University) to the Alfonso Calulang Professorial Chair in Political Economy (established by the Board at its 899th Meeting, March 30, 1978):

1. The faculty member shall preferably be an associate professor;
2. The faculty member has a graduate degree, preferably a doctorate in Political Economy, or has published books or journal articles requiring or showing competence in both politics and economics; and
3. The faculty member will teach at least one course each year for the duration of the chair, in either Political Science or Economics or Business Economics; such a course should be oriented to public policy and the analyses should involve political and economic issues.

**AMENDMENTS TO THE SCHEDULE OF HONORARIA AND GUIDELINES FOR THESIS ADVISING**

The Board approved the following amendments to the schedule of honoraria and guidelines for thesis advising (approved by the Board at its 880th Meeting, 23 December 1976) as follows (words in bold prints to be added; words in brackets to be deleted):

Schedule of Faculty Honoraria and Guidelines for Graduate and Undergraduate Theses/Special Problems [Thesis] Advising

B. Guidelines

1. Scope. - The schedule of faculty honoraria and guidelines prescribed herein shall apply to graduate and undergraduate thesis[special problems [thesis advising] (this term to be construed as inclusive of service as chairman of the panel, adviser, reader, and panel member) under any of the following categories and instances only:
   a. doctoral program;
   b. masteral program where a formal thesis or special problem (as distinguished from [special problem] term paper or any other similar paper) is prescribed; and
   c. baccalaureate program where a formal thesis or undergraduate thesis or special problem (as distinguished from [special problem] term paper or any other similar paper) is prescribed, regardless of whether the thesis or special problem is to be defended in an oral examination or not.

2. Size of Panel - Membership in a panel shall not be less than the minimum or more than the maximum prescribed below, in any case inclusive of the adviser and the reader:
   a. Doctoral panel - not more than seven but not less than five;
   b. Masteral panel - not more than five but not less than three;
   c. Baccalaureate panel - not more nor less than three, i.e., where the thesis has to be defended in an oral examination.

3. Honoraria of Panel Chairman, Adviser, and Reader - [If the chairman of a doctoral program also serves as a member of the panel, he shall be paid the corresponding honorarium of panel member instead of the honorarium for chairman.] The chairman of the panel shall receive P200.00; a panel member, P150.00. The adviser is entitled to the honorarium for adviser only; as a corollary, if the reader also serves as a member of the panel, he shall be paid the corresponding honorarium for reader only.

4. Budgetary Allotments - Within the limits set in B, 2 and 3 above, the various degree programs may be allowed flexibility in determining the number of panel members in a panel; provided, that the total allotment per panel, inclusive of chairman of the panel, adviser, reader, and panel members, shall not exceed as follows:
   a. Doctoral panel - P2,250.00
   b. Masteral panel - 875.00
   c. Baccalaureate panel - 200.00

5. Payment of Honoraria - In addition to the foregoing guidelines, payment of honoraria for graduate and undergraduate theses[special problems [thesis advising] (as defined in B, 1 above) shall be subject to the following rules and procedures:
   a. The rates of honoraria prescribed in A above shall be understood as rates per dissertation/thesis/special problem.
   b. The corresponding honoraria for the [chairman] adviser and reader may be paid only upon completion of the dissertation/thesis/special problem; provided, that the dissertation/thesis/special problem shall be deemed completed for purposes of payment of honoraria by the time the entire manuscript has been accepted by the Dean of the unit where the student is enrolled upon favorable endorsement by the adviser, the reader, and the department chairman, and by the time the student has submitted to the Dean seven or five or two unbound copies of his doctoral dissertation, or masteral thesis/special problem, or baccalaureate thesis/special problem, as the case may be, both conditions satisfied; provided, further, that a baccalaureate thesis/special problem is to be defended in an oral examination, three unbound copies thereof shall be submitted; provided, finally, that the chairman of the panel and the panel members (as distinguished from [the chairman] the adviser, and the reader) in an oral examination may be paid their honoraria only after the oral examination, subject to a certification of attendance issued by the adviser.
   c. A certification of acceptance of dissertation/thesis/special problem issued by the Dean of the unit where the student is enrolled shall be required for purposes of payment of honoraria of the [chairman] adviser, and reader.

- K to Grade 6: P30.00 per semester
- Grades 7 to 8: P35.00 per semester

The Board, likewise, approved the waiver of the payment of tuition fee in the case of American Field Scholars who seek enrollment in the U.P. Integrated School. Filipino students, particularly from UPIS, sent to the United States under the same program have been given the same privilege.

ESTABLISHMENT OF THE COLLEGE OF DEVELOPMENT ECONOMICS AND MANAGEMENT

The Board approved the establishment of a College of Development Economics and Management in the U.P. at Los Banos. Its organization is still to be worked out.

INSTITUTION OF A POLICY STUDIES PROGRAM IN THE COLLEGE OF PUBLIC ADMINISTRATION

The Board approved the institution of a Policy Studies Program in the College of Public Administration, effective 1 September 1977.

Implementing Guidelines:
1. Appropriation (as a basis for expenditure of funds and as distinguished from acceptance of funds or donations) of funds for the Policy Studies Program contributed or donated by other agencies, public or private, local or foreign, shall be approved by the Board of Regents or the President, as the case may be, consistent with the authority to approve special budgets delegated to the President by the Board at its 882nd meeting on June 28, 1975. Similarly, acceptance of funds or donations by the President and/or the Board of Regents shall not necessarily constitute appropriation thereof.

2. The program of activities with regard to curricular development shall be regarded as merely descriptive or indicative of possible directions that the College of Public Administration may pursue.
Revision/abolition of existing courses (as distinguished from degree programs) and institution of new ones in the College, as elsewhere in the University, therefore, shall be undertaken in accordance with existing University policies and procedures, subject to final approval by the President, as per authority delegated to him by the Board of Regents in February 1973. Approval of this proposal, in other words, does not constitute approval likewise of the proposed curricular changes indicated in the program of activities.

3. Consistent with University policy as enunciated by the Board of Regents, the College of Public Administration shall coordinate and cooperate with other units concerned in degree/course offerings and related activities, particularly in the areas of infrastructure development, urban and regional development, housing and human settlements, as well as education, health care, welfare, and agricultural development. Unnecessary duplication of objectives and activities shall be avoided.

4. Requests for financial assistance from any agency, public or private, outside the University, as well as for any form of assistance from foreign agencies or institutions shall be channeled to the President of the University.

5. For purposes of such activities of the Policy Studies Program scheduled up to December 31, 1978 as cannot be supported by the Ford Foundation grant already received, the Dean of the College of Public Administration is hereby authorized to assign such savings in the 1978 budget of the College as he may determine, subject to prior clearance with the Budget Director of the University.

6. The President may approve the appointment of the first Director retroactively, but not earlier than September 1, 1977, and determine the reckoning of the first term of the first Director as he may deem appropriate, notwithstanding the three-year term stipulated in the proposal.

CREATION OF THE OFFICE OF RESEARCH AND THE OFFICE OF COMMUNITY AND EXTENSION SERVICES IN THE COLLEGE OF HOME ECONOMICS

The Board approved the creation of the Office of Research and the Office of Community and Extension Services in the College of Home Economics, with their respective functions indicated hereinbelow:

OFFICE OF RESEARCH

A. Research Policies and Priorities
1. Implements research policies for the College in collaboration with the College Advisory Committee.
2. Formulates research directions and priorities for the College in consultation with the College Advisory Committee.

B. Research Planning
1. Initiates plans/designs college-wide research projects.
2. Formulates mechanisms/criteria for evaluating projects for purposes of incorporation into college-wide projects/programs.
3. Screens research projects prior to submission to funding agencies.
4. Prepares the budget for college research.

C. Research Implementation and Coordination
1. Coordinates research projects in the College, including the use of research facilities.
2. Assists individual faculty members in preparing project proposals and seeking financial support from funding agencies.
3. Promotes research collaboration with other University units and outside agencies.
4. Makes regular progress reports to the College.
5. Conducts regular activities for the dissemination of researches.

OFFICE OF COMMUNITY AND EXTENSION SERVICES (CES)

1. In consultation with the College Advisory Committee, formulates the College's thrust, priorities, and plans in the area of community and extension services.
2. Implements policies, plans and programs as approved by the College Advisory Committee.

7. Promotes community and extension service activities of the College in collaboration with other University units and outside agencies.

ADOPTION OF POLICIES REGARDING ADMISSION OF PATIENTS AND PAYMENT OF HOSPITAL AND PROFESSIONAL FEES IN THE UPLB HEALTH SERVICE

The Board approved the adoption of policies regarding admission of patients and payment of hospital and professional fees in the UPLB Health Service, as follows:

1. Patients who are not constituents of the University should be admitted to the UPLB Health Service only if it will not prejudice the University constituents. (While the main clientele of the UPLB Health Service consists of students and employees, there are instances when public service requires the admission of patients who are not University constituents.)
2. The hospital fee should be made an income of the UPLB.
3. The Professional fee should be distributed in accordance with the same rules for Medicare patients paid by Medicare patients among the medical staff, the other fifty percent being converted into the non-medical staff common fund. Specifically, the Medicare resolution reads as follows:
   "Fifty (50%) per cent of the professional fees paid by Medicare patients attending to the full-time medical staff of the hospital, including the part-time consultant, shall be converted into the medical staff common fund which shall be divided equally among members thereof, including the chief of the hospital; and fifty (50%) per cent of the professional fees of Medicare patients shall be converted into the non-medical staff common fund which shall be divided equally among the members, to be held in trust and managed by the hospital director and its members."

EXPANSION OF THE COMPOSITION OF THE LAW RESEARCH COUNCIL

The Board approved the expansion of the composition of the Law Research Council to include two (2) additional members, one from the faculty of the College of Law and the other from among the academic personnel of the Law Center.

As approved by the Board at its 789th Meeting, 25 November 1969, the composition of the Council is as follows: Dean, College of Law; Chairman; Director, Law Center; Vice-Chairman and Executive Director; Head, Division of Research and Law Reform, Law Center; ex officio Member; and one faculty member of the College of Law, one senior member of the research staff of the Law Center, and three senior faculty members representing various fields in the social sciences, as Members.

OTHER MATTERS CONSIDERED BY THE BOARD

The Board authorized the Asian Institute of Tourism to conduct jointly with the Law Center a seminar on “Laws Relevant to the Tourism Industry” from 8 to 12 May 1978, and to collect a fee of P500.00 per participant. Income from fees shall accrue to a trust liability account against which shall be charged expenses in connection with the seminar, including honoraria for lecturers at P200.00 each per hour. This is with the proviso that of the P500.00 participant’s fee, the amount of P65.00 shall be remitted to the Law Center.

The Board authorized the Law Center to conduct a short course on “Restatement of the Law: Principles and Trends” from 6 September to 7 December 1978, and an “Institute on Trial Techniques,” and to collect a registration fee of P350.00 and P100.00 per participant, respectively.

The Board noted the following status reports on the U.P. Investment Portfolio: (a) Report from the Philippine National Bank on the Status of Securities and Income for the period 13 March to 30 June 1978; and (b) Consolidated Financial Statements for the quarter ending 30 June 1978, prepared by the U.P. Accounting Division.

On the PNB Placements totalling P11,072,480.00, Professor Filomena M. Cantoria, Consultant to the Finance Committee, reported that the University earned P222,451.00 or 9% of average funds. Low profitability was due to the continued investment in money market instruments, despite University instructions to seek higher-yielding term securities.

The Board appointed Prof. Filomena M. Cantoria as interim Manager of the U.P. Investment Portfolio, and authorized the President to approve all matters pertinent to the management of the Portfolio.

The Board commuted the penalty of expulsion meted out on 11 May 1976 to Reynaldo M. Blanco and Francisco F. Tinio, Jr., for serious deception in relation to their studies to suspension for a period of two (2) years, effective June 1976, provided the said students write and sign individual statements in which they undertake not to re-enroll in any unit of the University System.

The Board granted cumulative leave status to Dr. Carmen C. Velasquez, Professor of Zoology, for the years 1970 to 1978, on account of her research projects funded by the National Research Council of the Philippines.

The Board approved the recommendation of the University Legal Counsel that the petition of Mario Rilles for reconsideration be denied and that, pending final decision on the charge, he be allowed to enroll in the University.

The Board approved the following guidelines regarding the Bar Review Institute in the College of Law:

1. The College of Law shall formally be in charge of the Bar Review Institute but, as in activities of the College such as those of the Office of Legal Aid, Philippines Law Journal, and Law Library, the Law Center shall continue to give its assistance (particularly administrative and clerical) to the Bar Review Institute.
2. Earnest efforts shall be exerted to have the faculty members of the College of Law be the bar reviewers. If for some reason or another they cannot be the bar reviewers, then only the best from the other law schools shall be invited to be the bar reviewers.
3. Special attention shall be given by the Bar Review Institute to U.P. graduates who are preparing for the bar examinations. In addition to the automatic priority that they shall enjoy regarding their enrollment in the Bar Review Institute, they shall also have these services:
   a. faculty members of the College shall be requested to make themselves available to U.P. graduates who seek their advice on the bar examinations;
   b. requested materials on recent developments in law and jurisprudence shall also be produced and made available to U.P. graduates;
   c. the students in the College shall be encouraged to undertake so-called “bar operations” which have for their purpose giving assistance to U.P. graduates preparing for the bar.
4. The Bar Review Institute shall be self-financing. Should its receipts (fees collected) be in excess of expenses (fees for bar reviewers, honoraria for staff, cost of reproducing review materials), the excess shall be utilized by the College to further strengthen its resources to undertake the bar review.

The Board noted the following:

1. Recommendation of the Search Committee for the selection of the first Chancellor of the Health Sciences Center;
2. Certificate of Registration of the U.P. Foundation, Inc., by the Securities and Exchange Commission;
3. Letter to the President, dated 14 July 1978, from Prof. Leopoldo Y. Yabes, Professor Emeritus of Literature and Philippine Studies, transmitting the view expressed by the Academic Vice-President of De La Salle University concerning Prof. Yabes’ proposal for the adoption of the trimester system in the University.

A memorandum of agreement was entered into between the EDPITAF and the University whereby the latter allocates a site on campus upon which the EDPITAF shall construct a building for the joint purposes of the EDPITAF and the U.P. Science Education Center (SEC). The EDPITAF shall bear the cost of construction and relocation of University personnel, giving the University the sum of P1,200,000.00. The EDPITAF shall likewise grant SEC, rent-free, office, conference, and storage space; the latter, however, shall bear its own electricity, water and security charges.

The EDPITAF shall own and manage the building for the next ten (10) years, following the signing of the agreement on 31 May 1978, after which ownership and management shall automatically pass to the University.

### 2. Memorandum of Agreement with the Philippine Coconut Research and Development Foundation, Inc. (PCRDF), Regarding Implementation of the Project Entitled “The Establishment of a Makepuno Culture Laboratory and Nursery for Mass Production”

A memorandum of agreement was entered into between the PCRDF and the UPLB whereby the PCRDF shall finance the project from grants-in-aid for developmental projects. The UPLB may make necessary adjustments in the project schedules and/or budget, provided these shall not exceed the total budget originally approved. The results of the project, including patents, shall be the joint property of the PCRDF and the UPLB. The project is for five (5) years.

### 3. Confirmation of an Amendment to the Agreement with the Overseas Agricultural Development Corporation Regarding Logging Operations in Basilan

The Board confirmed the following amendment to the agreement between the Overseas Agricultural Development Corporation and the University regarding operations in the rubber plantation in Basilan: provided, that the CONTRACTOR guarantees that at the end of 31 March 1979, portions that are not completely cleared of all standing trees and debris shall bear liquidated damages at the rate of P100.00 per hectare per day for a period of thirty (30) days. If after the 30-day period the entire area has not been cleared, the AGREEMENT shall be deemed rescinded and the CONTRACTOR’S surety bond forfeited to the University.

### 4. Memorandum of Agreement with the Department of Natural Resources (DNR) Pertaining to “Masaganang Kagubatan” Program

The DNR and the UPLB shall share the financial requirements of the project which is in support of the Program for Forest Ecosystem Management (PROFEM) developed under LOI NO. 423.

### 5. Memorandum of Agreement with the Bureau of Animal Industry (BAI) Providing for the Establishment of UPCT-BAI Forage Nursery Station in Tacloban City

The project shall be for a period of five (5) years, the U.P. College Tacloban making available a two-hectare area and the BAI providing financial and technical assistance.

### 6. Memorandum of Agreement with the Bureau of Animal Industry (BAI) Providing for the Establishment of the BAI-UP Tacloban Dairy Project

The UPCT shall provide a 50-hectare area for the dairy farm and processing plant which shall be operated and maintained by the BAI. The BAI shall give technical assistance on dairy livestock production and milk technology for instructional and research purposes. This contract shall remain in force for fifty (50) years, subject to extension.

**THE COVER**

The Transport Training Center (TTC) was quietly inaugurated on 1 September 1978 by Shin Saku Hogen, President of the Japanese International Cooperation Agency (JICA), the Honorable Baltazar Aquino, Minister of Public Highways, and the Honorable Alfredo Juinio, Dean of the College of Engineering and Minister of Public Works and Communication.

Decree by LOI 428 on 12 June 1976, the TTC functions under the umbrella of the National Engineering Center. Governed by a five-man steering committee, members of which come from the Ministries of Public Highways, Public Works and Communication, the National Economic Development Authority, the Constabulary Highway Patrol, and the University of the Philippines System, the Center manifests U.P.’s commitment to government programs.

Seminar training courses of 24 weeks duration for government employees directly concerned with traffic control and for planning agencies like the Metro Manila Commission, were begun on 5 June 1978. There are presently three courses: traffic planning, a total or systems approach; traffic engineering, which deals with flow theories applied to analysis and design of roads; and traffic management.

Collaboration with the College of Engineering to credit units earned at the TTC for engineering postgraduate courses is being planned. Extension services of the Center will include setting up and monitoring of computerized traffic signals along main arteries of Metropolitan Manila.

The TTC has been a joint undertaking of the Japanese International Cooperation Agency (JICA) and the U.P., with an impressive donation of equipment from JICA which includes the already visible traffic signal systems around the Diliman campus (see centerfold). Under a four-year program, Japanese experts compose part of the staff at the TTC to ensure thorough transfer of technology and oversee the training of TTC staff.

ADMINISTRATIVE ORDER

Administrative Order No. 13: Creation of an Inventory Team to take stock of the Collection donated by the Jorge B. Vargas Foundation, Inc.

The following are hereby constituted into an Inventory Team, effective 1 September 1978, with Mr. Mauro Garcia as Chairman, to make a complete inventory of all the items appearing in Annexes "A", "B", "C" and "D", attached to and made integral parts of the Deed of Donation executed between the Jorge B. Vargas Filipiniana Foundation, Inc., and the University of the Philippines System on 1 March 1978: Mr. Ricardo Galvez, Mrs. Yolanda Granda, and Mr. Leopoldo Imbang. The end product of the inventory should be in the form of separate listings of items corresponding to the Annexes (A through D) referred to in the Deed of Donation. Each item listed should be described properly, following standard techniques of inventory.

The Chairman shall see to it that the inventory is completed and the final report, signed by all the members, submitted on or before 30 September 1978.

It shall be understood that items inventoried, including records thereof, may be inspected by the Office of the Auditor of the University as may be determined by the head thereof.

MEMORANDUM CIRCULARS

Memorandum Circular No. 15: Additional Guidelines on the 15-day Rural Service Pursuant to LOI 559

In accordance with the Memorandum Circular from the Executive Director, Paglilingkod: Bagong Lipunan National Secretariat, dated 16 June 1978, and a directive from the same office, dated 10 August 1978, the following are hereby prescribed:

1. For newly appointed officials and employees, only those who have completed one (1) year of service in the government are required to render the 15-day rural service pursuant to LOI 559.

2. In order to facilitate submission of rural service reports to the national Secretariat, all officials or employees who have rendered rural service work should submit their respective report of completion of Rural Service to the appropriate Personnel Offices not later than Thursday, 20 September 1978. Those who would still render rural service are likewise enjoined to submit certification of such completion not later than five (5) days after the last day of the rural service period.

In accordance with a Memorandum, dated 8 June 1978, of the Chairman, Sub-Cabinet Committee, Paglilingkod: Bagong Lipunan clarifying LOI No. 623, granting exemption from rural service of barangay officials, only local government officials and employees of Metro Manila holding such positions are contemplated. Officials and employees of the University who are barangay officials, therefore, are not exempted from rural service. For this purpose, per arrangement with the National Secretariat, Paglilingkod: Bagong Lipunan, they are hereby given until 31 December 1978, to render their rural service.

Please be guided accordingly.

Memorandum Circular No. 12: September Music Festival

As you know, our College of Music is holding a Music Festival all of September as its contribution to the celebration of U.P.'s 70th anniversary.

This Festival consists of ten (10) major musical events expressing man's ideals and aspirations. There are various musical forms in this Festival from the simplest or "unsophisticated" to the most complex, from the profane to the sacred. Some are traditional rituals from minority nationalities, others from the rich Chinese, Indian, and Indonesian musical heritage. Western symphonic and chamber music and opera, contemporary Filipino popular music, and experimental music also enrich the Festival.

We are therefore inviting the University community to celebrate with us, at this Festival, the University's commitment to the enduring spirit of Man in all those musical forms which he has created.

Memorandum Circular No. 18: Attendance in Agency Crash Program in Master in Public and Business Management

Quoted hereunder is Memorandum Circular No. 1074 from the Office of the President of the Philippines on the above subject for your information and guidance.

"MEMORANDUM CIRCULAR NO. 1074
"To: All Heads of Departments and Agencies
"AUTHORIZING ATTENDANCE IN AGENCY CRASH PROGRAM IN MASTER IN PUBLIC AND BUSINESS MANAGEMENT PURSUANT TO LOI 468, LOI 382 AND LOI 396, BEGINNING SEPTEMBER 1978.

"La Salle University, in collaboration with the University of the Philippines and the Civil Service Commission, and approved by the Ministry of Education and Culture will start conducting a practical crash program for a Master Degree in Public and Business Management starting September 1978, for graduates of Junior Executive Training, Supervisory Training for Effective Administrative Management, Career Executive Service Development Program, and AFP Officers Senior Training Programs.

"The MPBM Course aims to enhance the managerial capability of government officials, develop them for higher responsibility and prepare them for better opportunities after retirement so that they will not become burdens to the government and society.

"The course will be conducted for a period of one and a half (1 1/2) years, at least eight (8) hours per week, for a fee of three thousand pesos (P3,000.00) per participant, the amount to be advanced by the agency concerned and which may be deducted later through monthly deductions from the salary of the participant. In case the participant is prevented by circumstances beyond his control from refunding the said fee thru monthly deduction, the same may be taken from his retirement pay or from any other money due him in the course of his employment. A participant who continually maintains high scholastic record shall not be required to refund the money advanced by the agency as a form of recognition for his exemplary academic performance.

"The MPBM Course gives accreditation to JET, STREAM, CESO, CGSC and NDCF graduates.

"The agency concerned shall provide physical facilities like training room, chairs, tables and blackboards, and subject to availability..."
of funds, provide merienda for participants.

"Participants shall be required to render service in any branch of the government for a period of at least two (2) years for every academic year of scholarship enjoyed by him under this Circular.

"At no instance during the course shall the participants be entitled to collect overtime pay for the time spent while in class attendance.

Memorandum Circular No. 20: Extension of the Rural Service Year to 31 December 1978

Quoted hereunder is a memorandum of the Paguling Nido: Bagong Lipunan National Secretariat, dated 23 August 1978, for your information and guidance:

"To: All Government Agencies/Offices, Including Government-Owned and Controlled Corporations

Subject: Extension of the Rural Service Year to 31 December 1978

"1. In view of the suspension of rural service schedules resulting from the recently concluded referendum, registration of voters and the election, most government agencies/offices were not able to field their employees for their scheduled rural service under LOI 559.

"2. In order to accommodate these employees and for them to comply with requirements, all government agencies/offices including government-owned and controlled corporations, are hereby authorized to field them for rural service until 31 December 1978. They will only be credited for compliance with LOI 559 for the first rural service year and not for the second rural service year which will start 16 September 1978 to 15 September 1979.

"3. All agencies/offices, including government-owned and controlled corporations, are requested to submit a separate report of their employees accommodated under this extension (16 September to 31 December 1978) not later than 30 September 1978, for record purposes.

Memorandum Circular OSU-22 (78): Submission of Copy of Government Contracts and Supporting Documents, Including Letter/Purchase Orders, to the Commission on Audit

Please be enlightened and guided by the Circular within this Circular. While the date is 1976, beware: it has teeth.

15 July 1976

"COMMISSION ON AUDIT CIRCULAR NO. 76-34

"It has been observed that in most Auditing Units of the Commission on Audit the files of consummated contracts are incomplete. Likewise, there have been requests for payment for work already accomplished although the contract itself, which is the basis of payment, had just been submitted to the Auditor, thus allowing him no time to scrutinize the provisions thereof minutely and to act on the claim within 24 hours. Obviously, there is no definite deadline provided for submission of contracts executed upon which payments are based. This gives rise to delay in such payment. Accordingly, in order that vouchers relating to government contracts may be acted upon with dispatch, the following procedures are hereby prescribed for the guidance of all concerned:

"1. Contracts:

"a. Within five (5) days from the execution of a contract by the government or any of its subdivisions, agencies or instrumentalities, including government-owned or controlled corporations, for a public works project of major repair, improvement or construction, as well as those for public service and/or the furnishing of supplies, materials and equipment, a copy of said contract and each of all the documents forming part thereof by references or incorporation, if any such as the Advertisement for Bids, Instructions to Bidders, Abstract of Bids, Award, General Conditions, Specifications, Proposal and Contract Book, Certificate of Availability of Funds, etc. shall be furnished the unit or agency auditor irrespective of amount. The Regional Director shall also be furnished a copy if the amount involved is more than P50,000.00 but less than P100,000.00, aside from the unit or agency auditor the Commission proper shall also be furnished a copy of the contract. This procedure also applies to supplementary agreements, change orders and extra work orders.

"b. Within five (5) days from receipt, the unit or agency Auditor, the Regional Director or the Commission on Audit, as the case may be, shall call the immediate attention of management regarding defects and/or deficiencies of the contract and suggest such corrective measures as are appropriate and warranted to facilitate the processing of the claim upon presentation.

"2. Letter/Purchase Orders:

"A copy of any letter/purchase order, irrespective of amount, and each of every supporting documents, shall, within five (5) days from issuance thereof, be submitted to the unit or agency Auditor concerned, who shall, likewise, within a period of five (5) days from receipt point out to management defects and/or deficiencies thereof. In case of doubt as to the reasonableness of the price of the items purchased, the unit or agency Auditor shall conduct a canvass thereof or, at his discretion, refer the matter to the proper government agencies.

"3. Consummated Contracts:

"The unit or agency Auditor shall maintain a file copy of consummated contracts and letter/purchase orders, including related supplementary agreements, change orders and extra work orders, entered into or issued, as the case may be, within the past two (2) years from the effectivity of this circular.

"4. Payment:

"Claims representing first partial payment are not to be allowed in audit unless a copy of the contract and the other documents herein referred to are first submitted as provided in this circular.

"5. Filing:

"For easy reference and record purposes, the documents herein referred to shall be filed in chronological order by the unit or agency Auditor and in accordance with the nature or classification of the project or undertaking (road, bridge, building, port, harbor, airport, waterway, dike, irrigation, river control work, etc.) by the Regional Director/Commission proper. At the end of the fiscal year, the records should be bound and provided with an index.

"This Circular shall take effect immediately.

MEMORANDA

Memorandum No. 35
Subject: Economy of Paper, Time, Words, Energy, Other Apposite Items
Purpose: For compliance, each one according to his own initiative, imagination, and awareness of atrophy

This is to enjoin your cooperation in matters of great paper weight:
1. Please type only the necessary number of copies in regard to any communication. (Read please the clarificatory note below.)
2. Use only half sheets whenever possible.
   a. Make all communications as brief as possible. (Warning: brief, yes, but not incomplete or inadequate.)
   b. Both basic communication and all accompanying endorsements can exist comfortably on one and the same page.
3. Revise format of your letter, indorsement, and other forms of communication such that you state directly, clearly, and concisely your subject and any matter pertinent to it.
(Read, please, the examples below.)

Clarificatory Note on Number of Copies to Type
1. This number depends on (a) the number of offices the communication will go through and (b) whether it is needed for such or such an office to keep a file copy.
2. Hence, indicate to your typist the number of copies to type based on (1) above.
3. As a rule, there ought not to be any Xeroxing for a file copy, since this is more expensive than typing.
Example (of an indorsement):

1st Indorsement (Original)
4 August 1978

Respectfully forwarded to the President, through the Vice-President for Academic Affairs, University of the Philippines, recommending approval of the proposed modification of the authority granted to the Dean, College of Music, to offer a seminar-workshop on music pedagogy for the youth from 15 July to 5 August 1978 to be conducted by Prof. Ernesto V. Epistola, with an honorarium of P4,000.00 such that the duration of the seminar shall be 15 July to 29 July 1978 with a solo concert on 25 July 1978, with corresponding reduction in the honorarium to P3,000.00 for both seminar and concert.

1st Indorsement (revised)
4 August 1978

For: Vice-President Alfonsio

Recommending approval of modification of authority previously granted such that now:
1. the Dean of Music may offer a seminar-workshop on music pedagogy, 15 to 29 July 1978 (instead of 15 July to 5 August), with solo concert on 25 July, and
2. the honorarium of Prof. E.V. Epistola, who will conduct the seminar, shall be P3,000.00 (instead of P4,000.00).

Memorandum No. 36: Immediate Reporting of Students with Pending Disciplinary Cases

Our attention has lately been called to the fact that some students who have pending disciplinary cases are nevertheless given clearances to leave the University even before their cases are finally resolved.

Delays in reporting regarding these cases seem to work for students concerned who, on the same day of the incident, or immediately thereafter, work for clearance to leave. If the University Registrar and the Dean of Students are not immediately notified of their pending cases, their applications for clearance are given due course.

We ought to correct this situation.

The U.P. Police Force, aside from filing the complaint directly with the Student Disciplinary Tribunal and furnishing copies of its report to the Office of the President, should also furnish copies of the same to the following units: (a) the College in which the student is enrolled at the time of the incident; (b) the Dean of Students; and (c) the University Registrar. Such Police Report is sufficient for purposes of listing the name of the students in the Registrar's List of Students with Pending Disciplinary Cases.

The Deans and Directors of academic units ought also to follow the same or a similar procedure as outlined above.

The usual procedure of notifying the Registrar's Office and the Dean of Students of the decisions in disciplinary cases ought to continue.

In the meanwhile, no clearance will be issued to any such student unless so certified by the Unit Dean/Director or the Chairman of the SDT that the pending case is dismissed or that the student has been appropriately penalized if found guilty.

Memorandum: Requests for Additional Financial Assistance

The President's Committee on Fellowships notes that requests for financial assistance sometimes come piecemeal, thereby causing frequent alterations in the programming and allocation of funds and delays in the processing of requests.

The Committee is henceforth constrained therefore not to entertain requests for additional financial assistance after the submission of the original request, except in palpably justifiable circumstances.

Memorandum No. 37
To: All Who May Wonder Where I Be
Re: Odd Hours of E.V.S.
1-15 September 1978

On 1-15 September 1978, I will be on official leave, to serve in some other realm (rural service), and hence, will not be visible during the usual office hours.
I do intend to drop by Quezon Hall from time to time, either during the noon break, or after 5 p.m., not to exorcise but to keep the spirits of these hallowed halls company while keeping informed on what is going on.

Matters and messages for me may be left as usual where I am most likely to see them and, through them, add excitement to my day.

Memorandum No. 33: Procedures in the Preparation of Budgets and Disbursement of Funds of College Councils and College/Unit Publications Collected by the U.P. Central Administration

1. Preparation of Budgets of College Councils and College/Unit Publications

There shall be separate budgets for College Councils and College/Unit Publications.

In the preparation of these budgets, the student council or publication fee collected for individual colleges, schools or units shall be taken into consideration. Information on the collections may be obtained from the U.P. Accounting Division, local 317. The budget of each College Council and College/Unit Publication shall be approved by the University President upon endorsement of the Dean or Director of the College of Unit.

2. Contributions to UPMMSWB

Each College Council shall determine, by majority vote of all its members, the amount of its contribution for the support of the University student council, otherwise known as the UPMMSWB, when the same is established, provided that no council shall vote or contribute for this purpose more than sixty (60%) per cent of the total student fees paid by its constituent students.

In colleges, schools or units where college councils are not organized, the Dean or Director shall assign to the UPMMSWB an amount from the students' fees which shall be a similar percentage of such fees as the average percentage of the individual council contributions relative to the college council funds.

The UPMMSWB, when organized, shall manage these contributions of individual college councils as a fund to finance the specific programs and projects as embodied in its annual work plan. It shall prepare an annual budget which shall, if in proper form, be endorsed by the Dean of Student Affairs, and become effective once approved by the University President and disbursements shall conform to University accounting and auditing regulations and the rules herein specified. [See Memo. No. 22, O.P. 30 May 1977].

3. Disbursement of Funds of College Councils and College/Unit Publications

Upon approval of the College Council or publication budget, disbursements, which shall be subject to existing laws and University accounting and auditing procedures, may commence to be charged against the approved budget.

Disbursement of College Council and College/Unit Publication funds may be made for the following:

a. Cash Advance

1. Request for Cash Advance — a cash advance, in an amount not exceeding P1,999.00, may be requested for miscellaneous expenses of a College Council or Publication. A General Voucher (Type 34) and a Requisition (Type 05) shall be prepared indicating the name of the applicant as well as the purpose of the cash advance. These documents shall be approved by the Chairman or Editor endorsed by the Dean of the College and submitted to the Accounting Division which shall certify to the availability of funds. A check shall then be prepared by the Cash Division, to be signed by the Vice-President for Administration, and countersigned by the University Auditor. The documents are returned to the Cash Division for the release of the check.

Accounting and Auditing Requirements —

1. The cash advance shall be limited to an amount not exceeding P1,999.00.

2. The applicant shall sign a promissory note to settle the cash advance within 60 days from the date it was granted.

3. To ensure the settlement of the cash advance, a guarantor, who is a regular employee of the University, shall be required if the applicant is a student.

b. Reimbursement of Expenses

Expenditures of the college council or publication paid out of funds advanced by council officials or publication staff shall be reimbursable out of council or publication funds. A duly approved General Voucher (Type 34), supported by receipts which shall be reported to the Auditor's Office if they involve the purchase of materials and/or supplies, shall be submitted to the Accounting Division for certification as to availability of funds. After the approval by the Vice-President for Administration, payment shall be made by the University Cashier in cash if the amount is less than P500.00 and by check if the amount exceeds P500.00.

The accounting and auditing requirements are similar to those mentioned under settlement of cash advances.

c. Requisition for Supplies Available at U.P. Storeroom

A Storeroom Issue Voucher (Type 12) shall be prepared and shall be signed by the U.P. Storeroom. After the document shall have been duly approved, it shall be submitted to the Accounting Division for certification as to availability of funds. The document is then returned to the U.P. Storeroom for the release of the supplies.

d. Request for Printing Services

A Printing Request Form shall be accomplished and shall be submitted to the U.P. Press for evaluation and pricing. The U.P. Press shall indicate the cost estimate on the document and its action on the request by checking any of the following:

1. Accepted for production

2. Bidding to be conducted by the U.P. Press Board of Management

3. Endorsed to Property Division for bidding

4. Returned to requesting office for canvassing or bidding

After the document has been duly approved, the same shall be submitted to the Accounting Division for availability of funds.
When the job is accepted by the U.P. Press or when the bidding is to be conducted by the U.P. Press Board of Management the Accounting Division shall forward the document to the U.P. Press. Payment shall be effected through the interdepartmental Journal Voucher (Type 14) which shall be prepared by the U.P. Press. This shall be approved by the Chairman of the council or editor of the publication and the College Dean and shall be returned to the U.P. Press for the approval of the Director. The document shall then be submitted to the Accounting Division which shall charge the amount to the account of the College Council, college/unit publication and shall credit the same to the account of the U.P. Press.

If the U.P. Press action calls for the Property Division to conduct the bidding, the Accounting Division shall forward the Printing Request Form to the Property Division. Based on a bidding that shall be conducted, the Property Division shall prepare a Purchase Order and General Voucher (POGV).

Payment shall be made upon completion of the job. The printed materials shall be inspected by representatives from the Property Division and the Auditor’s Office. The POGV, together with the invoice and the inspection reports of the two offices mentioned, shall be submitted to the Accounting Division for certification as to availability of funds. If the amount involved is less than P10,000.00, the POGV shall be forwarded by the Accounting Division to the Cash Division for preparation of the check. The check shall be signed by the University Cashier and countersigned by the Vice-President for Administration. The documents are then returned to the U.P. Press with payments for release of the check. If the amount involved is P10,000.00 or over, from the Accounting Division, the POGV is forwarded to the Office of the Vice-President for Administration for approval and to the Auditor’s Office for pre-audit, before a check is prepared by the Cash Division. The check is signed by the Vice-President for Administration and countersigned by the U.P. Auditor. The documents are returned to the Cash Division for the release of the check.

A SITE FOR PCDF ON DILIMAN CAMPUS
The Board granted the request of the Philippine Coconut Research and Development Foundation, Inc., for a site on the Diliman campus for a research laboratory building to provide coordination and integration of studies and serve as a venue for forums and conferences on the needs and problems of the coconut industry, by allocating an area behind the Natural Science Research Center for this purpose, subject to the following terms and conditions:

a. The Foundation shall be given the use, not the ownership, of the area requested;

b. It shall bear the cost of designing and constructing the building(s) whose design shall be subject to approval by the University; and

c. The ownership and management of the building(s), and improvements and fixtures of a permanent nature, shall automatically vest in the University after a period of ten years from the signing of a memorandum of agreement for the purpose. After this 10-year period, the occupancy of the premises by the Philippine Coconut Research and Development Foundation, Inc., shall terminate or be renegotiated for another term not exceeding ten years.

OTHER MATTERS CONSIDERED BY THE BOARD
The Board authorized U.P. College Iloilo to conduct an Orientation Course for School Administrators (29 August - 1 September 1978) and a Training Program for Guidance Counselors in the Rural Areas (21-23 September, 19-21 October, and 16-18 November 1978), and to charge seminar fees of P200.00 and P300.00 per participant, respectively, to be collected and disbursed by the College, subject to the usual auditing and accounting rules and regulations.

The Board noted the following agreements entered into between the Asian Institute of Tourism, through the University, and the following public utility/service companies: a) Philippine Long Distance Telephone Company governing the installation of PLDT facilities at the AIT; and b) Manila Electric Company for subscription/purchase of Manila Electric Company Preferred Stocks.

The Board noted Presidential Decree No. 1437 entitled "Defining the Composition and Powers of the Governing Boards, the Appointment and Term of Office of the President of Chartered State Universities and Colleges, and For Other Purposes," particularly the following stipulations: Section 3, b, c, h, and i for possible extension to the U.P.:

"Section 3. Subject to the provisions of Section 2 hereof, the governing boards shall have the following specific powers and duties in addition to the general powers as provided in Section Thirteen of Act Numbered Fourteen Hundred Fifty-Nine, as amended, otherwise known as the Corporation Law:

b. To receive and appropriate to the ends specified by law such sums as may be provided for the support of the university or college.

c. To import duty-free essential commodities and materials for advanced educational or technological programs as an exception to existing laws, provided such commodities or materials are not available locally; and to receive in trust legacies, gifts, and donations of real and personal property of all kinds, to administer the same for the benefit of the university or college or for aid to any student in accordance with the directions and instructions of the donor, and in default thereof, in such manner as the governing boards may in their discretion determine. Such donations shall be exempt from all taxes and shall be considered as deductible items from the income tax of the donors.

h. To fix tuition fees and such other necessary school charges as the governing boards may deem proper to impose. Such fees and charges, including other incomes generated by the university or college, shall constitute a special trust fund for the exclusive use of the university or college, any provision of existing laws to the contrary notwithstanding.

i. To authorize the construction or repair of its buildings, machinery, equipment, and other facilities and the purchase of necessary supplies, materials, and equipment, any provision of law to the contrary notwithstanding; provided, however, that the funds for the purpose shall come from the authorized appropriation of the university or college:"

The Board approved the compromise agreement between the University of the Philippines (plaintiff) and the Villafuerte Construction Co., Inc., et al. (defendants) under Civil Case No. 19358 whereby the plaintiff withdraws all its claims against the defendants. The latter likewise withdraws its counterclaims against plaintiff.

The Board noted the revision of the Code of Bylaws of the University of the Philippines Foundation, Inc.

The Board noted the following:
1. Letter, dated 16 August 1978, from Minister of Education Juan L. Manuel to Col. Jose Almonte, Officer-In-Charge, Philippine Center for Advanced Studies, informing the latter of the designation by President Marcos of Dr. Romualdo B. Tadena as Acting President of the University of the Philippines, effective 11 August 1978.
2. Draft-Agreements, as follows:
   a) A project agreement on research and training in health planning and management: a collaborative effort between the University of the Philippines, through the Institute of Public Health, and the World Health Organization/Western Pacific Regional Office; and
   b) A tripartite agreement between the University of the Philippines, through its Institute of Public Health, the University of Queensland, and the Nutrition Center of the Philippines/United Nations University: World Hunger Program, concerning a course leading to the degree of Master of Community Health (Nutrition).

The PIU was established in July 1977 (original agreement was confirmed by the Board at its 891st Meeting, 25 August 1977.)
ABELARDO G. SAMONTE
(1928 - 1978)
It may be said of him that he died in action; and for those who
die in action a special place is reserved in the annals of Man. During
the season of revelry and rest, Chancellor Abelardo G. Samonte
passed away on Christmas Day, 1978. At the young age of 50, he
left a void in the University which he served truly and well.

His academic record alone is enviable. A Bachelor of Arts (cum
laude, 1951), Bachelor of Laws (1953), Master of Public Adminis-
tration (Wayne University, 1955) and Master of Arts and Ph.D. in
Political Science (Princeton University, 1958 and 1959), he at-
tended the Institute of Economic Development at Vanderbilt
University (1954) and the noted executive development course in
the Administrative Staff College in Henley-on-Thames, England
(1953).

He served his Alma Mater as instructor in the College of Liberal
Arts in 1953 until he became full professor in 1966 in the Institute
of Public Administration. From 1963 to 1968, as Director of
Studies and Research in the Philippine Executive Academy, he
contributed immensely to the development of its course of studies.

On 25 November 1969, he was appointed Vice-President for
academic Affairs. In 1972, after U.P. at Los Baños had become an
independent unit of the U.P. System, he was named its first Chan-
cello and member of the U.P. Board of Regents.

Various national and international bodies were also enriched by
his generous and expert services: the Presidential Commission to
Survey Philippine Education (1970), the Presidential Commission
on Reorganization of which he was executive director (1969-1973),
the SEARCA, the Regional Training Program on Food and Nutri-
tion Planning of the Netherlands Universities Foundation for Inter-
national Cooperation, to mention only a few. In the Office of the
President, he was Coordinating Officer for Program Execution
(COPE) in Government Reorganization. Even the Civil Service Com-
mision was touched by the wond of his wide experience when, in
the early '70's, he was active in the review of civil service rules and
the performance audit of the Commission itself.

In recognition of his outstanding work in public administration,
Dr. Samonte was named one of Ten Outstanding Young Men
(TOYM) in 1963 and received the Professional Award of the U.P.

He authored Philippine Government and Civil Service (1968),
co-authored several books on public administration, and wrote
numerous articles in professional journals.

### ADMINISTRATIVE ORDERS

#### Administrative Order No. 17: Reconstitution of the President’s Advisory Committee on Campus Planning and Development

The President’s Advisory Committee on Campus Planning and Development is hereby reconstituted with Dean Aurelio T. Juguilon as Chairman, Prof. Romeo C. Tomocruz as Secretary, and Dean Leandro A. Villoria, Director Salvador F. Rey, Director Antonio P. Cruz, and Director Dionisio O. Liwag, members. The Committee shall take charge of the official records and implementation, as well as recommend desirable changes or modifications, of the Master Development Plan for the Diliman Campus approved by the Board of Regents.

This Committee will also be responsible for advising the President on the adoption of appropriate policies, rules, and regulations on the physical development of the campus. In this regard, the Chairman may call upon the assistance of other officials of the University for pertinent information necessary for the able performance of the Committee’s work.

The Committee will meet twice a month with special meetings to be scheduled by the Chairman as the need arises.

10 October 1978

(Sgd.) ONOFRE D. CORPUZ
President

#### Administrative Order No. 19: Transport Training Center Unit Library Organization Committee

The following are hereby constituted into a committee, with the University Librarian as Chairman, Miss Ma. Oliva G. Zipagan as Secretary, and the Director, Transport Training Center, Miss Mary L. Huntington, the Budget Director, the Chief Accountant, and the Officer-in-Charge, Property Division, members, to formulate, subject to approval by this Office, rules and other guidelines for the setting up and operation of a unit library in the Transport Training Center, within the context of existing University Library System policies, rules, and procedures as provided for in the Revised University Code (Articles 132 through 138), the 9 August 1961 memorandum of the then Acting Business Executive and Acting Budget Officer, and the 27 November 1961 memorandum of former President Vicente G. Sinco, as well as such other existing pertinent rules and procedures issued by competent University authorities and/or bodies.

In case the Director of the Center, the Budget Director, and the Chief Accountant cannot attend the meetings or deliberations of the committee, for any unavoidable reason, they should designate their respective representatives; provided, that the foregoing officials shall attend the first two and the last two meetings at least.

The committee should submit its report and recommendations not later than the last working day of next month.

17 November 1978

(Sgd.) ONOFRE D. CORPUZ
President

#### Administrative Order No. 74: Ad Hoc Committee to Survey Existing Stores and Housing Units on the Diliman Campus

The following are hereby constituted into an ad hoc Committee to conduct a survey of all existing stores and housing units on the Diliman campus for the purpose of determining violations of the laws of the land as well as University rules and regulations on the establishment of these stores and occupancy of these housing units: Captain Eduardo V. Bantain, Chairman, and Miss Manuela A. Pagarigan, Director Antonio P. Cruz, Mr. Modesto G. Estrada, and Captain Nestor C. Madrigal, members.

The Chairman will notify the members of the schedule of the survey.

Please submit to this Office a report of the survey not later than 15 December 1978.

27 November 1978

(Sgd.) EMANUEL V. SORIANO
Executive Vice-President

#### Administrative Order No. 75: Constitution of a Special Administrative Body

Pursuant to Budget Memorandum Circular No. 147-A and in response to the need of the National Engineering Center (NEC), University of the Philippines, for a special administrative body to handle its fiscal transactions meanwhile that a regular administrative staff at NEC has not been set up yet, the following are hereby designated to compose this special administrative body effective 27 November 1978 until 25 November 1979: Dr. Ramon C. Portugal, Mrs. Arlinda O.V. Ruiz, Mrs. Ermelina B. Kalagayan, Mr. Jose Antonio, Ms. May L. Huntington, Mr. Adrian Cabel, Mrs. Violeta Pamatmat, and Atty. Salvador Vasquez.

Administrative costs to cover this additional assignment shall be borne by individual projects pursuant to Budget Memorandum Circular No. 147-A and as the budget of the National Engineering Center may provide.

28 November 1978

(Sgd.) EMANUEL V. SORIANO
Executive Vice-President

### MEMORANDA

1. The 94 members of the 1977 XDS group were enrolled in the English Learning Assistance Course; 76 of them in Mathematics courses; 80 in Asian Civilizations; 88 in Spanish; 29 in Philippine History; four in Filipino; six in Natural Science I; three in Natural Science II; and 26 in Natural Science III. Except for English II, Mathematics 14, and two sections of Spanish II, which were exclusively for the XDS group, all the courses were mixed classes.

2. Professors Concepcion D. Dadufalza and Winifreda A. Evangelista both spoke highly of the marked improvement in the performance of their students in the English Learning Assistance Courses. It is to be noted in this connection that these students went through a rigorous phase of work, which paid off handsomely in terms of their performance.

   In Professor Dadufalza’s classes, out of a total of 47 students, two got “1.75” (her highest grade in the first semester was 2.25); five “2”; six “2.25”; thirteen “2.5”; twelve “2.75”; six “3”; three “Inc.”. Of Professor Evangelista’s 47 students, one got a “2”; one “2.25”; six “2.5”; nine “2.75”; twenty-one “3”; four “4”; and five “Inc.”.

3. There were three Mathematics courses: Mathematics 14 (regular) handled by Dr. Romeo L. Manlapaz for those who had gotten grades of “2” and above in the Mathematics 11 Learning Assistance Course during the first semester; Mathematics 14 (Learning Assistance Course) handled by Professor Leticia L. Castillo; and

October-December 1978

U.P. Gazette 151
Mathematics 11 (regular) taught by Professor Lydia H. Flores for the four students who flunked the course last semester and for regular students.

In Dr. Manlapaz’s class, eleven got “1”; seven - “1.25”; five - “1.5”; nine - “1.75”; three - “2”; four - “2.25”; one - “2.5”; four - “2.75”; two - “3”; one - “5”. In Professor Castillo’s class of 28 students, the highest grade was “1.25” obtained by two students; three got “4”; another three got “5”; and the rest received passing marks. Finally, of the four repeaters in Prof. Flores’ class, one got “4”, while the rest passed the course.

4. Sixty-one XDS students were enrolled in Professor Oscar L. Evangelista’s two Asian Civilization classes. Finding themselves in mixed classes, many of the XDS students shielded away from participation in class. But there were some standouts from the beginning. At mid-semester, nine were failing but they rallied in the subsequent quizzes, with only one of them getting a “4” at the end of the semester. They obtained the following final grades: two - “1”; three - “1.25”; three - “1.75”; ten - “2”; eight - “2.25”; sixteen - “2.5”; two - “2.75”; sixteen - “3”; one - “4”.

Professor Donata V. Taylo had 19 XDS students in one of her Asian Civilizations classes. Their final grades were: three - “2”; one - “2.25”; three - “2.75”; seven - “3”; three - “4”; one - “5”, and one - “Inc.”.

5. Of the 88 students who took Spanish II, Professor Rosario Estanislao had one; Professor Normelita Villaguan - three; Professor Trinidad Regala - 26; Professor Consuelo Morales - 28; and Professor Pacita Martinez - 30. Their final grades were: two - “1”; six - “1.25”; eight - “1.5”; twelve - “1.75”; fifteen - “2”; nine - “2.25”; twelve - “2.5”; thirteen - “2.75”; six - “3”; one - “4”; one - “5”; three - “Inc.”. The grades of “1” and “4” were given by Professor Martinez; “Inc.” by Professor Morales; and “5” by Professor Estanislao.

6. Misses Luisa Carnagay and Elizabeth Pastora handled the Philippine History classes. All 29 students passed the course, the highest grade being “1.5” and the lowest grade a “3”.

7. All four students passed Filipino 13 with high grades.

8. All six students passed Natural Science I with the following grades: two - “2”; one - “2.25”; and three - “2.5”. Of the three students in Natural Science II, one got “2.25”; one - “2.5”; and one - “5”. Only one out of 29 students enrolled in Natural Science III got a failing mark (“4”). The highest grade was “1.75”.

9. Thirty-seven of the 94 students carried a load of 15 units, while all the rest had 12 units. Basis for giving the 15-unit load was a grade of “2” or better in Mathematics 11, and “2.75” or better in English I. Of the 37 with 15-unit load, 12 had average grades higher than “2”, with one becoming a university scholar and three, college scholars.

The general weighted average of all 94 participants is “2.39”.

10. Twenty-one had one failing mark or “Incomplete,” distributed as follows: seven with “Inc.”; nine with a “2”; and five with a “5”. All 15 were, however, still in good standing based on 60% scholastic rule in the College of Arts and Sciences.

11. Five had two or more failing marks or “Incomplete.” Of this number, three worked on their deficiencies and lifted their status from “dismissed” to “good standing” by the opening of the first semester 1978-1979.

Only two therefore lost their XDS grants for the first semester, 1978-1979.

17 October 1978

(Sgd.) OSCAR M. ALFONSO
Chairman
XDS Committee

Since 1972, when the U.P. at Los Baños was made an autonomous member of the University System, it has, at times, been inadvertently omitted from the mailing and routing list of central administration.

As a matter of procedure, therefore, kindly see to it that the Office of the Chancellor and UPLB heads of units are furnished copies, through the Office of the University Secretary, of all University-wide communications (memos, memo circulars, administrative orders, etc.,) particularly those affecting UPLB operations.

Memorandum to Student Members

Since 1972, when the U.P. at Los Baños was made an autonomous member of the University System, it has, at times, been inadvertently omitted from the mailing and routing list of central administration.

As a matter of procedure, therefore, kindly see to it that the Office of the Chancellor and UPLB heads of units are furnished copies, through the Office of the University Secretary, of all University-wide communications (memos, memo circulars, administrative orders, etc.,), particularly those affecting UPLB operations.

Memorandum: Tracking Officer to Monitor Processing of Vouchers

With a view to expediting the processing of vouchers and avoiding the possibility of the loss or misplacement of some supporting documents, all vouchers for payment in the University shall be monitored by a tracking officer strategically stationed at the Accounting Division without the need for representatives of the different units and other offices of the University or private parties personally following up these vouchers.

The tracking officer shall perform the following functions:

a. Monitors the flow of the vouchers from the time they are received at the Accounting Division up to the time that the same are paid by the Cashier’s Office;

b. Receives all inquiries and releases information regarding the whereabouts of vouchers; and

c. Informs the units, offices or parties concerned, either by phone or in writing, of any problems in the vouchers which may eventually cause the delay of their processing.

All concerned are therefore requested not to personally follow up their vouchers. Instead, they can check with the tracking officer personally or by phone (PABX 317). He will be available to answer your inquiries and help thresh out problems regarding the processing of vouchers. Inquiries in writing should be addressed to: The Tracking Officer, Accounting Division, University of the Philippines, Diliman, Quezon City.

Thank you for your cooperation.

Memorandum No. 42: Furnishing U.P. at Los Baños Copies of University Communications/Drafts of Recommendations Involving Policy Changes for B/R Action

Memorandum No. 19: Nomination to Membership in the Board of Judges for the Philippine Collegian

Please submit, on or before 29 November.

(a) to the Office of the President, Quezon Hall, the name of one (1) faculty member, if any, and his/her biodata; and/or

(b) to the Office of the Dean of Student Affairs, Vinzons Hall, the name of one (1) student, if any, and his/her biodata.

Article II, Sec. 6, of the new Collegian Rules (approved by the Board of Regents last 26 October) provides:

"The Editor of the Philippine Collegian shall be chosen by a Board of Judges which shall be composed of a Chairman and four members. The Chairman of the Board shall be the Dean, Institute of Mass Communication. There shall be two student members who shall be chosen in accordance with Section 7, below, and two faculty members who shall be chosen from among those nominated by the Deans of various colleges. The Chairman and members shall be appointed by the President."

"The Board of Judges shall have the following functions:

152 U.P. Gazette Volume IX, Number 6
"d. To conduct preliminary and formal investigation of cases involving the editor as respondent arising from his/her actions or acts of omission as Editor/Publisher, and cases involving the staff members of the Philippine Collegian arising from their actions or acts of omission, and to recommend appropriate disciplinary action.

"e. To formulate such guidelines and additional rules as are necessary to implement these rules, subject to approval by the President. All such implementing guidelines and rules so promulgated by the President shall form part of these rules."

Sec. 7 of the same Article, which concerns student members, provides:

"The student members of the Board shall be chosen by the President from nominees submitted by the Dean of Student Affairs."

"The Dean of Student Affairs shall submit not more than five (5) nominees to the President. The five nominees shall be selected from a list submitted by the University Student Council, provided, that the Council shall not nominate any of its members or officers; and from the nominees of Deans of degree-granting colleges and institutes in Metropolitan Manila. The Dean of Student Affairs’ nominees shall each have had at least one year residence in the University, be a regular student carrying the regular load in a degree program, and shall not have been found guilty in any student disciplinary action for which the penalty is one-week suspension or graver.

"A student member of the Board while serving in that capacity shall maintain the qualifications required for appointment in order to continue serving in office."

Finally, Sec. 8 of the same Article stipulates that "The Board of Judges shall serve for a term of one year." The term of the Chairman, however, is coextensive with his/her term as Dean of the Institute of Mass Communication.

Memorandum No. 50: Water Shortage

There has been observed a noticeable improvement in the water supply in some areas in the campus as the Metropolitan and Water Sewerage System gradually increases the pressure of water piped into the campus. Per the MWSS, the supply of water for the campus should soon be normalized. Still, MWSS has to control the supply and in preparation for the summer months, otherwise, the situation may be worse then.

In the meantime, the University continues with its water distribution to the different areas through the fire truck and water tanker of the Security Division. If the water supply does not reach certain areas at the time specified in the schedule listed in Memorandum No. 44 of this Office, dated 13 November 1978, this is due to the breakdown of either or both of the vehicles. The immediate repair of the trucks is being attended to. The University is also exploring the possibility of hiring private water tankers to help deliver water to campus residents.

The new water pipes being installed in the campus by the Philippine Infrastructure, Inc. (PHILIN), are now 90% completed; however, they will still have to be jointly tested by the manufacturer, contractor, MWSS, and the U.P. and disinfected before they can replace the present system.

In the meantime, all residents are urged to continue exercising prudence in the use of water.

ESTABLISHMENT OF THE U.P. CONTINUING EDUCATION CENTER

The Board approved the establishment of the U.P. Continuing Education Center. The rationale provides coordination of the various programs of colleges and units not only to minimize unnecessary duplication and costs, but more so to enhance their effectiveness and responsiveness both as individual offerings and as a concerted University effort. The Center likewise provides leadership and support in the development and conduct of continuing education activities.

Operating expenses in the amount of P25,000.00 shall be considered in the CY 1979 budget of the University.

RULES AND REGULATIONS GOVERNING THE PHILIPPINE COLLEGIAN

The Board approved the Rules and Regulations governing the Philippine Collegian to supersede all existing rules and regulations.

AUTHORITY FOR THE PRESIDENT TO RECTIFY EXPIRATION DATE OF THE APPOINTMENT OF DEANS AND DIRECTORS

The Board authorized the President to rectify the expiration date of the appointment of some deans and directors in implementation of the policy adopted to synchronize the terms of office of deans and directors (as provided for in Article 79a of the University Code), such that all appointments shall expire on 30 April, subject to the following guidelines:

a. The term of office of a dean shall be five years plus such number of months and days as is necessary to fix the expiration thereof at 30 April.

b. The term of office of a director of a non-degree-granting unit shall be three years plus such number of months and days as is necessary to fix the expiration thereof at 30 April; and

c. In no case shall the term of a dean of a degree-granting unit or the director of a non-degree-granting unit be less than five years or three years, respectively.

ORDER OF IMPLEMENTATION FOR THE COLLEGE OF DEVELOPMENT ECONOMICS AND MANAGEMENT

The Board approved the following Order of Implementation as a means to carry out its decision establishing the College of Development Economics and Management at its 905th Meeting, 31 August 1978:

Section 1. The Institute of Agricultural Development and Administration is hereby reorganized and renamed as the College of Development Economics and Management, hereinafter referred to as the College, to provide a broader economics and management base for the integration of perspectives and contributions of agriculture, forestry, agrarian reform, credit and cooperatives, as well as the natural and social sciences and the arts, to the process of social change and national development.

Section 2. The College, to be headed by a Dean, shall have four departments, namely: (a) Agrarian and Cooperatives Studies; (b) Agricultural Economics; (c) Economics; and (d) Management; provided, that the incumbent dean and department chairman of the Institute of Agricultural Development and Administration shall be made to serve out the balance of their respective terms under the reorganized setup.

Section 3. The Agrarian Reform Institute and the Agricultural Credit and Cooperatives Institutes are retained as institutes, under the administrative supervision and coordination of the College, to serve as major program centers for research and extension with particular focus on the national program thrusts of agrarian reform, rural credit, and cooperatives development; provided, however, that the activities of both institutes shall be pursued through program areas, in place of the departments and/or divisions which are hereby abolished; and provided, further, that the Chancellor of the U.P. at Los Baños is authorized to effect such changes and improvements in the internal organization and administration of said institutes, including such personnel reclassification or reassignments as may be necessary.

Section 4. The Agrarian Reform Institute and the Agricultural Credit and Cooperatives Institute shall each be headed by a Director who shall be directly responsible to the Dean of the College; provided, that any incumbent director of either institute shall be made to serve the balance of his current term under the reorganized setup. Qualified academic staff of the two institutes may be appointed concurrently as faculty members of the College. All other academic non-teaching and administrative personnel of the two institutes shall continue with their present appointments and/or designations unless subsequently covered by the personnel reclassification or reassignment referred to in Section 3.

Section 5. To attain more effectively the purpose of this reorganization, the Chancellor of the U.P. at Los Baños may promulgate such rules or orders as may be necessary for the merging or pooling of resources, facilities and offices as well as for the streamlining of organizational and coordinative relationships within and/or among the College and the two institutes.

IMPLEMENTATION OF TEACHER'S LEAVE PRIVILEGE FOR THE FACULTY OF THE U.P. COLLEGE CLARK AIR BASE

The Board approved the implementation of the teacher's leave privilege for the faculty of the U.P. College Clark Air Base, provided for in the Revised Code of the University, subject to the following conditions:

a. The full-time and the part-time (in the sense of half-time) members of the faculty principally based in the U.P. College Clark Air Base (i.e., as distinguished from full-time and part-time faculty teaching in that college but principally based in or belonging to other colleges or units) who are not covered by cumulative leave privilege as defined in Article 230 of The Revised Code of the University shall be granted teacher's leave with pay, which shall consist of vacation and sick leaves, neither of which shall be cumulative; provided, that they shall be enjoyed in the academic year in which they are earned, except as provided for in b below in the case of vacation leave.

b. Teacher's vacation leave shall consist of thirty (30) calendar days, in addition to the usual Christmas vacation, for each academic year of service, which shall be reckoned, for purposes of these rules except as specified otherwise in b below, as covering the period beginning the first day of classes in First Term until the last day for submission of grades in the Third Term. Such vacation leave may be taken only during the Fourth Term, which is hereby designated as the regular vacation period for the faculty of the U.P. College Clark Air Base; provided, that the President may, in his discretion, on recommendation of the Dean of the U.P. College Clark Air Base, grant to members of the faculty (i.e., those covered by teacher's leave as defined in these rules) whose services are not required during any regular vacation period vacation leave in excess of thirty (30) calendar days during said vacation period; provided, further, that the President shall determine the start of the regular vacation period in each academic year.

c. Teacher's vacation leave credits earned by those with less than one (1) academic year of service as of the end of the academic year as reckoned in b above shall be computed on the ratio of one (1) day leave credit for every nine (9) calendar days of actual service rendered; provided, that any leave without pay other than sick or maternity leave shall not be considered actual service rendered for October-December 1978 U.P. Gazette 155
purposes of computation of teacher's vacation leave credits earned: provided, further, that teacher's sick leave credits earned by those with less than one (1) academic year of service as of the end of the academic year also as reckoned in b above shall be computed on the ratio of one (1) day leave credit for every eighteen (18) calendar days of actual service rendered, inclusive of leaves of absence without pay; provided, finally, that no vacation/sick leave credits shall accrue, or be earned, for service during the Fourth Term.

c. Notwithstanding the provisions of b above, the Dean of the U.P. College Clark Air Base may assign such members of the faculty as he may consider necessary to teach during the Fourth Term; provided, that such faculty members so assigned and who actually teach throughout the Fourth Term shall be entitled, if granted vacation leave, to sixty (60) calendar days of vacation leave during the succeeding Fourth Term, subject to the provisions of c above; provided, further, that no faculty member covered by teacher's leave shall be required to render service for more than three consecutive Fourth Terms.

d. In the event of failure to render service during a particular Fourth Term as required in d above, without valid reasons, the faculty member involved shall not be entitled to his regular salary corresponding to that Fourth Term.

e. Teacher's sick leave shall consist of not more than fifteen (15) days, excluding Saturdays, Sundays, and holidays, for each academic year of service, which privilege may be enjoyed any time of the year in case of illness; provided, that the full fifteen (15) days shall be given, regardless of the number of days of actual service rendered during the academic year if the illness extends for such period as require the enjoyment of fifteen (15) days sick leave, excluding Saturdays, Sundays, and holidays; provided, further, that in case of sickness for more than fifteen (15) days (i.e., excluding Saturdays, Sundays, and holidays) during any term other than the Fourth Term additional (i.e., beyond the aforementioned fifteen days) sick leave with pay not exceeding thirty (30) calendar days may be granted in lieu of the thirty (30) calendar days vacation leave during the regular vacation period; provided, finally, that any unused balance of the thirty (30) days vacation leave credits shall be enjoyed during the regular vacation period, subject to the provisions of d and e above.

f. In case of illness during the regular vacation period of a faculty member actually enjoying vacation leave, such illness shall be classified as sick leave only to the extent that his unused teacher's sick leave credits, if any, will allow, and shall be chargeable to said unused teacher's sick leave credits, but in no case exceeding fifteen (15) days exclusive of Saturdays, Sundays, and holidays; provided, that the vacation leave initially granted him shall be adjusted accordingly to the effect that he shall enjoy just the same the full vacation leave due him, but in no case beyond the day immediately preceding the first day of classes in the First Term.

g. In case of illness during the regular vacation period of a faculty member assigned to render service during said regular vacation, he shall be granted sick leave with pay chargeable to his unused teacher's sick leave credits, if any, and unused teacher's vacation leave credits; provided, that the vacation leave credits shall be applied in a manner inclusive of Saturdays, Sundays, and holidays; provided, further, that only the remaining balance, if any, of his teacher's vacation leave credits shall be carried over to the succeeding academic year which shall be reckoned, for purposes of the preceding clause, from the First Term through the Fourth Term.

h. Absence due to illness for more than two (2) working days at a time shall not be approved as sick leave unless a medical certificate is submitted, or unless the physical appearance of the faculty member concerned clearly shows that he has been sick or seriously indisposed.

i. A faculty member shall likewise be entitled to sick leave as provided for in these rules by reason of illness of a member of his immediate family; provided, that the term "member of immediate family" as used herein shall be understood as defined in the Civil Service Rules; provided, further, that an application for sick leave for more than two (2) working days shall be supported by a medical certificate.

Note: Rule XV, Section 16, paragraph (b) of the Civil Service Rules defines "immediate family" as follows: "The term 'immediate family' includes any relative living under the same roof and dependent upon the employee for support."

k. It is proposed that the foregoing rules take effect starting the current First Term (1979) in the U.P. College Clark Air Base, to the effect that the first day of classes in said Term shall be considered as the starting date for creditable service rendered for purposes of teacher's leave privileges in that College.

STANDARDIZATION OF OUT-OF-STATION ALLOWANCES FOR UPLB PERSONNEL

The Board approved the standardization of out-of-station allowances for UPLB personnel such that faculty, academic non-teaching, and administrative personnel who are assigned to work in stations away from Los Banos, for periods exceeding thirty days, be given allowance in accordance with the following schedule:

<table>
<thead>
<tr>
<th>Place of Assignment</th>
<th>Out-of-Station Allowance</th>
</tr>
</thead>
<tbody>
<tr>
<td>Chartered Cities</td>
<td>P300.00 per month</td>
</tr>
<tr>
<td>Municipalities</td>
<td>250.00 per month</td>
</tr>
</tbody>
</table>

In cases where personnel assigned outside the UPLB are provided vehicles or motorcycles, the aforementioned allowances shall be reduced by P50.00 per month, regardless of place of assignment.

These allowances shall be given in lieu of per diems and daily allowances prescribed under COA General Circular No. 127, dated 27 November 1973.

TYPES OF OFFICIAL PUBLICATIONS OF THE SCIENCE EDUCATION CENTER AND HONORARIA FOR COMMISSIONED WRITERS

The Board approved the types of official publications of the Science Education Center, together with the guidelines, and a policy regarding commissioned writers, as follows:

a. Official Publications of the Science Education Center

All publications of the Center falling under any of the following types or categories shall be considered official publications of the Science Education Center:

1. Textbooks and teacher's guides/manuals for elementary school, high school, and teacher education;
2. Resource materials for teachers;
3. Enrichment/remedial materials for students;
4. Monographs; and
5. Textbooks for science teachers (undergraduate/graduate education).

b. Criteria and other Guidelines for the Determination of Official Publications of the Science Education Center

Publications of the Science Education Center falling under any of the foregoing categories shall be certified as official publications thereof by the President upon recommendation of the Director of the Center, subject to the following conditions:

1. The publications have been prepared by, or under direction of, the Science Education Center staff on official time, with the use of the Center's funds, services, facilities, and other resources.
2. All royalties shall accrue to the Center, not to individual staff members thereof.
3. The publications shall not be copyrighted by individuals but shall be covered by Presidential Decree No. 49.

c. Payment of Honoraria to Commissioned Writers

Commissioned writers who are not regular staff members of the Science Education Center may be paid such honoraria as the Direc-
tor may deem appropriate, subject to approval by the President; provided, that University personnel principally assigned to principal units other than the Center who are involved in the publications work thereof on a project, or off-and-on, basis shall not be considered regular staff members of the Center.

JUSTIFICATION — The proposed action is needed to confirm the official character of the publications of the Center and to establish appropriate criteria and guidelines therefor, which action has been merely implied or assumed since the Center's establishment by the Board at its 728th meeting on November 20, 1964.

SCHOLARSHIPS, FELLOWSHIPS, GIFTS, AND GRANTS
The Board accepted a donation from Mrs. Rosario Juarez Guzman in the amount of P10,000.00 (P6,000.00 of which has already been paid) for a scholarship in honor of Regent Tomas S. Fonacier, founding dean of the U.P. College Iloilo. To be known as Tomas S. Fonacier Scholarship, it shall be awarded to a junior student in the social sciences in U.P. College Iloilo, effective academic year 1979. The U.P. College Iloilo rules on private scholarships shall apply.

The Board approved the increase in monthly living allowance of U.P.-Government Scholars from P250.00 to P350.00, effective second semester, 1978-1979.

To enable the U.P.-Government Scholarship fund, which has an annual allocation of P1 M through R.A. 5549, to absorb the proposed increase, the tuition fees of U.P.-Government scholars shall be charged to the University, as is being done with the Grants-in-Aid, and not anymore against the Scholarship Fund heretofore. The amount involved is about P87,000.00.

COLLECTION OF FEES
The Board authorized the College of Veterinary Medicine to increase the schedule of fees charged for services rendered by the Veterinary Hospital. Its income reverts to the University.

TRANSFER OF SITE FOR THE U.P. IN THE VISAYAS
The Board approved the transfer of the site for the U.P. in the Visayas from the municipalities of Tigbauan and Guimbal, Iloilo, to the municipality of Miag-ao, Iloilo.

The principal reason for the transfer of site is that Miag-ao entails fewer relocation and other social problems than Tigbauan-Guimbal. Subsequent surveys showed that a very significant majority of the people in the Tigbauan-Guimbal area likely to be relocated or otherwise affected are not supportive of the idea of locating the University in that area. On the other hand, most of the people in Miag-ao strongly welcome the location of the University in that municipality.

The IBP assemblymen from Region VI strongly support Miag-ao as the University site.

In this connection, the Board also authorized the President:
(a) To negotiate and enter into contracts for the purchase of real property, under such terms and conditions the President may deem appropriate and most beneficial to the University, for the site of the University of the Philippines in the Visayas, in the municipality of Miag-ao, province of Iloilo.

(b) To retain the services of legal counsel in Iloilo for the above-stated purpose, under such terms and conditions and such rate of compensation as the President may deem appropriate.

(c) To accept and disburse such sums of money as may be made available by the EDPI/TAF for the purchase of real estate for the U.P. in the Visayas. The contracts and disbursements made pursuant to this authority shall be subject to the reporting requirements laid down by a resolution of the Board of Regents (802nd meeting, 19 November 1970).

TRANSFER OF THE ADMINISTRATION OF QUEZON LAND GRANT TO THE UPLB
The Board approved the transfer of the administration of Quezon Land Grant from U.P. in Diliman to U.P. in Los Baños. The UPLB is best able within the U.P. System to look after forest management, ecology, etc. The transfer shall be made under terms...
to be proposed later to the Board, and shall be effective upon approval thereof.

ESTABLISHMENT OF THE U.P. CREATIVE WRITING CENTER

The Board established the U.P. Creative Writing Center to stimulate writers from all parts of the Philippines to contribute to national cultural development and assert the leadership of the University in the field of creative writing.

The Center shall have three principal objectives, to wit: (1) the conduct of courses and workshops on creative writing for students and other invited participants and auditors; (2) the institution of literary scholarship as a necessary part of the writing discipline and critical assessment of results; and (3) the orientation of writing to its audience, which is much neglected.

The Center, to be headed by a Director drawn from within the ranks, shall have a regular staff of at least three (3) members who, drawn from the imaginative writing faculty, shall represent drama, fiction, and poetry.

The Center shall begin operations during the first semester, 1979. Until an appropriate place for it is found within the University, it shall temporarily exist under the Office of the President.

SERVICE AGREEMENT BETWEEN THE UNIVERSITY AND THE U.P. FOUNDATION, INC.

The Board authorized the President of the University to enter into agreement with the U.P. Foundation, Inc., with a view to realizing the objectives of the University in providing facilities and services supportive of its academic and research programs; provided, that the President of the University shall submit such agreements to the Board for its information and notation at the meeting immediately following their execution.

AMENDMENT TO THE RULE ON GUARANTORS RELATIVE TO THE STUDENT LOAN BOARD

The Board amended the rule on guarantors relative to the Student Loan Board, to wit:

a. The guarantor can be any U.P. faculty member or employee, or any of the official superiors in the agency where they are employed in the case of student borrowers who are practising professionals; and

b. A statement shall be secured, duly signed by the student borrower and attested to by the guarantor, authorizing deduction from the former's monthly salary of an amount so pro-rated that the full amount of the loan is paid for at the end of the semester.

In this connection, the Board approved the request of U.P. College Iloilo concerning graduate students who are practising professionals, most of whom are employed in various government agencies.

OTHER MATTERS CONSIDERED BY THE BOARD

The Board confirmed the graduation of students who had completed the requirements for their respective titles and degrees as of 1 May 1978 and end of the first semester, 1978-1979.

The Board authorized the President of the University to use 1978 savings from some appropriate source for some form of allowance or incentive for all U.P. personnel.

The Board confirmed the site for the Textbook Project buildings to be located in the area bounded by the Pagasa Observatory and Kamia Dormitory. The President observed that the building could be renamed Textbook Development Center Building. Such a center may be made responsible for all textbooks written by the different curriculum development centers. The President also noted that the Textbook Development Program could be a continuing program, rather than a project; thus, a Textbook Development Center could conduct seminars on textook development in addition to curriculum development.

The Board approved the amendment to the Investment Management Contract between the University and the U.P. Foundation, Inc., approved by the Board (907th meeting, 26 October 1978), by deletion of the following stipulation under Section 2.02 (Specific Powers of the Investment Manager):

"(m) To delegate any or all of the powers herein granted or conferred in favor of third persons, natural or juridical, whom the Investment Manager may appoint and/or designate for the purpose."

The Board authorized expenses incurred during luncheon/dinner meetings of faculty committees in various colleges, subject to availability of funds in the budgets of the units concerned. This is effect repeals a previous resolution of the Board (757th meeting, 14 April 1967).

The Board approved the increase in allowance of members of the Student Disciplinary Tribunal, Office of Student Affairs, effective 1 September 1978.

The Board confirmed the Presidential authorization granted the Philippine General Hospital to classify income from X-ray examination and laboratory tests under trust liability account and utilize such income for the purchase of supplies, materials, and X-ray and laboratory equipment and other instruments, for the improvement of facilities, and for other incidental expenses relative to services.

The Board authorized the Philippine General Hospital to conduct the Undergraduate Program (Practicum in Hospital Dietetics) and the Dietetic Residency Program, and collect a fee of P40.00 and P400.00 per student, respectively, the income thus generated to accrue to a special account against which expenses (including meals, honoraria of lecturers and staff, supplies, materials, and equipment needed by the Department of Dietary Services) shall be charged.

The Board approved the request of the UPLB Student Organization to transfer to it the balance of the Women's Club fee, amounting to P7,839.72. One-half of this will augment funds of the Textbook Exchange and Rental Center, and the other half, support development projects.

Note: The UPLB ceased collecting the Women's Club fee since the second semester, 1978-1979, pursuant to the Board's decision abolishing it (906th meeting, 28 September 1978).

The Board authorized the negotiated purchase of FABRI-TEK, Mod 40/Type/Model T6040-64/256 in the University Computer Center.

The Board passed the status report of the U.P. Investment Portfolio for the third quarter, 1978.

The Board considered favorably the request of Dr. Consuelo S. Blance, a former professor in Professional Education at the College of Education and now President of the Mariano Marcos State University (who has been on leave of absence from the U.P.), that her record reflect her resignation from the University, effective 21 December 1976, with regrets.

On 11 October, the Education Development Center was named Vidal A. Tan Hall in honour of the 8th President of the University of the Philippines. During his administration, Dr. Tan devoted his energies to the improvement of curricular programs. The Vidal A. Tan Hall houses the Science Education Center and the Social Studies Center.
Chancellor Abelardo G. Samonte of the U.P. at Los Baños succumbed to a heart attack at the age of 50 on 25 December 1978.
Aurelio Estanislao, baritone nonpareil, recipient of numerous awards, professor of Voice, History, and French, bade the world adieu after a lingering ailment, at the young age of 52 years, on 14 November 1978.

At the necrological services sponsored by the College of Music — the College he loved and served so well—he was eulogized by his peers and friends, admirers all who drew inspiration from his brilliant career and the traditional values he upheld. His career, said President Onofre D. Corpuz, showed that he was a member of a “highly motivated generation of Filipinos.”

He reaped academic honours from the beginning: he was salutatorian in elementary school, valedictorian from Arellano High School in 1946, A.B. (major in History), magna cum laude, from U.P. in 1950, and a Master of Arts in Modern History from the University of Paris in 1953.

In France, he also studied French and took a course in Voice Culture at the Conservatoire National de Musique de Paris, becoming the first Filipino to win the Premier Prix de Chant in 1952. While this added a bright new dimension to his studies, it is to his credit that despite his success in the world of music, he never abandoned the discipline of history for which he was originally sponsored for training by his Alma Mater.

In 1953, he went to the Internationale Sommer Akademie (Mozarteum) in Salzberg, Austria, where teachers and savants found in him a possible “baritone Verdi” because of the range and timber of his voice which “are so rare.” In a letter to President Vidal A. Tan asking for an extension of his study leave, he wrote, “I believe that my Salzberg stay will determine my place in the world of music.” The young baritone then won accolades for himself and his country in various concerts in Salzburg, Switzerland, and Paris.
He was a TOYM awardee in the field of music in 1959, the year this national award was established. International recognition came through membership in honour societies and performances abroad where he was also recording artist for European and American recording companies.

Our people looked to him as a national artist. He enjoyed a special place in our country's cultural scene since he enriched it with song and dramatic performances. But through it all, he faithfully served his Alma Mater as professor of history and voice culture.

Professor Estanislao has passed to his reward, but his spirit shall live on to inspire us all.

Hooray for Tourism!

The Asian Institute of Tourism held its house blessing on 17 November 1978 with Mrs. Imelda Romualdez Marcos as speaker and guest of honor. The AIT degree program is the first of its kind in Southeast Asia.
Christmas festivities on campus began early December with various units holding individual get-togethers. The climax was a unique event on the afternoon of 19 December when U.P. performing groups brought Christmas cheer to the Main Library, Arts and Sciences, Engineering, Economics, and Quezon Hall. These groups were the Ramayana, Teatrong Mulat, Filipiniana Dance Troupe, U.P. Staff Chorale, and Saringhimig. Late afternoon on the same day, a Christmas Concert at Abelardo Hall featured the Philippine Youth Orchestra, the Madrigal Singers, the U.P. Concert Chorus, and the Cherubim and Seraphim.

Pasko sa Nayon was the theme of this year’s well-attended lantern parade when cultural roots were remembered. Motorless floats were the order of the day when oxen and horses paraded the University quadrangle in a festive four-hour program.

President Onofre D. Corpuz announced a year-end windfall as the year of poor Rosinante cantered into eternity. The cashiers of the University proved real heroes working long hot hours to make sure everybody had a happy Christmas.
Tying the French Knot

President Onofre D. Corpuz and H.E. Ambassador Raphael Leonard Touze, both Honorary Chairmen of the U.P. Philippine-French Committee (UPPFC), launched the program which shall promote fruitful interaction between U.P. and relevant institutions in France.
CREATION OF THE POSITION OF RESTAURANT AND BANQUET MANAGER AT AIT

The Board approved the creation of the position of Restaurant and Banquet Manager at the Asian Institute of Tourism. The occupant of the said position shall be responsible in assisting the Food and Beverage Manager in ensuring most efficient service and up-to-standard operations of all food and beverage outlets and function rooms in the AIT House.

OTHER MATTERS CONSIDERED BY THE BOARD

The Board authorized the College of Home Economics to conduct short-term courses: Cooking for the Holidays and Food Preparation, which are both self-liquidating.

The Board approved the reconstititution of the membership of the Board of Trustees of the Jorge B. Vargas Filipiniana Foundation, Inc. Regent members of the Board are Ambrosio F. Tanco, Abelardo G. Samonte, Orlando J. Saceg, and Ruben Santos Cuyugan. The President of the University is ex officio Chairman of the Board and the Vice-President for Academic Affairs, ex officio member.

The Board noted the following:
1. Withdrawal of P1 million from the U.P. Investment Portfolio for partial payment of the obligation of the University with the C.P. Guinto Construction and Development Corporation, contractor for the construction of the College of Business Administration;
2. Report on the Performance of the Experimental Democratization Students (XDS) for the first semester 1978-1979;
3. Letter of the Officer-in-Charge, Quezon Land Grant, expressing the reactions and feelings of the management of the Grant as its transfer from the Office of the President to the Office of the Chancellor, University of the Philippines at Los Baños; and

## Contracts and Agreements

The Board confirmed the following memoranda of agreement at its 907th Meeting, 26 October 1978:

1. Memorandum of Agreement with the Dangerous Drugs Board (DDB) Pertaining to a Project Entitled “Pharmacologic Contents and Toxicity Level of Datura Metel (Talumpay)”

A memorandum of agreement was entered into between the DDB and the University whereby the latter shall undertake a research project on “Pharmacologic Contents and Toxicity Level of Datura Metel (Talumpay)” with Dr. Nelia Maramba of the College of Medicine as Project Director.

DDB shall make available the amount of P278,292.00 over a period of nine months.

This project is an extension of contract AID 492·1019, approved by the Board (876th Meeting, 2 September 1976). POPCOM shall make available the amount of P278,292.00 over a period of nine months.

2. Memorandum of Agreement with the U.P. Tennis Club Regarding the Management and Operation of Tennis Courts on Campus

A memorandum of agreement was entered into between the U.P. Tennis Club and the University whereby the Club shall manage and operate all tennis court facilities of the University in Diliman. The Club shall initiate and conduct, in cooperation with the Institute of Sports, Physical Education, and Recreation, programs intended to promote tennis in the University community, including the holding of clinics and tournaments as well as local, regional, and national competitions. This agreement is for a period of five (5) years, renewable for like periods.

This project is for a period of fifteen months, beginning 1 October 1978.

3. Memorandum of Agreement with the NSDB Pertaining to a Project on “The Sociology of Land Tenure and Management System in Lands Devoted to Tobacco and Abaca”

Under this agreement, studies shall be undertaken by the Agrarian Reform Institute and financed by the NSDB in the total amount of P100,000.00. This project is for a period of fifteen months, beginning 1 October 1978.

4. Memorandum of Agreement with CIBA-GEIGY S.E. Asia Pertaining to a Project on “Evaluation of CGA 48·988 Seed Treatment Fungicide for the Control of Philippine Corn Downy Mildew”

A memorandum of agreement was entered into between the UPLB and the CGA whereby the College of Agriculture shall undertake the research for CGA who, in turn, shall finance it in the amount of P25,882.00. The agreement is for one (1) year.

5. Memorandum of Agreement with the World Health Organization (WHO) Pertaining to a Research on Microbial Pathogens affecting Insects of Medical Importance in the Philippines

WHO shall provide the sum of $10,000.00 for 1978 and a similar grant for 1979.

6. Memorandum of Agreement with the Los Baños School of Fisheries (LBSF) Regarding Construction of Temporary Classrooms

The UPLB allows LBSF to construct temporary classrooms on UPLB property near the Limnological Station at Barrio Mayondon, Los Baños. These classrooms, to be used by LBSF until 31 December 1978, shall eventually become UPLB property.

7. Supplementary Agreement with the National Research Council of the Philippines (NRCP) Pertaining to a Project on “The Establishment of a Makapuno Culture Laboratory and Nursery for Mass Production”

The principal agreement had been previously confirmed by the Board (903rd Meeting, 29 June 1978).
